Inquiry in Action

Eisner Award-nominated writer Cullen Bunn (Harrow County, The Empty Man) is joined by brilliant newcomer artist Jack T. Cole to present a surreal psychological horror series that will have you questioning what it is to truly be crazy. Ever since she was little, all Ashli wanted was to help people. It's why she went to nursing school, and it's why she signed up for the vacant position at Saint Cascia, despite the psychiatric hospital's less-than-sterling reputation. But when strange occurrences begin in the midst of her very first day on the job, Ashli is forced to escape through the labyrinthine bowels of the asylum to not only help her fellow nurses, but to save herself.

This is a user-friendly and practical guide for UK practitioners and those managing UK firms on the day-to-day legal issues that arise in the specialist field of partnerships and LLPs. The book is written by three authors: a leading partnership and LLP barrister with many years of litigation experience, a solicitor with specialist expertise in partnership and LLP structures and agreements, and a respected academic in the field. It provides clear and practical guidance on the main issues that arise time and again in UK partnerships and LLPs. While there are many important differences between traditional partnerships and LLPs, the practical

issues that they face are often similar, and the book therefore tackle both areas. The focus is mainly on those areas that regularly cause difficulty in firms (be they traditional partnership or LLP). Subjects covered include: the legal nature and characteristics of partnerships and LLPs * factors influencing choice of legal entity * the essential elements of partnership and members' agreements * management structures including management boards and partnership councils * conduct of meetings * partnership/LLP property and profits and losses * accounts, taxation, and audit * partner and member retirements and expulsions * duties of partners and members * Equality Act implications * suspension and garden leave * personal liability issues * dissolution and winding-up * goodwill * disputes: mediation, arbitration, and court proceedings * mergers, acquisitions, and conversions.
