Professional Papers of the Corps of Engineers of the United States Army

This book contains money-making secrets that can change your life. Think and Grow Rich, based on the author's famed Law of Success, represents the distilled wisdom of distinguished men of great wealth and achievement. Andrew Carnegie's magic formula for success was the direct inspiration for this book. Carnegie demonstrated its soundness when his coaching brought fortunes to those young men to whom he had disclosed his secret. This book will teach you that secret—and the secrets of other great men like him. It will show you not only what to do but also how to do it. If you learn and apply the simple basic techniques revealed here, you will have mastered the secret of true and lasting success—and you may have whatever you want in life!

My War is a blunt, funny, idiosyncratic account of Andy Rooney's World War II. As a young, naïve correspondent for The Stars and Stripes, Rooney flew bomber missions, arrived in France during the D-Day invasion, crossed the Rhine with the Allied forces, traveled to Paris for the Liberation, and was one of the first reporters into Buchenwald. Like so many of his generation, Rooney's life was changed forever by the war. He saw life at the extremes of human experience, and wrote about what he observed, making it real to millions of men and women. My War is the story of an inexperienced kid learning the craft of journalism. It is by turns moving, suspenseful, and reflective. And Rooney's unmistakable voice shines through on every page.
