Unlocking the Bible

The Gospel According to John

A critical, experimental, and practical commentary on the Bible, this three-volume work is renowned for its scholarship and keen insight into the Scriptures. While scholarly, the commentary is not overly technical and so is accessible to pastor, student, and layperson alike. C. H. Spurgeon commented on Jamieson-Fausset-Brown, It contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed and used it diligently.

1-3 John MacArthur New Testament Commentary

The Epistle of 1 John is one of the simplest books of the New Testament, yet it is often one of the most difficult to interpret. HOW TO INTERPRET 1 JOHN provides an easy-to-understand guide to grasping the message of this epistle and accurately interpreting some of its most challenging verses. For example, have you ever wondered what John means in 1 John 3:9 when he says, "Whoever has been born of God does not sin," while previously saying in 1 John 1:10, "If we say that we have not sinned, we make Him a liar, and His word is not in us"? In addition, was 1 John written to those who are already believers or to a mixture of genuine believers and unbelieving professors of Christ? What is the purpose of 1 John? Was it written to

provide a series of tests to determine whether you are truly born again, or was it written to clarify what genuine fellowship with God and others is really all about? These questions and more are answered with clarity and fresh insights from the text of God's Word in HOW TO INTERPRET 1 JOHN.

Knowing God

Were the resurrection appearances real physical events - or nothing more than grief-induced hallucinations? What does it mean to say, Jesus rose from the dead? Dissatisfied with what he regarded as evasive answers given by theologians and scholars about the nature of the resurrection of Jesus, Gerd Ludemann here subjects the New Testament traditions to a thorough investigation. In particular, Ludemann is concerned with the story of the empty tomb and the subsequent appearance stories first related by Peter. Ludemann's startling and somewhat radical conclusions have created a stir in Europe. This book, written for nonspecialists, presents Ludemann's provocative conclusions. Readers will find a positive, albeit a revolutionary, new way of viewing the resurrection.

Behold! the Kingdom

The Understanding the Bible Commentary Series helps readers navigate the

strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices, yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series.

Commentary on John

A Manual Greek Lexicon of the New Testament by George Abbott-Smith, first published in 1922, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

Does Grace Grow Best in Winter?

Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament brings together commentary features rarely gathered in one volume. Written by notable evangelical scholars, each volume treats the literary context and structure of the passage in the original Greek, and each author provides an original translation based on the literary structure. The series consistently provides the main point, an exegetical outline, verse-by-verse commentary, and theology in application in each section of every commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author's message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial. The Zondervan Exegetical Commentary on the New Testament series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. 1-3 John In her commentary on John's letters, Karen H. Jobes writes to bridge the distance between academic biblical studies and pastors, students, and laypeople who are looking for an in-depth treatment of the issues raised by these New Testament books. She approaches the three letters of John as part of the corpus that includes John's gospel, while rejecting an elaborate redactional history of that gospel that implicates the letters. Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus, an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God.

The Gospel According to Matthew

Watchman Nee encourages us that God calls people from diverse backgrounds and equips them for distinctive tasks. Though each of us is called to a unique place of service, our ministries are not in conflict, but complementary. Nee draws from the lives of three apostles to illustrate essential elements of Christian ministry.

Confession of Sin

General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible. Following the introduction, which reveals the author's approach and salient background on the book, each chapter of the commentary provides the Scripture to be expounded. The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaisms with their everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Readers who are more comfortable with another translation can readily find

the parallel passage by means of the chapter and verse reference at the end of each passage being expositied. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and vitality.

The Bible from 30,000 Feet® Workbook

Though the Letters of John appear to be among the simplest books in the New Testament, beneath their superficial simplicity lies a minefield of complexities that have generated difficult debates among Christians over the centuries. This commentary by Colin Kruse provides an excellent exposition of John's letters for teachers and pastors working at all levels of Christian ministry; at the same time it offers students and general readers clear insight into the meaning of these Scriptures for the contemporary Christian life.

The Message//REMIX

The ESV Holy Bible for Kids is a highly affordable edition for young readers with 24 pages of illustrations depicting major scenes in the story of redemption as well as kid-friendly maps.

