Cyclone: My Story

\$20,000 to \$2 million in only three years—the greatest stock-picker you never heard of tells you how you can do it too Chris Camillo is not a stockbroker, financial analyst, or hedge fund manager. He is an ordinary person with a knack for identifying trends and discovering great investments hidden in everyday life. In early 2007, he invested \$20,000 in the stock market, and in three years it grew to just over \$2 million. With *Laughing at Wall Street*, you'll see:

- How Facebook friends helped a young parent invest in the wildly successful children's show, *Chuggington*—and saw her stock values climb 50%
- How an everyday trip to 7-Eleven alerted a teenager to short Snapple stock—and tripled his money in seven days
- How \$1000 invested consecutively in Uggs, True Religion jeans, and Crocs over five years grew to \$750,000
- How Michelle Obama caused J. Crew's stock to soar 186%, and Wall Street only caught up four months later!

Engaging, narratively-driven, and without complicated financial analysis, Camillo's stock picking methodology proves that you do not need large sums of money or fancy market data to become a successful investor.

A Champion's Last Fight

Trisha Goddard is a household name in the UK and is known all over the world as Britain's Queen of Daytime following her hugely successful daily television show. She then turned to drugs and struggled with depression and mental health issues. A trained counselor in conflict resolution, she is vocal about her own mental health problems and actively campaigns for better understanding and de-stigmatization of mental health issues. This is her story.

PacMan

'There's a kindness in beating a man badly, and that kindness is based on correctness,' Chris Eubank
March 2016: boxer Chris Eubank Jr punches his opponent, Nick Blackwell, into a coma. Blackwell dies momentarily, before being brought back to life. He remains in a coma for seven days. The boxing world is thrown into turmoil. In his corner, Junior's dad, Chris Sr., had been imploring his son to aim for the body. Was this a coach making a tactical change? Or was this a former boxer pleading with his son to show mercy? Twenty five years previously it had been Chris Sr. who had left his opponent Michael Watson with severe brain damage following a brutal encounter. Elliot Worsell was ringside, reporting as part of Blackwell's camp with exclusive access to both dressing rooms. A lifelong boxing fan and experienced journalist, what Worsell saw left him questioning

himself and his sport. Blackwell survived, but in *Dog Rounds* Worsell goes in search of the men who have killed in the ring. In spending time with these pariahs, as well as taking some of them back to the venue in which their tragedy occurred, Worsell uncovers a story that is raw, unflinching and extraordinary. *Dog Rounds* asks, should these men feel culpable when tragedy occurs in the ring? Should they carry the burden? Should they be apologetic? And it asks, what is our responsibility as spectators, cheerleaders and rubbernecks?

My World

History's only four-time world heavyweight boxing champion and one of America's most admired and beloved athletes reveals the dramatic story of his rise from poverty to the very pinnacle of the toughest sport on earth. Barely able to make it into the heavyweight division and almost always the smaller fighter in the ring, Holyfield spent his professional career proving the naysayers wrong. Along the way he provided some of the twentieth century's most thrilling sports moments, not all of them on purpose. In *Becoming Holyfield*, he gives us the exciting inside story of defeating Mike Tyson, the self-proclaimed "Baddest Man on Earth," and then getting a piece of his ear bitten off in the rematch. We learn how it felt to become the undisputed champion of the world by knocking out the man who knocked out Tyson, and we find out what it was really like to be in the middle of a title fight and see a motorized parachute fly right into the ring. There is heartbreak to go along with

triumph, beginning with Holyfield's loss of an Olympic gold medal because of a highly controversial disqualification and continuing through his short-lived retirement following a misdiagnosed heart condition. Along the way we're treated to glimpses of such colorful figures as Don King and Howard Cosell and we come to understand the extra-ordinary power of love in shaping a young boy's life, and the love he tried to return. Holyfield made more money in the ring than any other fighter in history, and gave away millions to support the dreams of underprivileged kids looking for the same kinds of breaks that allowed him to become a champion. Holyfield's immense popularity cannot be overstated, and it cuts across all ethnicities and socioeconomic classes. The top three highest-grossing sporting events in Las Vegas history were all Holyfield fights, and his highly rated appearances on Dancing with the Stars helped to ensure that show's success. Other fighters may have been bigger, stronger, or more flamboyant, but few could match Evander Holyfield's poise, grace under pressure, or commitment to serve as an inspiration to others.

