Noah Webster and His Words

Building Vocabulary from Word Roots provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 6 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

Spanish Word Games For Dummies

A stirring, dramatic story of a slave who mails himself to freedom by a Jane Addams Peace Award-winning author and a Coretta Scott King Award-winning artist. Henry Brown doesn't know how old he is. Nobody keeps records of slaves' birthdays. All the time he dreams about freedom, but that dream seems farther away than ever when he is torn from his family and put to work in a warehouse. Henry grows up and marries, but he is again devastated when his family is sold at the slave market. Then one day, as he lifts a crate at the warehouse, he knows exactly what he must do: He will mail himself to the North. After an arduous journey in the crate, Henry finally has a birthday -- his first day of freedom.

Games for Information Skills

Parallel title in Russian (Cyrillic) also present.

Nelson English Student Book

The Young Person's Guide to the Internet

A Newbery Medal winning modern classic about a racially divided small town and a boy who runs. Jeffrey Lionel "Maniac" Magee might have lived a normal life if a freak accident hadn't made him an orphan. After living with his unhappy and uptight aunt and uncle for eight years, he decides to run--and not just run away, but run. This is where the myth of Maniac Magee begins, as he changes the lives of a racially divided small town with his amazing and legendary feats.

Official Scrabble Players Dictionary

Ideal for public, school, and academic libraries looking to freshen up their reference collection, as well as for LIS students and instructors conducting research, this resource collects the cream of the crop sources of general reference and library science information. Encompassing internet resources, digital image collections, and print resources, it includes the full section on LIS Resources from the Guide to Reference database, which was voted a #1 Best Professional Resource Database by Library Journal readers. Organized by topic and thoroughly indexed, this guide makes it a snap to find the right sources. It offers an appealing introduction to reference work and resources for LIS students and also serves as an affordable course book to complement online Guide to Reference access.

Curriculum Review

Golden Kite Award for Nonfiction Webster's American Dictionary is the second most popular book ever printed in English. But who was that Webster? Noah Webster (1758-1843) was a bookish Connecticut farm boy who became obsessed with uniting America through language. He spent twenty years writing two thousand pages to accomplish that, and the first 100 percent American dictionary was published in 1828 when he was seventy years old. This clever, hilariously illustrated account shines a light on early American history and the life of a man who could not rest until he'd achieved his dream. An illustrated chronology of Webster's life makes this a picture perfect bi-og-ra-phy [noun: a written history of a person's life].

Henry's Freedom Box

Elaborates on the origins, variations, and rules of such games as crossword puzzles, acrostics, anagrams, word squares, Scrabble, tongue-twisters, rebuses, and countless and other games of verbal ingenuity

Words Wit

The Teacher Resource Books are the ideal companion to the pupils' resources and

provide your key to the successful implementation of Nelson English.

Ultimate Guide to Scrabble and Words with Friends

Words Wit offers a unique approach to expanding your vocabulary, as it employs a reverse acronym method to help readers remember these words in a fun manner. Rather than follow the regular break-down of a word, this book explains the meaning through acronyms where LAW stands for 'Last Authoritative Word.' More than six hundred words are listed and for those who do not like the traditional alphabetically-listed layout (which can be found in the Appendix), Words Wit's content follows an Antakshari-inspired system, where the last letter of a word determines the next word in the list.

Building Vocabulary: Grade 5: Kit eBook

Even the most profane practitioner of the vulgar tongue must sometimes wonder, "Am I doing it right?" This highly entertaining and crucially informative visual guide to the art of swearing employs a variety of quick-read charts and helpful strategies to take salty skills to the next level. Offering history and etymology along with guidance, quips, insults, answers to lingering questions, and much more, How to Swear celebrates the rude ingenuity of using a naughty word to express surprise, excitement, anger, joy, or disgust, limited only by the imagination. It's inspiring. It's educational. It's dirty. It's here to change lives or, at the very least, add some f*#&ing color to the conversation.

Building Vocabulary from Word Roots Grade 6 Kit eBook

This collection of 197 illustrated, reproducible word games and activities helps teachers develop and reinforce young students' word skills in every subject area.

Building Vocabulary: Grade 8: Kit eBook

Basic Classroom Skills Through Games

Covers tests, library media skills, alphabetization, parts of a book, Dewey Decimal System, the card catalog, research methods, and reference tools, and lists additional source materials.

How to Swear

Guide to Reference Materials for School Library Media Centers

The Elementary School Library Collection, Phases 1-2-3

Lists the best reference materials in the arts and sciences that meet the needs of elementary, secondary, vocational, and junior college students and teachers

Scholastic Children's Dictionary

Is Nick Allen a troublemaker? He really just likes to liven things up at school -- and he's always had plenty of great ideas. When Nick learns some interesting information about how words are created, suddenly he's got the inspiration for his best plan ever: the frindle. Who says a pen has to be called a pen? Why not call it a frindle? Things begin innocently enough as Nick gets his friends to use the new word. Then other people in town start saying frindle. Soon the school is in an uproar, and Nick has become a local hero. His teacher wants Nick to put an end to all this nonsense, but the funny thing is frindle doesn't belong to Nick anymore. The new word is spreading across the country, and there's nothing Nick can do to stop it.

Word by Word

This updated edition features nearly 200 new entries added to the more than 30,000 words with clear, understandable definitions that invite readers to interact with the words and definitions. Features a pronunciation guide and boxes offering extra facts.
