First published in 1987. Routledge is an imprint of Taylor & Francis, an informa company.

A Practical Guide to Spoken English

Spoken English Digest

Describing Spoken English

This book has evolved from a Workshop on Computerized Speech Corpora, held at Lancaster University in 1993. It brings together the findings presented in a clear and coherent manner, focussing on the advantages and disadvantages of particular transcription or mark-up practice.

Understanding Spoken English

Describing Spoken English provides a practical and descriptive introduction to the pronunciation of contemporary English. It presumes no prior knowledge of phonetics and phonology. Charles Kreidler describes the principal varieties of English in the world today. Whilst concentrating on the phonological elements they share, the author sets out specific differences as minor variations on a theme. Although theoretically orientated towards generative phonology, theory is minimal and the book is clear, comprehensive and accessible to undergraduate and

English Grammar

This book is designed to help students of English understand spoken language as it is encountered in everyday business and social situations in English

Where To Download English Book Spoken Amrutha Spoken English Book

speaking environments around the world. It provides information about the social and business conventions of spoken English such as, changing the topic of conversation, agreeing and disagreeing politely, checking meaning, giving feedback and making 'small talk'.

Spoken English

Teaching of English in India has been traditionally grammar based. The teacher teaches a good deal of grammar; assigns exercises in class or as homework and makes a lot of corrections. Such painstaking efforts on the part of the teacher are, of course, helpful in learning the language but does not much help the student to use the language in day-to-day conversation. Leaving aside the traditional method of dealing with grammar as an isolated subject, the present book offers a specific course in spoken English that focuses on the language of interaction and social exchanges. Its main emphasis is on developing communicative ability of the learner.

Patterns of Spoken English

"This series has been designed to help students of English understand spoken language as it is encountered in everyday business and social situations in English speaking environments around the world."--Back cover.

A Handbook on Spoken English for Filipinos

Where To Download English Book Spoken Amrutha Spoken English Book

In today's competitive world, Spoken English is considered as a passport for success in life. The craze for learning spoken English has led to the growth of coaching institutes all over the country. Much as they may profess and advertise, it is not really possible to learn any language in 30 days. A person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in English. The prime objective of this book is to encourage students to learn English as a tool of communication and to enable them to understand the language thoroughly. The book basically takes off from the learner's point of view and guides them through cooperative learning methods in order to help master the effective communication skills in English. The book has been divided into four convenient units of Grammar, Pronunciation, Conversation and Vocabulary. Each chapter covers one main area of learning English - explained with examples. Carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject. In short, the book follows the modern functional approach to the study of English. So readers, it is definitely a one-stop solution for speaking English!

Exploring Spoken English

Looking for an easy-to-use guide to English grammar? This handy introduction covers all the basics of the subject, using a simple and straightforward style.

Where To Download English Book Spoken Amrutha Spoken English Book

Students will find the book's step-by-step approach easy to follow and be encouraged by its non-technical language. Requiring no prior knowledge of English grammar, the information is presented in small steps, with objective techniques to help readers apply concepts. With clear explanations and well chosen examples, the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics.

SPOKEN ENGLISH FOR KANNADA SPEAKERS

In the world we are living in, English has become the common language that people from different countries and cultures can use to communicate with one another. There are many reasons why people would want to learn English, but for a lot of them; It is work-related. Most large companies around the world require their employees to speak English. In some cases, these companies are requiring their workers to only use English at the workplace. English has also been referred to as “the language of business”. If you have ambitions to become an international businessman or to work at some bigger companies, it’s almost essential that you’re able to speak English fluently. From The Intermediate Level to The Advanced Level From my years of teaching, I am confident to say that it is easy for an English learner to go from a beginner English level to an intermediate English level. However, it takes more time to go from an Intermediate level to an advanced English level. A lot of students have studied English for years but still aren’t able to speak English on an advanced level. They have tried many methods, attending classes, learning how to pronounce every single word and even getting a private English tutor to improve their spoken English, yet they still have a hard time pronouncing English words correctly or feeling too nervous to speak. The Best Proven Way to Learn and