Bobby the Brain

Be sure to check out IRON AMBITION: My Life with Cus D'Amato by Mike Tyson "Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye.

Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.

Making Haye

Seventeen-year-old Amir Khan became Britain's youngest Olympic boxer since 1976 when he won silver at the 2004 Olympics in Athens. He turned professional in 2005, winning his first pro fight last summer in 109 seconds, and has remained unbeaten ever since. His fights are now regularly shown on ITV, who are scheduling boxing again for the first time in ten years. Tickets to his fights sell out in hours and he commands a TV audience of six or seven million viewers for every fight. Emerging as the posterboy for British multiculturalism and an important role model for Asian youngsters, Amir is loved in the press from the Observer Food Monthly to Nuts magazine. A Boy from Bolton, Amir's autobiography, will tell the story of a boy who Don King has compared to Sugar Ray Robinson, but who still lives at his mum and dad's semi-detached in Bolton with his sister and two kid

brothers. A boy who fasts in the Islamic holy month of Ramadan, even when he has a major fight the next day, and can sometimes be spotted helping out on the till at Moods Fast Food, his uncle and auntie's curry house in Bolton, if they're having a busy night

Ghostwritten by Kevin Garside, sports reporter for the Telegraph and the Mirror.

Becoming Holyfield

'As my future crumbled before my eyes, I grasped for the rope. My entire life's struggle was ending here, in plain view of my enemies. How was it possible? How had I let things come to this?' This is not the story of a celebrity sportsman. It's not the story of a life covered in glory with its attendant cavalcade of famous friends, easy wins and glamorous encounters. Errol Christie may have been one of the most promising British boxers of his generation – a Fight Night poster boy, captain of the England boxing team, English and European champion, and a cocky, Ali-esque dancer with a reputation for devastating early knockouts – but this is not that story. This is a story about fighting. Coventry in the dying days of the Seventies was a tough place to grow up – especially if you were poor and black. At the same time as the young Errol Christie was raising the flag in the ring, his fists were seeing off skinhead tormentors and NF bootboys on the streets. Britain was sickening from a vicious racial divide, and even when the big time turned up Errol soon discovered that a black boxer who refused to play by the rules – white rules – would never be tolerated. In 1985, after a string of professional

knockouts, Errol faced Mark Kaylor in a brutal bout that tore open the country's simmering racial enmities. In the eighth round he went down - and stayed down, the roar of the hard right in his ears. But the years that followed would see Errol square up against a far tougher adversary - as he found himself out in the cold, struggling to get by, and alone with only his own shattered confidence and no place to hide.

Eubank

Bobby Heenan tells the story of his life and career, from his early days spent wrestling bears in Canada, to a successful career in professional wrestling and his life as a devoted family man.

Do This for Love

IT WAS past three o'clock in the morning when Joe Calzaghe experienced the sweetest validation of his professional life. Victory over Jeff Lacy, a 28-year-old American compared to a young Mike Tyson because of his power and "take-no-prisoners attitude", left no one in doubt about the world super middleweight champion's talent. For years, Calzaghe's virtuosity remained a legend of the Welsh valleys. His defeat in 1997 of Chris Eubank brought him to prominence, winning for him the World Boxing Organisation (WBO) super middleweight title. But despite a record number of defences of the belt, his career lacked a defining contest. A long line of challengers and ex-titleholders were disposed of but the biggest names in American

boxing avoided the ultimate showdown he craved. Hand injuries further obscured the true level of his aptitude for an art he began to learn from his father, Enzo, at the age of eight when - inspired by Sugar Ray Leonard - a rolled-up carpet in the family home in Newbridge became a makeshift heavy bag. This is the story of Calzaghe's extraordinary life, from his humble beginnings in his hometown of Newbridge, to his ascent to personal greatness, becoming the first super middleweight boxer to win the prized belt awarded by The Ring, the bible of boxing, in the division's near 20-year history. One of Britain's foremost sporting champions, a warrior and working-class hero, this is the story of the triumphs and trials that made Calzaghe a legend.

