When God Unfolds the Rose

INCLUDED ARE PRAYERS BY: Dr. Mark I. Bubeck, Dr. Neil T. Anderson, Brother Andrew, Nancy Leigh Demoss, Dr. Fred C. Dickason, Rev. Paul Estabrooks, Dr. Erwin W. Lutzer, Stormie Omartian, Dr. Ray Pritchard, Dr. Marcus Warner, and others. Newly updated to include an "Introduction to Spiritual Warfare" by Dr. Marcus Warner. The Bible is clear — from the moment we draw our first breath, WE ARE AT WAR. Satan hates us and wants to destroy us — because the Lord loves us. A supernatural battle is waging all around us and if you are not a warrior, you will be a casualty. Christians must face this battle head-on by learning to put on the full armor of God every day. If we are not equipped properly, we will wonder why we live such defeated lives. Satan is alive and well and "prowling around like a lion seeking whom he can devour." We must use the weapons that God has provided for us to do battle for ourselves and for those that we love. A Warrior's Prayerbook is a clear and concise resource designed to help you put on the full armor of God. This book is filled with doctrinally sound prayers, written by great men and women of faith, past and present, that will help you be a fearsome prayer warrior in your

spiritual battle. ENDORSEMENTS A Warrior's Prayerbook will be a great help to many and a service to the Body of Christ. Many will have never seen anything like these prayers. They should not only be a help to those who use them but also a wake-up call and challenge to many who never thought of warfare and practical praying against evil. Kathryn has done a great work in compiling, organizing, presenting, and publishing this book. Good art work. Great need. Great taste. DR. C. FRED DICKASON Author and Fmr. Systematic Theology Chair – Moody Bible Institute, Chicago “The Christian life is not a playground; it is a battleground.” Warren Wiersbe We’re in a battle every day. If we take seriously Paul’s call to “Put on the whole armor of God” (Ephesians 6:11), then we know that we need to pray. But how should we pray when we go into battle? My friend Kathryn McBride has helped us hugely by compiling A Warrior’s Prayerbook for Spiritual Warfare. The first part of the book contains prayers from esteemed Christian leaders like Erwin Lutzer, Mark Bubeck, Fred Dickason, and Brother Andrew, arranged in categories such as “Affirm,” “Resist,” “Renounce,” and “Prayers for Others.” The book also includes the full text of many Scriptures on spiritual warfare along with very helpful quotes from noted Christian leaders. This is the most comprehensive guide to spiritual warfare praying that I have seen. We need a book like this so that when the enemy surrounds us, we will know how to get in contact with the Captain of our Salvation. Read it and you will be better prepared to stand strong when the devil attacks you and your family. DR. RAY PRITCHARD Speaker, Pastor, Author www.keepbelieving.com

The Institutional Church Beast Infrastructure is an easy to understand and a comprehensive guide to some of the various tricks, techniques, lies and deceptions that are commonly used by the church beast system today. In 2015 many people are walking through life believing that they have an obligation to conform to the lunacy that the church purports to be sound doctrine and righteous teaching. In this book Babatunde Umanah takes the reader through the maze of confusion and mystery surrounding many of the common sayings and frequent bread and circus, minstrel show, buffoonish practices exercised within the vast majority of church beast branches across the denominational board and shows the reader the truth behind the veil. This book is designed to be used as a deprogramming and deconstructing tool which one can utilise to free themselves from the mental and

physical shackles that have been strategically put in place by clergy and other church leadership. The Institutional Church Beast Infrastructure is purposely designed to be a straight forward, non complex, no nonsense read that can easily be digested and understood by all.

minutes a day, and unique in that it helps manifest our dreams and aspirations by empowering our thoughts, stimulating analytical thinking, magnifying and expressing our dormant capabilities, and attracting the necessary resources from known and unknown directions. The book is equally helpful for beginners, who do not know how to meditate, as well as for those who practice meditation regularly. 'White Light' is a high frequency cosmic energy that is invisible, omnipresent and accessible to everyone, although we might be unaware of its presence. White Light Meditation does not need initiation or expert supervision. You can access the White Light simply by 'intending' that it come to you. Its regular practice infuses divine manifesting power into the subtle energies of our thoughts and wishes, thus triggering a positive chain of events, and steering us on to reaching the desired goal(s). Owing to its open approach, White Light Meditation happens spontaneously irrespective of whether one is by nature spiritual or not. A ten to fifteen minute daily meditation routine is what is needed to continue the process of transformation with the White Light. The author, Reiki Master Teacher Sunetra Basu, teaches Usui Shiki Ryoho (Reiki) and serves as a Spiritual Healing Channel. For over a decade, she has been meditating with the White Light manifesting positive results for her clientele and students. In this book she shares the sacred knowledge of White Light Meditation and wishes that all her readers would learn it from the step-by-step simple instructions. A daily practice of White Light Meditation empowers you to bring desired changes in your life.

jumpstart the prayer journey of readers, whether they are new to prayer or lifelong prayer veterans. The author's prayers took her halfway around the world to work with the destitute and poor in African countries as she became the answer to someone else's prayers. Most books on prayer describe answers to the author's personal prayers. This book not only does that but also shows how the author became the answer to other people's prayers. Marilyn tells her story of how as an ordinary mom, she has moved from her own neighborhood to the inner city to genocide-torn Africa. She also tells of meeting two African presidents and becoming deeply involved with the poor in Sudan. But much more than her personal story, this book offers a multitude of practical helps for readers to jumpstart their own prayer journey with step-by-step instructions, training, and tips. Inspirational principles—such as “Double for Your Trouble,” which teaches that those who suffer pain and trouble are often doubly blessed by God—ground readers and equip them for prayer. And inspirational stories—such as “Pennies from Heaven,” which tells how the author found pennies everywhere only to discover that God was trying to tell her something—motivate readers to move forward in their own prayer journey. Finally, a twenty-page, eight-week Leaders Study Guide is included at the end of the book for those who want to share and teach this book's methods to others.

