American Heritage Dictionary

The American Heritage Dictionary, College Edition

Curious George gets curious about words in this illustrated dictionary designed for children from preschool through kindergarten. In an illustrated introduction to this unique dictionary, Curious George learns how to look up words before embarking on an educational adventure through a vocabulary list chosen specifically for children ages four to six. The dictionary itself presents approximately 600 words, with six words to a page. Each entry is illustrated with a full-color drawing, and more than half of the illustrations include a sample sentence that puts the word in context. At the end of the book, eight full-page features present groups of thematically related words such as colors, shapes, and numbers.

The American Heritage Dictionary

A dictionary for use in grades four through eleven with an entry list derived from printed materials used in schools. Includes section on how to use the dictionary.

Webster's II New Riverside Pocket Dictionary

A general dictionary of the English language adapted for high school students includes etymologies, biographical entries, geographical entries, usage notes, and synonyms.

The American Heritage Medical Dictionary

The Word Book III

Discusses the nature, origins, and development of language and lists the meanings and associated word for more than thirteen thousand Indo-European root words.

The American Heritage Medical Dictionary

An illustrated reference book including an A-Z vocabulary listing, a thesaurus, and special sections on synonyms, word histories, vocabulary builders, and phonics.

The American Heritage Dictionary of the English Language

Contains entries for over 10,000 new words reflecting the explosion of computer and Internet technology as well as changes in popular culture and slang.

The American Heritage Children's Dictionary

In this updated dictionary of medical words and phrases, entry words are clearly defined, reflect state-of-the-art medical research and practice, and avoid confusing jargon, including hundreds of new words that encompass the latest tests, diseases, treatments, and technology, as well as common medical abbreviations and health-care management and policy terms. Reprint.

The American Heritage Stedman's Medical Dictionary

Covering over ten thousand phrases, including "bite the bullet," "take the cake," and "buy the farm," a reference on common American vocabulary and idiomatic expressions defines each entry and provides a contextual sentence.

The American Heritage Dictionary of Idioms, Second Edition

A major revision of the Fifth Edition of The American Heritage(R) Dictionary of the English Language, the premier resource about words for people who seek to know more and find fresh perspectives. This new printing, which marks the 50th anniversary of the publication of the original American Heritage Dictionary, presents the most up-to-date research about the words in our language in an accessible and elegant design, featuring thousands of revisions, including more than 150

new words and senses. This is the fiftieth anniversary printing of The American Heritage(R) Dictionary of the English Language. This beloved dictionary has become the premier resource for anyone who wants to know precisely what words mean, where they come from, and how to use them effectively. It is renowned for presenting accurate and comprehensible definitions, etymologies based on the latest research, and authoritative usage guidance from the celebrated American Heritage Usage Panel. The fifth edition of the dictionary, published in 2011, included 10,000 new words and senses, as well as 4,000 new full-color images. This comprehensive update continues the tradition of exhaustive research and thorough review. Thousands of revisions to definitions and etymologies, 150 new words and senses, and new usage advice make this updated printing the most current print dictionary of its size available today. The American Heritage Dictionary combines clear, precise definitions with useful features that make it easier to choose your words and express yourself clearly. Your words really do define you. Make the most of them with the guidance of this respected work of reference.

American Heritage Dictionary of the English Language, Fifth Edition

The third edition of this dictionary reflects changes in the language in the last ten years with an A-Z section of more than sixteen thousand new words