Frank

On a hot summer's night, in June 1985, in one of the most emotionally charged fights of all time, Barry McGuigan beat Eusebio Pedroza to become the featherweight champion of the world. An epic battle that lasted a full 15 rounds, it remains one of sport's greatest moments - watched by 27,000 spectators ringside and by a further 20 million on television around the world. Raised in the border town of Clones, Co. Monaghan, at the height of the troubles, Barry McGuigan united people across sectarian and religious divides during a difficult time in the country's political history. A Catholic, Barry married his Protestant childhood sweetheart, Sandra in 1981. An Irishman, he fought for the British title, wearing boxing shorts in the colours of the United Nation's

Flag of Peace - and in place of a national anthem his musician father, Pat McGuigan would often sing a heartfelt rendition of 'Danny Boy' before a fight. Engaging and intelligent, McGuigan is a renowned and revered figure in the boxing world and beyond. In this candid autobiography, The Clones Cyclone shares his stories of extraordinary professional triumph and devastating personal tragedy.

The Uncrowned Champion

WINNER OF THE 1996 WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE. In the early 1990s, Donald McRae set out to discover the truth about the intense and forbidding world of professional boxing. Travelling around the States and Britain, he was welcomed into the inner sanctums of some of the greatest fighters of the period - men such as Mike Tyson, Chris Eubank, Oscar de la Hoya, Frank Bruno, Evander Holyfield and Naseem Hamed among them. They opened up to him, revealing unforgettable personal stories from both inside and outside the ring, and explaining why it is that some are driven to compete in this most brutal of sports, risking their health and even their lives. The result is a classic account of boxing that remains as fresh and entertaining as when it was first published almost 20 years ago. McRae approaches his subjects with wit, compassion and insight, and the result was a book that was a deserved winner of the William Hill Sports Book of the Year prize.

In his autobiography, Nigel recounts his stunning victories, including his famous fight with Chris Eubank. However, he also shares his life outside the ring, from his time in the army, women, and his family as well as giving an astonishing insight into the darker side of his sport. Benn candidly discusses the state of boxing today and its rising stars, such as Benn's own son, Conor, and the son of his infamous rival Chris Eubank, Chris Eubank Jr. With titles such as WBO Middleweight Champion and Commonwealth Middleweight Champion, Benn established himself as a man-to-watch, and in doing so has ensured his name will go down in boxing history.

The Celestine Prophecy

Charlie Magri is one of the most popular boxers ever to have stepped into the ring. The exuberance and energy of the former WBC Flyweight Champion earned him a core of dedicated fans and, throughout his career, his determination and his ability to overcome adversity inspired all those who watched him. At last, one of boxing's most deserving legends has decided to tell all about his amazing life in this, his own true story. As a young boy Magri's exceptional promise as a boxer became apparent when he fought

for Stepney's Arbour Youth Club. His impressive start as a Junior ABA Champion earned Charlie a reputation and, when he became a fully fledged senior fighter, he experienced what he describes as the best two years of his life. In 1974, he was unbeaten domestically, he won the ABA and then he took home the silver medal in the European Under-21 Championships. These victories cemented his determination to remain a winner. It was only a matter of time before Magri turned professional and, with legendary manager Terry Lawless as his mentor, he went on to become the British Flyweight Champion. Having secured the European crown, Magri then set his sights on conquering the world. In March 1983, he entered the ring at Wembley and defeated Eleoncio Mercedes inside seven rounds to become the WBC World Flyweight Champion and the legend of 'Champagne Charlie' was born. In this exciting and revealing autobiography, Charlie Magri tells of his childhood, growing up on a tough estate in the East End of London. He describes how his height and his name made him stand out from the crowd at school and how, from an early age, he learned to defend himself with his fists. He tells of the early days of his career and how his passion for boxing kept him off the streets and out of local gangs. He speaks of his amazing triumphs and, conversely, his heart-breaking defeats and how he has struggled to come to terms with life after boxing. What shines through his whole story is Charlie's enthusiasm for life, sense of humour and genuine concern for others. This heart-warming tale of a man's passion for his sport and desire to win is a must read for any boxing fan and will make you laugh and cry in equal measure.

