My Name Is Mina

Winner of the 2014 Pura Belpré Author Award In Meg Medina's compelling new novel, a Latina teen is targeted by a bully at her new school — and must discover resources she never knew she had. One morning before school, some girl tells Piddy

Sanchez that Yaqui Delgado hates her and wants to kick her ass. Piddy doesn't even know who Yaqui is, never mind what she's done to piss her off. Word is that Yaqui thinks Piddy is stuck-up, shakes her stuff when she walks, and isn't Latin enough with her white skin, good grades, and no accent. And Yaqui isn't kidding around, so Piddy better watch her back. At first Piddy is more concerned with trying to find out more about the father she's never met and how to balance honors courses with her weekend job at the neighborhood hair salon. But as the harassment escalates, avoiding Yaqui and her gang starts to take over Piddy's life. Is there any way for Piddy to survive without closing herself off or running away? In an all-too-realistic novel, Meg Medina portrays a sympathetic heroine who is forced to decide who she really is.

Transforming Early Learners into Superb Readers: Promoting Literacy at School, at Home, and within the Community aids elementary educators, reading specialists, school administrators, private and public educators, parents, and caregivers who want to help early learners become proficient readers. The early years are the most important for children, because they are the formative years, so it is vital for children to build a solid reading foundation when they are most receptive. Andrea Nelson-Royes contends that if all these individual players collectively help to develop a child's reading readiness, all children may thrive from a high-quality education and a love of literacy.

The Kingdom of God Come Upon You By: Richard Charles Carlson Author Richard Charles Carlson wrote this book for you to understand why things happen in this world whether it is good or bad. He wants other people to be happy and to accept others for who they are with love. You should have no room in your heart to hate anyone. Carlson's main focus is to try to have a better understanding of what the Bible is all about from the beginning to the end. He uses scripture to show proof of his belief through faith of why people exist and our purpose. In the book, Carlson writes about the events before and after this universe was created. His main focus is on Jesus Christ and the war with Satan for people to understand good and evil and to then know good and evil by examining themselves. Carlson finds that everything in the Bible is very important, from the beginning to the end. He refers to it as "Jesus' Book." He discovers more about God's kingdom by revelations through visage, dreams, and even through other people. Carlson sees the power of God's kingdom through the peace in his heart that can only come from Jesus Christ, our Lord and Savior. Carlson desires to bless his Father in the Highest of Heaven and gain more born-again children in His house. His Father wants all His children to have the knowledge of the wisdom of God, to join with Him in eternal life in Paradise forever. Carlson explains what kind of choice you want in life to be happy and how to rejoice forever. Within this book, Carlson keeps a humble state of mind while writing about his testimonies of

confessions, to live without guilt and shame, and to continually praise the Lord Jesus Christ with a clean mind. He wants you to live your life to the Most High God Almighty and to be happy as well.

Mina loves the night. While everyone else is in a deep slumber, she gazes out the window, witness to the moon's silvery light. In the stillness, she can even hear her own heart beating. This is when Mina feels that anything is possible and her imagination is set free. A blank notebook lies on the table. It has been there for what seems like forever. Mina has proclaimed in the past that she will use it as a journal, and one night, at last, she begins to do just that. As she writes, Mina makes discoveries both trivial and profound about herself and her world, her thoughts and her dreams.

The House on Mango Street

Through the persona of Tori Litchfield, author Nikki Friedlander uses fiction to tell a deeply personal story of the alchemy of spirit. Both Tori and Nikki are women who came of age in the 1950s. Both are fueled with an unconventional drive to understand the deeper meanings of life; the challenges of balancing career, home life, children, and personal imperatives were no easier back then than they are today. Tori is a successful fashion designer in New York City. We meet her as she is ready to go to Malta for a career-critical photo shoot with fashion photographer Luca. The seeds of change are sowed on this trip, as Tori first meets the mysterious Gabriella, and Luca faces a life-changing decision. And for Tori, a visit to the Hypogeum, a pre-historic underground temple and sacred resting place of the Sleeping Goddess, opens a new door that lead her to many teachers and teachings, including Baba Muktananda, Drunvalo Melchizedek, Gurumayi, St. Germaine and Archangel Michael. Throughout the book, Nikki alternates between story and reflection, as she speaks with humility and piercing honesty in the Interludes about marriage, partnership, the friendship of women, and the unexpected joys, gifts, and miracles of The Divine Journey.

A Newbery Honor Book Today I moved to a twelve-acre rock covered with cement, topped with bird turd and surrounded by water. I'm not the only kid who lives here. There's my sister, Natalie, except she doesn't count. And there are twenty-three other kids who live on the island because their dads work as guards or cook's or doctors or electricians for the prison, like my dad does. Plus, there are a ton of murderers, rapists, hit men, con men, stickup men, embezzlers, connivers, burglars, kidnapers and maybe even an innocent man or two, though I doubt it. The convicts we have are the kind other prisons don't want. I never knew prisons could be picky, but I guess they can. You get to Alcatraz by being the worst of the worst. Unless you're me. I came here because my mother said I had to. "Choldenko's pacing is exquisite. . . . [A] great read."—Kirkus Reviews, starred review From the Trade Paperback edition.