SALEEM'S SPOKEN ENGLISH BOOK

Advanced Spoken English

Unique, original, long overdue method for everyone to learn quickly and easily how to speak conversational English, simply by talking about themselves in relation to everyday topics with a native English speaker. Grammar/grammatical analysis are not required in this natural speaking, quick progress course method. Lessons are 3-hour immersion sessions for maximum retention/progress. All dialogue is recorded on paper for regular review, providing accent elimination/speech perfection. The method presented can be applied to learning other languages besides English. The program presented was originally written and published by the author for extended adult education classes. His subsequent private tutoring of 100's of clients from Japan and Europe evolved the original program into what you see here. No matter what method or program you currently use, Paul's original book will be the best addition ever to your current curriculum. Your clients' progress and satisfaction will go to another level.

English pronunciations are given in easy way helping the readers to understand the complexities of English pronunciation. - SALEEM KHAN ANMOL

Teacher's book two

Where To Download English Book Spoken Amrutha Spoken English Book

For those who are familiar with the first edition, it will be convenient to have some indication of where the main changes lie. Chapter one has been largely rewritten to give an outline of current approaches to a model of comprehension of spoken language. Chapter two has a new initial section but otherwise remains as it was. Chapter three incorporates a new section on "pause" and how this interacts with rhythm, and rather more on the function of stress. Chapter four has an extended initial section but otherwise remains largely as it was. Chapter five on intonation contains several sections which have been rewritten to varying extents. Chapter six of the first edition has disappeared: in 1977, very little work had been published on "fillers" and it seemed worthwhile incorporating a chapter that sat rather oddly with the phonetic/phonological interests of the rest of the book. Not that there is a great industry of descriptions of the forms and functions of these and similar phenomena there seems no reason to retain this early but admittedly primitive account. The chapter on "paralinguistic vocal features", now chapter six, has some rewriting in the early part but considerable rewriting in the last sections. The final chapter on "teaching listening comprehension" has grown greatly in length. It still incorporates some material from the original chapter but most of it is completely rewritten.

KEY FEATURES

- Application of idioms for effective and creative speaking
- Learning of expressions and phrases for better practical presentation
- Numerous word meanings to clarify doubts
- Grammar and usage in almost all the chapters to grasp the correct syntax
- Activity to instill confidence in public speaking

Parentheticals in Spoken English

you have spoken your own language all of your life, all of this control is automatic you do not need to think about it. But when you learn to speak English, you must retrain all of these processes so that they will all work together at the same time. It is not enough to simply put new vocabulary words or grammar drills into your memory. You must retrain your mind to use all of the new sounds your ears will hear, as well as the new movements of your tongue, mouth, and breathing. Yet, since all of these things must happen together for you to speak fluent English, all retraining of your memory, hearing, and the nerves in your mouth must be done simultaneously.

SPOKEN ENGLISH FOR BANGALI SPEAKERS

Are you frustrated with your English study? You want to speak English. Instead, you are taught to write English sentences and memorize grammar rules. There is a better way. The best way for you to learn a language is to speak it. Therefore, the author of SPOKEN ENGLISH LEARNED QUICKLY developed a method so that you can learn English by speaking it even when you do not yet know the language. Two U.S. patent applications have been filed on the method. This new method allows even the beginning student to speak grammatically correct English for two or more hours each day. The Fluency Builder Course provides enough audiotape material for nine months of spoken English study. Through repeating

Where To Download English Book Spoken Amrutha Spoken English Book

grammatically correct English sentences, you will quickly learn to speak fluently. The course emphasizes correct use of the English verb. SPOKEN ENGLISH LEARNED QUICKLY uses neither beginning nor advanced levels of study - all students use the same course, and are immediately immersed in normal, spoken English. This is a self-taught course for highly motivated students. Fluency is achieved at almost twice the rate attainable with typical ESL courses. www.spokenli.com gives two free demonstration lessons.