Nigel Benn

This is the autobiography of Michael Watson, the former Commonwealth Middleweight champion, whose career was tragically cut short. In 1991 he had a world title fight with Chris Eubank - the people's champion against the guy we love to hate. Eubank retained his belt, but it was one of the most controversial decisions in British boxing history. The Rematch was the biggest super middleweight title fight British boxing had ever seen. Tragically, in the eleventh round, Watson caught his neck on the back of the ropes after taking an uppercut from Eubank. He collapsed and suffered serious brain damage which left him paralysed. After years of intensive therapy, and with the same determination and strength of spirit that he showed in the ring, Michael Watson has made a remarkable recovery and won the biggest fight of all - the fight for his life. The Biggest Fight is a testament to why Michael Watson was, is, and always will be 'the people's champion'.

Relentless

2014 marked the 25th anniversary of the first bout in the epic battle between Nigel Benn, Michael Watson and Chris Eubank to contest the WBO Middleweight Championship that would keep us entertained for five manic, magnificent and ultimately tragic years, marking the start of an epic saga in British Boxing. The fight took place a month after the Hillsborough disaster and was screened live on TV, in a slot now dominated by talent contests. It was a time when kids could stay up late to watch 12 rounds of madness. It was also the last Golden Era of British Boxing. While

for us these greats of British boxing provided entertainment away from the hooliganism of football, for them it was much more personal. Rivalries exist in every sport, but their loathing was real and in the ring it nearly became deadly. But this is what the swaggering early-90's Britain tuned in for. These three fighters were Britain's alpha-ego. They made the country proud. No Middle Ground takes us back to the years when these boxers pounded the heavy bags and tells their story as well as that of Britain's love affair with the sport, and how these fight came to define them and us. In tracing the boxers' journeys to centre-stage Sanjeev Shetty reveals the story of the dark side of Thatcher's nation - the blood, the sweat, the dangerous hatred that fuelled these men, and the ultimate price they would pay for their moment in the sun.

Nigel Benn

Love him or loathe him, Chris Eubank is one of life's more eccentric personalities who has transcended the world of boxing and established himself as a media celebrity and role model to millions of fans the world over. His story is both gripping and extraordinary.

David 'The Hayemaker' Haye is the former WBA world heavyweight champion and the former undisputed (WBA, WBC and WBO) world cruiserweight champion. Haye is one of British boxing's most celebrated and successful ring champions of the modern era and has

won twenty-three of twenty-five professional fights. He has twice been shortlisted for BBC Sports Personality of the Year and is now recognised as the face of British and world boxing. Haye was involved in the biggest heavyweight title clash for nearly a decade when he fought Wladimir Klitschko in July 2011, with the fight televised live in over 140 countries. Although Haye ultimately lost his belt, following a twelve-round points decision, his charismatic approach has reminded fight fans of a time when the heavyweight championship was the greatest prize in sport. This is the authorised story of how Haye reached this point, and details the ten-year rise of the boxer from a precocious World Amateur Champion. Crafted by close confidant Elliot Worsell, *Making Haye* offers behind-the-scenes, never-before-told insights into some of the most pivotal ring wars of David Haye's turbulent, and at times controversial, professional boxing career.

