Introduces young readers to a wide variety of animals and where they live while teaching basic concepts including colors, opposites, and counting.

Bright Baby Animals

Young readers can slide back panels to match animals with their close-up pictures, colors, babies, and names. On board pages.

Duty Free

Helps young children learn about trucks with vocabulary, pictures, and questions. On board pages.

Sleep

Fluffy Chick and Friends

From Stephen R. Covey—the late, legendary author of *The 7 Habits of Highly*

Effective People—a set of principles for achieving a happy and fulfilling life of primary greatness. Many of us are hurting. We have chronic problems, dissatisfactions, and disappointments. Although we generally make it through the day, a lot of us feel overwhelmed by burdens we carry. We try to “lift the load of life” each day and sometimes it’s just too much. The idea of living a “great life” seems a distant dream. Stephen R. Covey believed there were only two ways to experience life: primary greatness or secondary greatness. Through his books and speaking, he taught that the intrinsic rewards of primary greatness—integrity, responsibility, and contribution—far outweighed the extrinsic rewards of secondary greatness—money, popularity, and the self-absorbed, pleasure-ridden life that some people consider “success.” In this posthumous work, Covey lays out clearly the 12 levers of success that will lead to a life of primary greatness: Integrity, Contribution, Priority, Sacrifice, Service, Responsibility, Loyalty, Reciprocity, Diversity, Learning, Teaching, and Renewal. For the first time, Covey defines each of these 12 qualities and how they can be leveraged and enacted in your daily life to lead you to success and happiness. Featuring his trademarked wisdom that is beloved and has inspired countless readers and leaders, Primary Greatness once again delivers classic Covey advice in a concise and reader-friendly way.

Books in Print Supplement

Preschoolers will have hours of fun with this activity-packed book. There are puzzles to complete, pictures to color in, drawing activities, as well as over 200 stickers to place on the book pages. A great way for kids to learn while having fun.

The Diary of a Social Butterfly

Jane Austen's Emma, transported to the outrageous social melee of 21st-century Lahore. Our plucky heroine's cousin, Jonkers, has been dumped by his low-class, slutty secretary, and our heroine has been charged with finding him a suitable wife -- a rich, fair, beautiful, old-family type. Quickly. But, between you, me and the four walls, who wants to marry poor, plain, hapless Jonkers? As our heroine social-climbs her way through weddings-sheddings, GTs (get togethers, of course) and ladies' lunches trying to find a suitable girl from the right bagground, she discovers to her dismay that her cousin has his own ideas about his perfect mate. And secretly, she may even agree. Full of wit and wickedness and as clever as its heroine is clueless, Duty Free is a delightful romp through Pakistani high society -- though, even as it makes you cry with laughter, it makes you wince at the gulf between our heroine's glitteringly shallow life and the country that is falling apart, day by day, around her Louboutin-clad feet. Moni Mohsin, already a huge bestseller in India, has been hailed as a modern-day Jane Austen, and compared to Nancy Mitford and Helen Fielding. Duty Free is social satire at its biting best. From the Trade Paperback edition.

My Big Dinosaur Book

Your little one will love to discover the incredible trucks and things that go inside this bright board book. There are 100 different truck photographs to look at and talk about, and 100 truck names to read and learn, too. The pages are made from

tough board for hours of fun reading, and the cover is softly padded for little hands to hold.

Slide and Find - Animals

Happy Baby: Colors

Challenges young boys to find and count hidden items in the book's large, brightly colored, illustrated scenes.

Livros disponíveis

- Packed with early learning activities, puzzles and games
- Free CD features hundreds of pictures to print, colour or e-mail

1000 Animal Stickers

From 'boat' and 'car' to 'apple' and 'banana' this book provides the youngest readers with the fundamental first words that will form the foundation of their vocabulary. Babies and toddlers will love the brightly colored images on every page, and the board book format is the perfect size for little hands to hold.

My Giant Fold-out Book of Animals

Pakistan may be making headlines—but Butterfly is set to conquer the world. 'Everyone knows me. All of Lahore, all of Karachi, all of Isloo—oho, baba, Islamabad—half of Dubai, half of London and all of Khan Market and all the nice, nice bearers in Imperial Hotel alsoNo ball, no party, no dinner, no coffee morning, no funeral, no GT —Get-Together, baba—is complete without me.' Meet Butterfly, Pakistan's most lovable, silly, socialite. An avid partygoer, inspired misspeller, and unwittingly acute observer of Pakistani high society, Butterfly is a woman like no other. In her world, SMS becomes S & M and people eat 'three tiara cakes' while shunning 'do number ka maal'. 'What cheeks!' as she would say. As her country faces tribulations - from 9/11 to the assassination of Benazir Bhutto—Butterfly glides through her world, unfazed, untouched, and stopped short only by the chip in her manicure. Wicked, irreverent, and hugely entertaining, The Diary of a Social Butterfly gives you a delicious glimpse into the parallel universe of the have-musts.

Bright Baby Colors

Compact book packed with 1000 replaceable, photographic stickers for hours of sticker fun Pages of activities to complete, including outlines in which to place stickers Develops hand-eye coordination skills

How to Stay Sane in an Age of Division

This giant book is packed with 1,000 amazing animal stickers to look for, then match to the corresponding outlines on the book pages. Also includes animal

pictures to color. Illustrations. Consumable.

