- Lose up to 16 pounds in 14 days.
- Melt away stubborn fat, from your belly first.
- Put an end to bloating and discomfort.
- Detox from unhealthy foods so you enjoy all-day energy.
- Turn off your fat storage genes and make long-term weight loss effortless.
- Look and feel younger and healthier than ever!

You'll be stunned and inspired by the results of an amazing 500-person test panel—men and women who lost weight quickly, and with ease, following the original Zero Belly diet, which included many of these Zero Belly Smoothies. In just the first 14 days Bob McMicken, 51, lost 16.3 pounds. Kyle Cambridge, 28, lost 15 pounds. Martha Chesler, 54, lost 11 pounds. Matt Brunner, 43, lost 14 pounds. Focusing your weight-loss efforts on drinks will help you quickly strip away flab in a number of ways. Here's what makes Zero Belly Smoothies so effective:

1. They take the stress out of cooking and eating well. Studies have shown that the more diverse your diet, the more likely you are to experience weight gain. In fact, those who ate the widest range of foods showed a 120 percent greater increase in waist circumference compared with those who had the least diversity. In other words, people who have the best success at weight loss pick a set number of foods and tend to stick to them. Zero Belly Smoothies allow you to do exactly that.
2. They crowd out the junk in your diet. Zero Belly Smoothies come in all different flavors—chocolatey, fruity, green, and even savory—but they all have one thing in common: no added sugars. In a 2015 study in Sweden, researchers followed 42,400 men over the course of 12 years. They found that men who consumed at least two servings per day of sweetened beverages had a 23 percent higher risk of heart failure compared with those who did not.
3. They battle food allergies and reduce inflammation. What's also unique about Zero Belly Smoothies is that they are vegan: no milk, no yogurt, no whey protein. Plant-based protein powders are a low-sugar, high-fiber alternative to popular dairy-based supplements. A study by the University of Tampa that compared plant protein with whey found it to be equally as effective at changing body composition and boosting muscle recovery and growth!
4. They make you feel fuller longer! Studies show that high-protein smoothies are highly effective at rushing nutrients to your muscles and that blended fruit drinks, which include all the fiber, will actually keep you fuller longer than fruit juices. From the Trade Paperback edition.

The Digest Diet is a 21-day weight-loss plan based on groundbreaking science and newly discovered foods and habits that help your body to release fat. Reader's Digest sifted through all the weight-loss science to pick the foods, recipes, and habits that truly slim you down quickly and safely. We reviewed cutting-edge nutrition advances and myth-busting articles. We discovered some new reasons fat creeps on—and reliable ways to get it to fade away quickly. The Digest Diet targets surprising fat increasers in three key areas—eating, environment and exercise—and gives you the tools you need to turn the tables and shift your body into fat release mode. The eating plan is organized in three basic stages: Fast Release, Fade Away, and Finish Strong. Every phase loads you up on fat releasers. But the calorie and macronutrient ratios shift in each so as to maximize fat release—and results! Fast Release (12-minute exercise routine) is a four-day fat releasing jump start. The Fat-Release Workout combines both strength training and HIIT (high intensity interval training) into a 12-minute workout that's amazingly effective for fat burn and muscle growth. Fade Away transitions you into lean proteins and micronutrient-rich greens. For this 10-day stretch, you continue to have a shake a day, but the lean-and-green focus gives your body what it needs to help you release fat and build muscle, while lowering your intake of carbohydrates for faster fat fade. Finish Strong is the last week of the plan. The meals and recipes show you how to enjoy a balanced, healthy, wholefoods diet rich in fat releasers. The Digest Diet provides a list of 13 fat releasers, which include Vitamin C, Calcium, Protein and Coconut Oil, as well as an easy cheat sheet of fat releasing foods that can be eaten during the diet, such as broccoli, grapefruit, mozzarella cheese, almonds, fish, beef, red wine, dark chocolate and avocados, to name a few. Inside the Digest Diet, you will also find a 21 day meal-plan, 50 fat releasing recipes with full color photos, a 12 minute fat release workout, a fat release workout calendar, before and after success stories, "laugh it off" sidebars to help keep perspective and sanity, and a free online destination for tips, videos, shopping lists and daily food and exercise journals to help make your weight loss goals easy and achievable. NEW YORK TIMES BESTSELLER *Zero Belly Diet* is the revolutionary new plan to turn off your fat genes and help keep you lean for life! Nutrition expert David Zinczenko—the New York Times bestselling author of the *Abs Diet* series, *Eat This, Not That!* series, and *Eat It to Beat It!*—has spent his entire career learning about belly fat—where it comes from and what it does to us. And what he knows is this: There is no greater threat to you and your family—to your health, your happiness, even your financial future. Yes, you can: Change your destiny. Overcome your fat genes. Strip away belly fat and finally attain the lean, strong, healthy body you've always wanted. With *Zero Belly Diet*, David Zinczenko reveals explosive new research that explains the mystery of why some of us stay thin, and why some can't lose weight no matter how hard we try. He explains how some foods turn our fat genes on—causing seemingly irreversible weight gain—and uncovers the nine essential power foods that act directly on those switches, turning them to “off” and allowing for easy, rapid, and sustainable weight loss. And he shows how these foods help heal your digestive system, keeping those gene switches turned off and setting you up for a lifetime of leanness. Other diets can help you lose weight, but only the *Zero Belly* diet attacks fat on a genetic level, placing a bull's-eye on the fat cells that matter most: visceral fat, the type of fat ensconced in your belly. These fat cells act like an invading army, increasing inflammation and putting you at risk for diabetes, Alzheimer's, arthritis, heart disease, and cancer. Visceral fat can also alter your hormone levels, erode muscle tissue, increase your chances of depression, and destroy your sex drive. But you can turn the odds in your favor. *Zero Belly Diet* shows you how to deactivate your fat genes, rev up your metabolism, banish bloat, and balance your digestive health, allowing you to easily build lean, strong stomach muscle and strip away unwanted belly fat without sacrificing calories or spending hours at the gym. The result: weight loss that is easier, faster, more lasting, and more delicious than you'd ever imagine. You'll be stunned and inspired by the results of an amazing 500-person test panel—men and women who lost weight quickly, and with ease, following the *Zero Belly* diet. In just the first 14 days: Bob McMicken, 51, lost 16.3 pounds Kyle Cambridge, 28, lost 15 pounds Martha Chesler, 54, lost 11 pounds Matt Brunner, 43, lost 14 pounds *Zero Belly Diet* features a week-by-week menu plan, fifty tasty recipes, and a handy shopping list that leads to a minimum of cooking and plenty of feasting.

SOON TO BE A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.
