50 People Every Christian Should Know

Annual Report

Spiritual Living in a Secular World

The Mining Engineer

Experiment Station Record

A book on faith has been for years my hope and intention. And now it comes to final form during the most terrific war men ever waged, when faith is sorely tried and deeply needed. Direct discussion of the war has been purposely avoided; the issues here presented are not confined to those which the war suggests; but many streams of thought within the book flow in channels that the war has worn. Since the conflict had to come, I am glad for this book's sake that it was not written until it had Europe's holocaust for a background. Against one misunderstanding the

reader should be guarded. If anyone approaches these studies, expecting to find detailed and special views of Christian doctrine, he will be disappointed. The perplexities of mind and life and the affirmations of religious faith, with which these studies deal, lie far beneath sectarian doctrinal controversy. I have tried to make clear a foundation on which faith might build its thoughts of Christian truth. And while I have spoken freely of God and Christ and the Spirit, of the Cross and life eternal, I have not intended or endeavored a complete theology. - Preface.

The Suffering Savior

Christians in the twenty-first century need encouragement and inspiration to lead lives that honor God. When faith is weak or the pressures of the world seem overwhelming, remembering the great men and women of the past can inspire us to renewed strength and purpose. Our spiritual struggles are not new, and the stories of those who have gone before us can help lead the way to our own victories. *50 People Every Christian Should Know* gives a glimpse into the lives of such people as Charles H. Spurgeon, G. Campbell Morgan, A. W. Tozer, Fanny Crosby, Amy Carmichael, Jonathan Edwards, James Hudson Taylor, and many more. Combining the stories of fifty of these faithful men and women, beloved author Warren W. Wiersbe offers today's readers inspiration and encouragement in life's uncertain journey.

The Athenaeum

Comentario bíblico con aplicación NVI Hechos

"The Transactions [comprise] the papers read at general meetings of the Federated institutes [Manchester Geological and Mining Society. Midland Counties Institution of Engineers. Midland Institute of Mining, Civil, and Mechanical Engineers. Mining Institute of Scotland. North of England Institute of Mining and Mechanical Engineers. North Staffordshire Institute of Mining and Mechanical Engineers. South Staffordshire and Warwickshire Institute of Mining Engineers] and of the Institution of Mining Engineers; together with "Notes of papers on the working of mines, metallurgy, etc., from the Transactions of colonial and foreign societies etc."

The Meaning of Faith

Annual Report of the Board of Regents of the Smithsonian Institution

La mayoría de los comentarios bíblicos nos llevan en un viaje de una sola vía de nuestro mundo al mundo bíblico. Pero nos dejan ahí, asumiendo que de alguna manera nosotros podremos hacer el viaje de regreso por nuestros propios medios. En otras palabras, se enfocan en el significado original del pasaje pero no discuten las aplicaciones contemporáneas. La información que ofrecen es valiosa, ipero el trabajo esta a medias! La serie de Comentarios NVI nos ayuda con las dos partes del trabajo interpretativo. Esta nueva y única serie, muestra a los lectores como traer el mensaje antiguo a un contexto moderno. Explica no solo lo que da a entender la Biblia sino también como nos puede hablar poderosamente hoy día.

Vols. for 1871-76, 1913-14 include an extra number, The Christmas bookseller, separately paged and not included in the consecutive numbering of the regular series.

Publishers Weekly

Author Ajith Fernando believes that much ministry failure results from neglect of the basics of the faith. Too often today's church is riveted on ministry technique to the neglect of leadership lifestyle. In this book, Fernando identifies the foundational elements that allow you to be both effective and joyful in your service. He shows from Jesus' own ministry that relating to the people you minister to, retreating from busyness to prayer, being affirmed and empowered by God, disciplining younger leaders, and gaining strength from God's Word must be at the heart of your ministry. Rich in Scripture and full of stories from Fernando's own years of ministry, this book will help men and women commit themselves afresh to those vital basics of ministry that make for long-term service that is both fruitful and joyful.

Daily Readings from F.W. Boreham

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

The Bookman

Harry Emerson Fosdick was one of the most popular liberal preachers of the early twentieth century, and his *The Meaning of Faith* is considered by many one of the finest reconciliations of religious belief with modern scientific thought. This charming little book features daily devotional readings focused on understanding

faith, reflecting upon: .Faith and Life's Adventure .Faith A Road to Truth .Faith's Intellectual Difficulties .Faith's Greatest Obstacle .Faith and Science .Faith and Moods and other hurdles in honoring one's belief. This thoughtful, friendly interpretation of the holy book of one of the world's dominant faiths is a powerful corrective to reflexively fundamental thinking just as it was when it was first published in 1917. Also available from Cosimo Classics: Fosdick's The Manhood of the Master and The Meaning of Prayer. American theologian HARRY EMERSON FOSDICK (1878-1969) was born in New York, educated at Colgate and Columbia Universities, and served as professor of practical theology at Union Theological Seminary from 1915 to 1946. Among his many works are A Guide to Understanding the Bible (1938) and A Book of Public Prayers (1960).

The Publishers Weekly

Living the New Testament

Christians today are confronted by enormous pressure from the surrounding culture: magazine ads foster greed and self-indulgence; TV ridicules traditional values; movies are filled with graphic sex and violence. This practical exposition of Daniel's life and prophecies helps Christians resist the temptation to conform.
