Celebrate the fortieth anniversary of the enduring gothic masterpiece *Flowers in the Attic*—the unforgettable forbidden love story that earned V.C. Andrews a fiercely devoted fan base and became an international cult classic. At the top of the stairs there are four secrets hidden—blond, innocent, and fighting for their lives... They were a perfect and beautiful family—until

a heartbreaking tragedy shattered their happiness. Now, for the sake of an inheritance that will ensure their future, the children must be hidden away out of sight, as if they never existed. They are kept in the attic of their grandmother's labyrinthine mansion, isolated and alone. As the visits from their seemingly unconcerned mother slowly dwindle, the four children grow ever closer and depend upon one another to survive both this cramped world and their cruel grandmother. A suspenseful and thrilling tale of family, greed, murder, and forbidden love, *Flowers in the Attic* is the unputdownable first novel of the epic Dollanganger family saga. The Dollanganger series includes: *Flowers in the Attic*, *Petals in the Wind*, *If There Be Thorns*, *Seeds of Yesterday*, *Garden of Shadows*, *Beneath the Attic*, and *Out of the Attic*.

### **Chase's Calendar of Events 2014**

For decades, pit bulls have been demonized by society and portrayed as hellhounds. They've become the most feared, hated, and abused of all companion animals. Some cities and even entire countries ban them, while the media persist in associating them with viciousness. This unjust reputation has sealed the fate of millions of dogs, who face prejudice around the world and languish in shelters, where they are the most euthanized. In America alone, hundreds of thousands of pit bulls are put to sleep every year. Since 2014, French photographer Sophie Gamand has been composing portraits of adoptable pit bulls from more than thirty shelters and rescues throughout the United States. Many had been waiting for years for a home. Adorning her models with handmade flower-crowns, Gamand tells each dog's story and celebrates their inherent personality, vulnerability, and individuality. Posted and shared widely on social media, the portraits--at once charming, candid, and deeply affecting--have not only led to hundreds of dogs finding loving, forever homes, but have also spurred efforts to destigmatize an animal whose reputation for violence says more about us than it does the character of the dogs themselves. Full of moving, honest, and inspiring stories of individual dogs and their lives (and deaths), Pit Bull Flower Power presents a vivid, beautifully composed cross-section of Gamand's extraordinary work. The book also serves as a testament to the caring people who work in animal rescue, the passion and dedication of those who provide homes for these animals, and the dignity, forbearance, and love of these dogs, who are at the mercy of humans.