Hard Road to Glory - How I Became Champion of the World

George Best needs little introduction. A legend in his own lifetime, he is undoubtedly the greatest footballer the UK has ever produced. Blessed with an extraordinary gift he brought a beauty and grace to the game never before seen. But Best was unable to cope with the success and fame his football genius brought. His fabled story is littered with tales of women and sex and, of course, alcohol. Much has been written about Best, but very little substantiated by the man himself. That is until George Best opened

his heart and engaged us in one of the most exhilarating life stories for years, Blessed. In his own words George recounts the halcyon days at Manchester United, the big games and European Cup win of '68. And then there's the heartbreaking truth about the death of his mother and his struggles with alcohol that forced him to face up to a life without drink. Blessed reveals the man behind the up-for-a-laugh, boozy, womanizing stereotype that had dogged George Best for so long. Open and honest about his mistakes, George is also incredibly candid about his triumphs, his regrets, and, only three years before his death, what he had hoped for the future. Deathride

The fiercest urban battle in recent history, to retake the city of Mosul from ISIS, lasted nine months. Thousands were killed, millions displaced. How to help in such a massive and desperate situation? This is the story of how one small organization from Burma answered that question: go. Give up your own way, help the people, share love. As coalition forces, led by brave Iraqi soldiers on the ground, slowly pushed ISIS out, the brutality of the terrorists was turned against thousands of civilians as they fled the fighting. There was no humanitarian template for responding to such ruthlessness; to attempt to help would take total commitment. Birthed in the war zones of Burma to stand with villagers under attack by the Burma Army and provide medical care, relief, and reporting, the Free Burma Rangers came to Mosul with twenty years of war zone experience in the jungle. Led by their founder, David Eubank, a former Ranger and U.S. Special Forces officer, medics, and cameramen from the teams in Burma, other foreign volunteers, and Dave's wife and three children, came to fill the gap between the frontlines and the humanitarian community. They came living by the conviction that every person counts and the only force that can defeat hate is love. Four team members were wounded and one killed as they lived out that conviction with total commitment. This is their story.

Stories like Joey Giambros' have been attempted many times in many different styles. So what's the difference? This is the truth. The Gods' honest, ghetto style, Italian-American truth. Dramatic and intimate details about his childhood, life and death experiences, and life in the world of boxing controlled by the mafia. Rising from poverty during the Great Depression, to dining with royalty and celebrities. The book is finally here to reconstruct each and every moment of a man who would eventually be denied of the very thing he trained and fought so hard to attain. This is a story teeming with challenge, love, abuse, and family. Both kinds It has a heart warming love story, a quality about the underdog makes good and the seedy truths about the controlled history of the boxing world feared to be told before now. He had real friendships with major

A middleweight champion, Sugar Ray Robinson, openly stated he would not fight Giambra for the title when he was champ! Chris Eubank: The Autobiography

The German invasion of the Soviet Union on June 22, 1941, began a war that lasted nearly four years and created by far the bloodiest theater in World War II. In the conventional narrative of this war, Hitler was defeated by Stalin because, like Napoleon, he underestimated the size and resources of his enemy. In fact, says historian John Mosier, Hitler came very close to winning and lost only because of the intervention of the western Allies. Stalin’s great triumph was not winning the war, but establishing the prevailing interpretation of the war. The Great Patriotic War, as it is known in Russia, would eventually prove fatal, setting in motion events that would culminate in the collapse of the Soviet Union. Deathridge argues that the Soviet losses in World War II were unsustainable and would eventually have led to defeat. The Soviet Union had only twice the population of Germany at the time, but it was suffering a casualty rate more than two and a half times the German rate. Because Stalin had a notorious habit of imprisoning or killing anyone who brought him bad news (and often their families as well), Soviet battlefield reports were fantasies, and

the battle plans Soviet generals developed seldom responded to actual circumstances. In this respect the Soviets waged war as they did everything else: through propaganda rather than actual achievement. What saved Stalin was the Allied decision to open the Mediterranean theater. Once the Allies threatened Italy, Hitler was forced to withdraw his best troops from the eastern front and redeploy them. In addition, the Allies provided heavy vehicles that the Soviets desperately needed and were unable to manufacture themselves. It was not the resources of the Soviet Union that defeated Hitler but the resources of the West. In this provocative revisionist analysis of the war between Hitler and Stalin, Mosier provides a dramatic, vigorous narrative of events as he shows how most previous histories accepted Stalin's lies and distortions to produce a false sense of Soviet triumph. Deathride is the real story of the Eastern Front, fresh and different from what we thought we knew.

