## If Your Mountain Won't Move, Climb It!

Everybody talks about the worship, but nobody does anything about it. The well-known quote associated with Mark Twain actually goes like this—Everybody talks about the weather But changing it to "worship" seems appropriate. With *Worship Essentials*, Dove Award-winning worship leader Mike Harland helps leaders do something about it. Perhaps no subject about church generates more opinion and passion than worship. Walk with the typical church-going family on their way to the car after the service and just listen. Everybody really does talk about worship. Now, veteran worship leader and experienced ministry coach Mike Harland offers the tools worship leaders need to build biblically-faithful and effective worship ministries without bringing the disruption that often accompanies change. Psalm 67:5 reads, "Let the peoples praise you, God, let all the peoples praise you." *Worship Essentials* is here to help.

## **The 30-Day Praise Challenge**

Modern worship leaders are restless. They have inherited a model of leadership that equates leading worship with being a rock star. But leading worship is more than a performance, it's about shaping souls and making disciples. Every worship leader is really a pastor. The Worship Pastor is a practical and biblical introduction to this essential pastoral role. Filled with engaging, illustrative stories it is organized to address questions of theory and practice, striving to balance conversational accessibility with informed instruction. Part One presents a series of evocative "vignettes"--intriguing and descriptive titles and metaphors of who a Worship Pastor is and what he or she does. It shows the Worship Pastor as Church-Lover, Disciple Maker, Corporate Mystic, and Doxological Philosopher. Part Two covers specific roles related to ministry within the worship service itself--the Worship Pastor as Theological Dietician, Caregiver, Mortician, Emotional Shepherd, War General, Prophetic Guardian, Missional Historian, and Liturgical Architect. Part Three looks at ministry beyond the worship service--the Worship Pastor as Visionary Teacher, Evangelist, Artist Chaplain, and Team Leader. While some worship leaders are eager to embrace their pastoral role, many are lost and confused or lack the resources of time or money to figure out what this role looks like. Pastor Zac Hicks gives us a clear guide to leading worship, one that takes the pastoral call seriously.

## **10,000 Reasons**

Gratitude is a choice. If we fail to choose it, by default we choose ingratitude. And once allowed into the heart, ingratitude does not come by itself but with a lot of other seedy companions that only succeed in stealing joy. To not choose gratitude - daily and deliberately - is more costly than we usually realize. And when we do choose a lifestyle of heartfelt, humble gratitude, we are mindful of the benefits received from our gracious Savior and those He has placed around us. By intentionally thanking God and others, bitterness and entitlement are replaced with joy and the humble realization of just how undeserving we really are. Derived from a popular Revive Our Hearts radio series, *Choosing Gratitude: Your Journey to Joy* challenges and equips the reader to live a life of intention. A life based on

thankfulness - for the freedom Christ has provided and for the blessings of others. As a bonus, a 30-day plan of journaling, prayer and activities to help the reader on her path to joy is included.

When we open the eyes of our heart, God's revelation comes flying at us from so many different angles." Open the eyes of your heart and let the gut-level message of The Unquenchable Worshipper cause you, like martyred missionary Jim Elliot, to say, "Saturate me with the oil of Thy Spirit, that I may be aflame. Internationally known worship leader and songwriter Matt Redman invites readers to a deeper understanding of what it means to reflect God's dazzling radiance. In *Mirror Ball*, Redman eloquently illustrates why passion is more than a song or a feeling. It's a story of guts and glory, pain, and purpose. For anyone ready to follow Jesus, passion is a way of life. Through story, Scripture, and practical inspiration, Redman encourages readers to remember that, however inadequate they may feel to live out this passion, God will work in and through them, just as light radiates through the smallest prism. After all, the same God who said "let there be light" has made His light to shine in their hearts, illuminating their lives and the lives of those around them.

And yet, the true miracle lay not in the medicine or Chase's prognosis—rather, Chase's life shows us the miracle of hope, even through the darkest nights. ## **The Goodbye Bride**

In the Orthodox Christian faith the elements of liturgy, scripture, hymnody, and iconography are the instruments or "voices" of a melody of faith. Here Vigen Guroian presents the fundamental beliefs of Orthodox Christianity through the metaphor of music. Often drawing on his personal religious experience, Guroian weaves together the themes of creation and new creation, beginning and end, sin and holiness, Incarnation and deification, sacrifice and salvation. Guroian explores the dogmatic foundation of this rich faith in six chapters, or "movements." Through discussing Syrian, Armenian, Byzantine, and Russian iconography and Gospel illuminations --- illustrated by icons and Armenian miniatures --- he further reveals how Orthodox Christianity expresses theology as much in art as through language. As a whole, Guroian's Melody of Faith beautifully captures the spirit of Orthodox Christianity and takes readers to the theological heart of the Orthodox faith. "In this lovely book Vigen Guroian sets forth the compelling beauty of Orthodox faith in its own right, on its own terms, as someone who loves the faith and lives it. At

the end, the reader will have not just an idea of what Orthodoxy is but also a sense of what it is to participate in it. In the words of the Apostle John, come and see. Come and listen." --- Frederica Mathewes-Green author of Facing East: A Pilgrim's Journey into the Mysteries of Orthodoxy "No one should presume that The Melody of Faith simply provides a better understanding of Orthodox theology, because it does much more. In this book Vigen Guroian helps the reader understand, see, and sing the Christian mysteries, for Creation is a Trinitarian love song that envelops us all." --- Stanley Hauerwas author of Hannah's Child: A Theologian's Memoir

Jesus said in Mark 11:23, "If anyone says to this mountain, 'Go, throw yourself into the sea, ' and does not doubt in their heart but believes that what they say will happen, it will be done for them." My five year old grandson asked, "How does God move mountains? Aren't they really heavy?" They sure are and He sure can! But what if your mountain will not move, or even budge? I hope for the next few chapters I can walk along side of you as you climb your mountain, by sharing with you bits and pieces of my own personal experiences, difficulties, and accomplishments. A friend of mine once said, "We tend to look at mountains as a bad thing that Jesus has to cast into the sea, but sometimes those mountains are not troubles in our lives but triumphs! Sometimes God does not move the mountain but calls us to climb it and conquer it." So gather your supplies, and get on your hiking shoes, and let's go mountain climbing!