Ephesians Through Revelation

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Desiring God

Thru the Bible Vol. 38: The Gospels (John 1-10)

For hundreds of years John Calvin's Commentaries have been admired and relied upon for their deep insights into Scripture. Charles Spurgeon told his students, "It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men, John Calvin! Of all commentators I believe John Calvin to be the most candid. He was no trimmer and

pruner of texts. He gave their meaning as far as he knew it. His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could, and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words: he laboured, in fact, to declare, not his own mind upon the Spirit's words, but the mind of the Spirit as couched in those words." And even Arminius himself admitted, "Next to the perusal of the Scriptures, which I earnestly inculcate, I exhort my pupils to peruse Calvin's commentaries, for I affirm that he excels beyond comparison in the interpretation of Scripture, and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers; so that I acknowledge him to have possessed above most others, or rather above all other men, what may be called an eminent gift of prophecy."

The Holy Bible

The King James Bible for ebook readers, desktops, tablets and phones. Including Old Testament and New Testament, this is a wonderful tool that keeps the scriptures at your fingertips. The translation that became the Authorized King James Bible was begun in 1604 and in 1611 was published by the Church of England, under the direction of King James. The translation was done by forty-seven Church of England scholars, the New Testament coming from the Greek Textus Receptus (Received Text), the Old Testament from the Masoretic Hebrew

text, and the Apocrypha from the Greek Septuagint (LXX), except for two Esdras from the Latin Vulgate.

A Commentary on the Letters of John

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

How to Interpret 1 John

The New International Version in a handy, affordable paperback edition.

Holy Bible for Kids-ESV

The long history of interpretation of the three Johannine letters has been largely characterized, at least since Irenaeus in the late second century, by the assumption that the Elder was addressing the Gnostic heresy. In recent years, particularly with the work of Raymond Brown, attention has been focused on the internal schism within the Johannine (or Beloved Disciple's) community, thus taking

the first epistle as a corrective to secessionists' misguided attempts to read the Gospel of John in an "advanced," spiritualizing manner. Birger Olsson returns to a less common perspective, one that views the crisis facing the Elder as a wholly "intra-Jewish" problem. The Johannine community comprised Jewish believers who regarded Jesus as the long-promised Messiah of Israel, but at some point in the community's life, under the leadership of one Diotrefes, some members of the community chose to reject this conviction and to entice other members to do likewise. Olsson anchors his thoroughgoing interpretation of the three letters in this conflict among Jewish Christians over the nature of the Messiah and the renewal of Israel's ancient covenant. Among other things, this implies that the letters were written in reverse order of their numbering.

Atomic Habits

Aha moments await you. Open up the REMIX and find them for yourself. The Message//REMIX presents the Bible in stirring clarity, bringing its deep truths into focus for first-time and long-time readers alike. Unlike any other Bible, the //REMIX's unique design reveals that what's inside is something special. Surprising readers with its vivid language, The Message compels readers to pause, reflect, and recognize their own lives from a new perspective—God's perspective. Don't let your Scripture reading settle into a sleepy routine. Experience the power of God's voice in the language of today. Come and delight in the passion and personality

that fill God's Word.

Thru the Bible Vol. 38: The Gospels (John 1-10)

Exalting Jesus in Matthew

Based on the latest text of the NIV, this updated commentary reflects the most current scholarship. This updated and revised Pillar commentary seeks to clearly explain the meaning of the letters of John to teachers, pastors, and general readers looking for a reliable and trusted resource for personal study. Colin Kruse introduces the important issues involved in interpreting the Johannine letters, gives verse-by-verse comments, and provides extensive discussion of major theological themes, including the real humanity of Christ, atonement, the role of the Spirit, Christian assurance, koinōnia, Christian love, and eternal life. The Pillar New Testament Commentary, designed for serious readers of the Bible, seeks above all to make clear the meaning of the text of Scripture as we have it. Writers of the PNTC volumes interact with the most important, informed contemporary debate yet avoid undue technical detail. Their ideal is a blend of rigorous exegesis and exposition, scholarship and pastoral sensitivity, with an eye alert both to biblical theology and to the contemporary relevance of the Bible.

Commentary on 1 John

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Volume 6 of the Bible Exposition Commentary 6-volume set

The Gospel According to John

Enjoy J. Vernon McGee's personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. A great choice for pastors, the average Bible reader, and students!