A Dazzling Darkness

Drink, drugs, depression, sex scandals, financial meltdowns, and serious health issues are just some of the fights British boxers have faced once they've quit

the ring. *A Champion's Last Fight* examines just why and exactly how some of Britain's greatest boxers have self-destructed in retirement. It tells the stories of former world champions who have struggled in life away from the spotlights and the glare that comes with boxing success, delving into the post-boxing lives and tribulations of Benny Lynch, Randolph Turpin, Freddie Mills, Ken Buchanan, John Conteh, Alan Minter, Charlie Magri, Frank Bruno, Nigel Benn, Chris Eubank, Naseem Hamed, Scott Harrison, Herbie Hide, Joe Calzaghe, and Ricky Hatton. With interviews and new revelations, *A Champion's Last Fight* is an emotional journey through boxing history that examines the struggles many former champions experience after hanging up the gloves--and asks what, if anything, can be done to help the nation's boxing greats adjust to life away from the ring?

Making Your Emotions Work for You

A self-confessed coward, Johnny Nelson hoped his opponents wouldn't turn up. He twice froze when given the chance to take the world title. Glenn McCrory declared: 'He's scared. I don't think he'll ever do it now' and even Johnny's mother mocked him. But by the time of his recent retirement, Johnny Nelson had been undefeated world cruiserweight champion for seven years. Now Johnny relates his moving, funny, frank and inspirational story: an amazing odyssey from chump to champ. Legendary trainer Brendan Ingle, who produced a string of champions including Naseem Hamed, described Nelson as 'the biggest success story from our gym.' He might have

added that the skinny kid from the wrong side of Sheffield was also the least likely to succeed. Nelson had a stubborn streak. Determined not to let early failures stop him, he went into exile, taking fights all over the world to learn his craft. Finally, nine years after being booted from the ring, he earned the respect of everyone. Along the way he encountered the dark side of boxing: the drugs, the gangsters and the gamblers who wanted him to fix fights. He fell out with his best mates Herol Graham and Naseem Hamed and for the first time reveals exactly why they no longer talk. He tells the terrifying story of a plot to kidnap him. Johnny Nelson's story will appeal beyond fight fans as a straightforward, honest account of overcoming personal fears and terrible setbacks to become the best in the world.

No Ordinary Joe

The Sunday Times Bestseller 'Honest and soul-searching' - Sunday Express From much-loved documentary maker Louis Theroux comes a funny, heartfelt and entertaining account of his life and weird times in TV. _____ In 1994 fledgling journalist Louis Theroux was given a one-off gig on Michael Moore's TV Nation, presenting a segment on apocalyptic religious sects. Gawky, socially awkward and totally unqualified, his first reaction to this exciting opportunity was panic. But he'd always been drawn to off-beat characters, so maybe his enthusiasm would carry the day. Or, you know, maybe it wouldn't . . . In Gotta Get Theroux This, Louis takes the reader on a joyous journey from his

anxiety-prone childhood to his unexpectedly successful career. Nervously accepting the BBC's offer of his own series, he went on to create an award-winning documentary style that has seen him immersed in the weird worlds of paranoid US militias and secretive pro-wrestlers, get under the skin of celebrities like Max Clifford and Chris Eubank and tackle gang culture in San Quentin prison, all the time wondering whether the same qualities that make him good at documentaries might also make him bad at life. As Louis woos his beautiful wife Nancy and learns how to be a father, he also dares to take on the powerful Church of Scientology. Just as challenging is the revelation that one of his old subjects, Jimmy Savile, was a secret sexual predator, prompting him to question our understanding of how evil takes place. Filled with wry observation and self-deprecating humour, this is Louis at his most insightful and honest best. _____ 'Funny, engaging' - Sunday Times 'Gripping' - Daily Mail 'Absorbing and surprisingly candid' - Telegraph Magazine
