Advanced Placement Economics

The elementary school manager, by H.R. Rice-Wiggin and A.P. Graves

REVIEW "If some of Dickens's novels sprawl luxuriously across the page, this one is as trim as a whippet. Touch any part of it and the whole structure quivers into life." - The Guardian

BOOK DESCRIPTION Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel, which depicts the education of an orphan nicknamed Pip (the book is a bildungsroman, a coming-of-age story). It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person. The novel was first published as a serial in Dickens's weekly periodical All the Year Round, from 1 December 1860 to August 1861. In October 1861, Chapman and Hall published the novel in three volumes. The novel is set in Kent and London in the early to mid-19th century and contains some of Dickens's most celebrated scenes, starting in a graveyard, where the young Pip is accosted by the escaped convict Abel Magwitch. Great Expectations is full of extreme imagery - poverty, prison ships and chains, and fights to the death - and has a colourful cast of characters who have entered popular culture. These include the eccentric Miss

Havisham, the beautiful but cold Estella, and Joe, the unsophisticated and kind blacksmith. Dickens's themes include wealth and poverty, love and rejection, and the eventual triumph of good over evil. Great Expectations, which is popular both with readers and literary critics, has been translated into many languages and adapted numerous times into various media. (Source: Wikipedia) EXCERPT FROM THE BOOK This was very uncomfortable, and I was half afraid. However, the only thing to be done being to knock at the door, I knocked, and was told from within to enter. I entered, therefore, and found myself in a pretty large room, well lighted with wax candles. No glimpse of daylight was to be seen in it. It was a dressing-room, as I supposed from the furniture, though much of it was of forms and uses then quite unknown to me. But prominent in it was a draped table with a gilded looking-glass, and that I made out at first sight to be a fine lady's dressing-table. Whether I should have made out this object so soon if there had been no fine lady sitting at it, I cannot say. In an arm-chair, with an elbow resting on the table and her head leaning on that hand, sat the strangest lady I have ever seen, or shall ever see. She was dressed in rich materials,--satins, and lace, and silks,--all of white. Her shoes were white. And she had a long white veil dependent from her hair, and she had bridal flowers in her hair, but her hair was white. Some bright jewels sparkled on her neck and on her hands, and some other jewels lay sparkling on the table. Dresses, less splendid than the dress she wore, and half-packed trunks, were scattered about. She had not quite finished dressing, for she had but one shoe on,--the other was on the table near her hand,--her veil was but half

arranged, her watch and chain were not put on, and some lace for her bosom lay with those trinkets, and with her handkerchief, and gloves, and some flowers, and a Prayer-Book all confusedly heaped about the looking-glass.

God's not dead . . . but they're trying to kick him out of the public square! Welcome back to Hope Springs . . . where Christian Grace Wesley teaches high school history. She is on the hot seat with the school district after she answers Brooke Thawley's question about Jesus during a classroom discussion. Suddenly, Brooke becomes a pawn in an epic court case that could cost Grace the career she loves. Tom Endler, a lawyer with the teachers' union, is tapped to reluctantly represent Grace in her fight for her First Amendment rights. He finds himself fighting for a cause he doesn't even believe in. Tom's research leads him to Amy Ryan, a reporter and former skeptic who found faith while battling cancer and watching the classroom battle unfold at Hadleigh University a year ago. Both are soon on a journey to understand what genuine faith really means as they fight to save Grace's job and avoid a court decision that could cripple the free speech rights of all Christians in the marketplace. Based on the highly anticipated movie sequel, this novel tells more about the story behind the new blockbuster film and gives fans an update on favorite characters from the original film.