Happy Baby: Words

Do Pirates Take Baths?

This charming cloth book is perfect for your littlest ones! Features bright colors help to develop children's sensory awareness, as well as rhyming text helps kids improve their listening skills.

Bright Baby First Words

An adorable Rainbow Fish board book, perfect for bedtime! When Little Rainbow Fish can't fall asleep, there's only one thing that can help—his Mommy! Little Rainbow Fish's mom promises to watch over him, no matter if he is in the ink cloud of an octopus, lost in the deep blue sea, or simply having a bad dream. A sweet adaptation of the hardcover storybook. "Just the thing to help calm nerves when the day is almost done."—Booklist

First 100 Animals Lift-the-Flap

Perfect for babies and toddlers, this charming book features every color of the rainbow! With bright pages and two unique examples of each color, this book is an essential addition to any baby's library. The combination of colorful pictures and simple words will help to build your child's vocabulary.

My Giant Sticker Activity Book (with CD)

Pictures, on board pages, of baby animals.

Treasure Hunt for Boys

A soft-to-touch board book, Roger Priddy's Happy Baby: ABC is one in a series of perfect first books for your baby. With clear photographic images and simple text labels identifying everyday things and animals, this is an ideal introductory book for 0-18 month-olds offering fun and clever ways to help young children learn the alphabet and increase their vocabulary.

1000 Stickers

The must-read, pocket-sized Big Think book of 2020 Ours is the age of contagious anxiety. We feel overwhelmed by the events around us, by injustice, by suffering, by an endless feeling of crisis. So, how can we nurture the parts of ourselves that hope, trust and believe in something better? And how can we stay sane in this age of division? In this powerful, uplifting plea for conscious optimism, Booker Prize-nominated novelist and activist Elif Shafak draws on her own memories and delves into the power of stories to bring us together. In the process, she reveals how listening to each other can nurture democracy, empathy and our faith in a kinder

and wiser future.

Preschool Sticker Activity Book

Fuzzy Bee and Friends

A soft-to-touch board book, Roger Priddy's Happy Baby: Colors is one in a series of perfect first books for your baby. With clear photographic images and simple text labels identifying everyday things and animals—and their colors—this is an ideal introductory book for 0-18 month-olds offering fun and clever ways to increase a child's vocabulary.

First 100 Trucks

Happy Baby: Words 'Soft-to-touch' with simple clear images labelled to increase your child's vocabulary-truly a first book for your baby.

Happy Baby: ABC

This alphabet book introduces each Letterland character with a story-like text to ensure that children easily become familiar with them and their behaviour in words.

Reimagining Pakistan: Transforming a Dysfunctional Nuclear State

Salman Rushdie once described Pakistan as a 'poorly imagined country'. Indeed, Pakistan has meant different things to different people since its birth seventy years ago. Armed with nuclear weapons and dominated by the military and militants, it is variously described around the world as 'dangerous', 'unstable', 'a terrorist incubator' and 'the land of the intolerant'. Much of Pakistan's dysfunction is attributable to an ideology tied to religion and to hostility with the country out of which it was carved out - India. But 95 per cent of Pakistan's 210 million people were born after Partition, as Pakistanis, and cannot easily give up on their home. In his new book, Husain Haqqani, one of the most important commentators on Pakistan in the world today, calls for a bold re-conceptualization of the country. Reimagining Pakistan offers a candid discussion of Pakistan's origins and its current failings, with suggestions for reconsidering its ideology, and identifies a national purpose greater than the rivalry with India.

Good Night, Little Rainbow Fish

Hey! Hey! What do you say! It's time to take a bath today. From the irrepressible Sandra Boynton comes an irresistible storybook for bath time. Bath Time! is waterproof, nontoxic, completely baby-safe—and it floats! It's a classic tale of pig meets paint. Spattered with colors from a long day at the easel, the pig takes to the tub, washcloth in hoof, determined to get all pink and clean. Gently scrub from top to toes. Now I kiss you on the nose. All clean! (Squeak squeak!) On the last

page, the snout has a bound-in squeaker. Get it? Squeaky clean?

Bath Time!

"We have parents with kids in college now who know their kids probably wouldn't be there if it wasn't for Read Right. I am definitely an advocate." --Melinda Reeves, 2004 Texas High School Principal of the Year
Dr. Dee Tadlock's patented Read Right program has helped more than 20,000 struggling readers become excellent readers. Supported by 25 years of research, the revolutionary approach addresses both conscious and subconscious aspects of reading and offers you the most efficient and effective ways to help children learn. The three keys to becoming an excellent reader: An appropriate concept of excellence (reading that makes sense, feels comfortable, and sounds natural) Strong intent (unwavering desire to read with excellence) Predictive strategies (use of the brain's amazing anticipatory systems to construct reading ability) A revolutionary alternative to outdated phonicsbased or whole-language methods, this complete interactive system includes: Simple step-by-step coaching techniques to use with children A list of age-appropriate reading materials suitable to early reading development How to spot and address the real barriers to reading development

New York

Labeled photographs introduce young readers to animals found on the farm, in Africa, in the jungle, and under the sea. On board pages.

International Literary Market Place