The Acts of the Apostles

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature

in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Letters of John

1, 2, 3 John - Comfort and Counsel for a Church in Crisis

Reconsidering Johannine Christianity presents a full-scale application of social identity approach to the Johannine writings. This book reconsiders a widely held scholarly assumption that the writings commonly taken to represent Johannine Christianity – the Gospel of John and the First, Second and Third Epistles of John – reflect the situation of an introverted early Christian group. It claims that dualistic polarities appearing in these texts should be taken as attempts to construct a secure social identity, not as evidence of social isolation. While some scholars (most notably, Richard Bauckham) have argued that the New Testament gospels were not addressed to specific early Christian communities but to all Christians, this book proposes that we should take different branches of early Christianity, not

as localized and closed groups, but as imagined communities that envision distinct early Christian identities. It also reassesses the scholarly consensus according to which the Johannine Epistles presuppose and build upon the finished version of the Fourth Gospel and argues that the Johannine tradition, already in its initial stages, was diverse.

A Manual Greek Lexicon of the New Testament

For over 40 years, J. I. Packer's classic has been an important tool to help Christians around the world discover the wonder, the glory and the joy of knowing God. Explaining both who God is and how we can relate to him, this thought-provoking work seeks to transform and enrich the Christian understanding of God. Ebook edition includes both Knowing God and the Knowing God Study Guide.

The Harp of God

The Letters of John

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from

1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

On the Whole Bible

The End of Anxiety

David Pawson presents a unique overview of both the Old and New Testaments.

What Shall This Man Do?

If God is All-powerful, Why Doesn't He Eliminate My Anxiety? Instead of asking this, perhaps we should ask why God is allowing it in the first place. Join pastor and biblical counselor Josh Weidmann on a journey through Scripture and his own vulnerable stories of discovering God's ultimate purpose in pain. *The End of Anxiety* is designed for individuals or small groups; each chapter begins with Scripture and finishes with practical steps you can apply for immediate relief. Your anxiety, fear, stress, and panic are not the end of you—but facing them could be the start of something great! “Read this, apply it, and find freedom from fear—forever.” Ray Johnston Senior pastor of Bayside Church in Granite Bay, California

What Really Happened to Jesus

Broaden Your Understanding of Each Book of the Bible Get an unobstructed view of the heart of Scripture and study the Bible in a unique way with this companion workbook to *The Bible from 30,000 Feet* by Pastor Skip Heitzig. This personal study offers overviews of the books of the Bible and provides stimulating questions to help you grasp the main message of each book, understand the overall timeline of events, and then use that knowledge to stir your love and obedience to God. Over the course of the next 52 weeks, you'll gain grander insights into God's unceasing work and enjoy a clearer perspective on Bible history. Let your faith fly higher than ever before! This workbook is designed for use with the book *The Bible from*

30,000 Feet.

Jamieson-Fausset-Brown Bible Commentary

The #1 New York Times bestseller. Over 1 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when

life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

1, 2, and 3 John

"Does Grace Grow Best in Winter?" addresses the issue of suffering from the standpoint of the sovereignty of God. It teaches that we need to learn that suffering exists, and we need to learn to suffer.

Reconsidering Johannine Christianity

Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christcentered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be

encouraged by the devotional nature of each exposition. Exalting Jesus in Matthew is the second volume in the series and is solely authored by Platt (best-selling author of Radical). Other projected contributors to the series include notable authors such as Russell D. Moore, Al Mohler, Matt Chandler, Francis Chan, Mark Dever, and others.

Holy Bible

Radio messages from J. Vernon McGee delighted and enthralled listeners for years with simple, straightforward language and clear understanding of the Scripture. Now enjoy his personable, yet scholarly, style in a 60-volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight. Each volume includes introductory sections, detailed outlines and a thorough, paragraph-by-paragraph discussion of the text. A great choice for pastors - and even better choice for the average Bible reader and student! Very affordable in a size that can go anywhere, it's available as a complete 60-volume series, in Old Testament or New Testament sets, or individually.

Bible in Basic English

1, 2 & 3 John (Understanding the Bible Commentary Series)

The apostle John is really a man for our times. He wrote his three New Testament letters in a bold, direct, even dogmatic style, more so perhaps than any other New Testament writer. Although renowned traditionally as the apostle of love (and he was), he was an authoritative, uncompromising teacher and an exclusive-style instructor with a crucial message of truth versus error, which the church much needs to hear in the twenty-first century. This commentary considers John's clear, simple, unambiguous words from his three brief but profound letters. His themes, some of them reiterated more than once, emerge powerfully, such as the first letter's stress on doctrinal certainty, moral clarity, and the preeminence of biblical love, along with the second letter's emphasis on living the truth and the third's on discerning friends and foes in the local church.
