### **The Golden Age of Lesbian Erotica**

Examines vampires in mythology and folklore, their characterizations in literature and motion pictures, and popular belief in and fascination with vampires

### **Night Bites**

Central to every vampire story is the undead's need for human blood, but equally compelling is the human ingestion of vampire blood, which often creates a bond. This blood connection suggests two primal, natural desires: breastfeeding and communion with God through a blood covenant. This analysis of vampire stories explores the benefits of the bonding experiences of breastfeeding and Christian and vampire narratives, arguing that modern readers and viewers are drawn to this genre because of our innate fascination with the relationship between human and maker.

### **Midnight Thirsts: Erotic Tales Of The Vampire**

The mere mention of vampires used to be enough to make people think of a nocturnal predator. But over the centuries the vampire has changed from monstrous villain to sexual object, for both men and women alike. Allure of the Vampire examines our intimate attraction to these beings in a detailed manner. Now, join occult author Corvis Nocturnum as he reveals the fascinating evolution of this icon as it has lured and enticed us in folklore, film and books from the days of ancient civilization to the living breathing inhabitants of our modern subculture, the vampire community.

### **Vampire**

They walk in the darkness, seeking their prey, driven by needs and desires they cannot control. Their lust for human blood struggles with their desire for the body of a beautiful man—and if they are truly lucky, they can satisfy both lusts at the same time. In these tales of the gay vampire, some of today's top erotic writers explore the duality of blood lust coupled with passion and sensuality, and the need

of the vampire to take blood and give erotic delight in return.

### **Midnight Cocktail**

### **Best Lesbian Erotica 1999**

Bloodlust is a very erotic, extremely intense love story with a difference. It is also a vampire story in the finest tradition of Anne Rice's sexy novels, but much more explicit and set in contemporary Australia. The central character of Bloodlust is a young woman called Carmilla, who is attractive, headstrong, curious, sexually aggressive and wildly independent. She is also a vampire. An invader of the normal, a loner, hungry for experience and dedicated to her search for meaning. And blood. She meets a young man, Jonathan, at a party, and they are instantly and fatally attracted to each other; they begin a wild sexual affair that will not satiate their desires, and gradually they begin to explore sexual bloodsports, eventually luring others to their house to feed their fetish and fantasy games. Or at

least Jonathan thinks they are games - but even he becomes alarmed by the lengths to which Carmilla is prepared to go to satisfy her lusts but by then his life is so entangled with hers he cannot break free from her spell. A dark, thrillingly erotic and chilling novel of sex and horror from a young writer of disturbing and powerful talents, *Bloodlust* is also a metaphor for the modern world. We live in an age of vampires - lusty, hungry, obsessed and isolated. Has the need for love gone underground? Do people disguise it, not admit they need it, seek it in other forms? Vampires embody society's social anxieties, particularly on the brink of a new millennium. They also at times fear life and long to die. *Bloodlust* explores the cruelty and primal lusts that lie just below humankind's surface respectability as well as hidden and forbidden power, life beyond the everyday, and the extraordinary within the ordinary.

### **Girls Who Bite**

Vampire, vampires, vampires, they are all here from the very first blood lusting vampire in history known as The Ancient One. There is Dracula the quintessential vampire and Vampira the most erotically sexually depraved and hardcore vampire of them all. The murderous Alucard, son of Dracula is here as well as the vampire hunters and the bastard vampires that succumb to their every hardcore fetish and sado masochistic activity imaginable. This out of control debauchery started the vampire war that resulted in the rise of the newest, most blood lusting vampire in the 21st Century, a vampire more sado masochistic, deadly and depraved than any other vampire in history. *Vampire, Origin of the Species* is a full blooded vampire story for adults only, containing erotic taboo sex and the extreme horror of child exploitation. This is a story that stretches back to the dawn of humanity and follows the evolution of vampires so vile that come to prey on human blood. Through the ages these vampires evolve and develop along with the human race to become sophisticated in the modern age. These murderous vampires develop into a predatory species with a blood lust matched by unquenchable desire for sexual pleasures of the flesh, pornography and sexual domination; a species being totally free of all the restraints of behavior indulging every spasm of lust, feeding each depraved hunger with the immunity that comes only with invincibility and immortality. The story awaits you here, so come I dare you to turn the pages, but be forewarned, the plot is blood soaked and the characters lustful and depraved.

Latest Reviews From Amazon UK - 5 stars "Great book, with a great storyline" By covgal72 "This book is great value for money. It takes on a different angle of vampire story, rather than the usual Vlad the Impaler, or teen love story. I loved the little snippets of background on each character, and I can see lots of scope for a series of books. This book would make a great movie. Five stars from me." 5 stars Actual Vampires! Five Stars: Great Read For Holidays By SusieV "I do not usually read vampire books but having read The Passage and Twelve I thought I would try this. I found the story kept your attention and must admit did not guess the ending. It's an easy read with possibly more sexual perversion than I would like but that did not spoil my enjoyment of it. Lesbian erotica of the 1920s through the 1940s had a bold new cast to it. Unlike the tender and affectionate eroticism of the Victorian era with its naughty schoolgirls, convent antics and ladies-in-waiting, the 20th century tales brought verisimilitude and fantasy together. While Radclyffe Hall was being prosecuted for obscenity for her depiction of 'Sapphics' and 'inverts' in her classic lesbian novel The Well of Loneliness, the poet Renee Vivienne and Anais Nin were penning lurid and lustful tales of very bad girls while yearning for Henry Miller's wife, June.