"Hidden Mountain Secret Garden: a theological contemplation on prayer" helps the reader discover the riches of mental prayer in the Catholic Tradition. In fact, the images of the "Hidden Mountain" and the "Secret Garden" are ancient metaphors for contemplative prayer, a kind of prayer that begins and ends in faith. This book is especially for those whose prayer is a search for the loving eyes of One who has conquered death. This kind of prayer beholds the wonder of Christ's living but hidden presence in one's highest thoughts and most noble aspirations as well as in one's instinctual urges and deepest longings. The ecstasy of this kind of prayer extends beyond even the vast unexplored horizons of the human heart and opens to an immensity of such excessive mercy that all else is forgotten -- and only love remains. The whole world needs this love: it is the secret garden, the hidden mountain, the inexhaustible riches only prayer knows and an excess of grace only prayer can make known. This is why Blessed John Paul II told the Church not to be afraid to open wide the doors of our hearts to Christ and it is why He told the young people of the world to be proud to proclaim the Gospel of the Lord. For those brave souls who have faithfully open their hearts to the Lord through this discipline of this kind of prayer, every Christian owes you a debt of gratitude. For those who want to join them, this work encourages you along the way -- for the journey you endeavor is at once the most perilous, the most heart-rending and the most wonderful adventure this world has ever known. "Dr. Anthony Lilles has authored an introduction to prayer that is inspiring and encouraging. For those desiring to pray this is a resource that is full of practical advice - written simply and

attractively. This book bears the mark of a man - husband, father and teacher - who is not only imbued with the wisdom of the Saints, but who has also, through his own prayer, learned how all of us can, through prayer, foster faith in and love for Jesus and his Gospel." THOMAS G. WEINANDY, O.F.M., CAP. Executive Director for the Secretariat for Doctrine United States Conference of Catholic Bishops This is a wonderful book. I've taught spiritual theology many years and I wish I had had this text use. In fact, I wish I had written this book. It is scriptural, patristic, historical, theological, mystical, experiential and user friendly. Dr. Lilles takes us through the spiritual journey of prayer, citing Fathers and doctors, saints and even sinners to guide us on our Christian way toward contemplation. Weaving many themes into a harmonious whole, he opens up the life of contemplation for all Christians, our baptismal birthright in a way that is accessible and attractive. This is a book one will read more than once. FR. GILES DIMOCK, O.P., S.T.D University Parish of St. Thomas Aquinas At the University of Virginia In this book we find the real meat of the new evangelization. The church in America will not be renewed by "facts about Jesus" but only through one's choice to let Christ reach the heart and change it from within. It is an ancient message received by only few: Do not be afraid of letting go of what now defines you. Let Christ tell you who you are. Dr. Lilles is one of the ablest guides to lead us through to such a choice. Will I stay with knowledge about Jesus or will I enter the garden of prayer and finally come to know Him!! Do not be afraid to be loved, read this book. DEACON JAMES KEATING, PH.D, Institute for Priestly Formation, Omaha, NE

"This book is a slice of intensified history—history as I saw it." So begins John Reed's first-hand account of the Bolshevik Revolution of 1917. Much anticipated when it was published in 1919, Reed's narrative remains as riveting today as when the events he describes were still reverberating throughout the world. Reed was hardly a disinterested observer, and his involvement in the Communist labor movement lends urgency and passion to his classic account. He vividly describes events in Petrograd in November 1917, when Vladimir Lenin and the Bolsheviks stormed the Winter Palace and seized the reins of power. Despite Reed's personal leanings, which he made no attempt to hide, the book garnered praise from luminaries across the political spectrum. George F. Kennan, the American diplomat,

and father of the policy of Soviet containment, said that "Reed's account of the events of that time rises above every other contemporary record for its literary power, its penetration, its command of detail. It will be remembered when all others are forgotten." Reed was committed to telling the story of the Russian revolution as truthfully as possible. That the book was banned by Russian premier Josef Stalin is a testament to the author's success in carrying out his mission. One hundred years after Russia and the world trembled, *Ten Days that Shook the World* brings alive the momentous events of 1917.

Throughout the course of our lives, we sign contracts for just about everything-car leases, home loans, credit cards. There is something powerful about signing our name to a commitment. It reflects our word, our honor, our willing obligation. In *The Burning Heart Contract*, Becky Tirabassi challenges us to commit to God more concretely by actually constructing and signing a contract with Him for a "21-day challenge" that the author is convinced will set our hearts on fire and ignite a passion within us to live, love, work, explore and create on levels beyond our comprehension. Such an agreement can then be used as a living document that will continually guide us back to the most important commitment we ever made.

for that purpose. 2. This book is for you and your specific situation. This book does not contain general advice like 'look into the other person's eyes and that will create attraction.' It is intended and created specifically for you and your situation. That means, you will have to put effort to get clear about what you need to work on, why you want to do it and come up with your own strategies and plans to take things forward. This book will guide you to do that effectively. 3. Master the basics, rest will follow. This book is about the most basic and the most important social skill, eye contact. It's so basic and simple that it's importance is often overlooked. It is highly recommended that you read the book and master eye contact if you want to improve your social skills. If we cannot do this simple thing, if we cannot take this first step of making strong eye contact, how can we expect ourselves to improve other advanced social skills? Includes sample 21 day plan for you to master eye contact.
