Higher Status

Sizzling with action and suspense, #1 New York Times bestselling author SARAH J. MAAS delivers a coming-of-age Selina Kyle who will steal readers' hearts in a new, highly anticipated YA blockbuster: CATWOMAN! When the Bat's away, the Cat will play. It's time to see how many lives this cat really has. Two years after escaping

Gotham City's slums, Selina Kyle returns as the mysterious and wealthy Holly Vanderhees. She quickly discovers that with Batman off on a vital mission, Gotham City looks ripe for the taking. Meanwhile, Luke Fox wants to prove that as Batwing he has what it takes to help people. He targets a new thief on the prowl who has teamed up with Poison Ivy and Harley Quinn. Together, they are wreaking havoc. This Catwoman is clever--she may be Batwing's undoing. In this third DC Icons book, Selina is playing a desperate game of cat and mouse, forming unexpected friendships and entangling herself with Batwing by night and her devilishly handsome neighbor Luke Fox by day. But with a dangerous threat from the past on her tail, will she be able to pull off the heist that's closest to her heart? "Maas has a gift for crafting fierce female protagonists. . . . An epic shoutout to all the bad girls who know how to have fun." --Kirkus Reviews, STARRED REVIEW Don't miss the rest of the DC Icons series! Read them in any order you choose: Wonder Woman: Warbringer by Leigh Bardugo Batman: Nightwalker by Marie Lu Superman: Dawnbreaker by Matt de la Peña

Breaking Night

After the loss of his wife in a tragic accident, beloved artist Danny Gregory chronicled his grief in the medium he knows best—the pages of his illustrated journals. This intimate reproduction of his journal is a stirring visual memoir of Gregory's journey towards recovery. Uniquely sincere, and by turns tender, raw,

and hopeful, Gregory's idiosyncratic text and illustrations capture the darkest and lightest moments of his "year of magical drawing." Gregory's process reminds us that creative expression offers its own therapy, and that living each day to its fullest may be as simple as putting pen to paper. Anyone who has experienced loss will take solace in this refreshingly candid look at grieving, while art lovers will marvel at the artist's beautiful celebration of the power of creation.

Don't Worry, It Gets Worse

This book examines the dark odyssey of official and private collective violence against the rural African population and Africans in general during the two generations before apartheid became the primary justification for the existence of the South African state. John Higginson discusses how Africans fought back against the entire spectrum of violence ranged against them, demonstrating just how contingent apartheid was on the struggle to hijack the future of the African majority.

Bella Coola Indian Music

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The

Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inside

The Subtle Art of Not Giving a F*ck

From the author of the international mega-bestseller *The Subtle Art of Not Giving a F*ck* comes a counterintuitive guide to the problems of hope. We live in an interesting time. Materially, everything is the best it's ever been—we are freer, healthier and wealthier than any people in human history. Yet, somehow everything seems to be irreparably and horribly f*cked—the planet is warming, governments are failing, economies are collapsing, and everyone is perpetually offended on Twitter. At this moment in history, when we have access to technology, education and communication our ancestors couldn't even dream of,

so many of us come back to an overriding feeling of hopelessness. What's going on? If anyone can put a name to our current malaise and help fix it, it's Mark Manson. In 2016, Manson published *The Subtle Art of Not Giving A F*ck*, a book that brilliantly gave shape to the ever-present, low-level hum of anxiety that permeates modern living. He showed us that technology had made it too easy to care about the wrong things, that our culture had convinced us that the world owed us something when it didn't—and worst of all, that our modern and maddening urge to always find happiness only served to make us unhappier. Instead, the “subtle art” of that title turned out to be a bold challenge: to choose your struggle; to narrow and focus and find the pain you want to sustain. The result was a book that became an international phenomenon, selling millions of copies worldwide while becoming the #1 bestseller in 13 different countries. Now, in *Everything Is F*cked*, Manson turns his gaze from the inevitable flaws within each individual self to the endless calamities taking place in the world around us. Drawing from the pool of psychological research on these topics, as well as the timeless wisdom of philosophers such as Plato, Nietzsche, and Tom Waits, he dissects religion and politics and the uncomfortable ways they have come to resemble one another. He looks at our relationships with money, entertainment and the internet, and how too much of a good thing can psychologically eat us alive. He openly defies our definitions of faith, happiness, freedom—and even of hope itself. With his usual mix of erudition and where-the-f*ck-did-that-come-from humor, Manson takes us by the collar and challenges us to be more honest with

ourselves and connected with the world in ways we probably haven't considered before. It's another counterintuitive romp through the pain in our hearts and the stress of our soul. One of the great modern writers has produced another book that will set the agenda for years to come.

A Shakespearian Grammar

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and

accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

I Didn't Do My Homework Because

F*ck Feelings

A concise description of models and quantitative parameters in structural chemistry and their interrelations, with 280 tables and >3000 references giving the most up-to-date experimental data on energy characteristics of atoms, molecules and crystals (ionisation potentials, electron affinities, bond energies, heats of phase transitions, band and lattice energies), optical properties (refractive

index, polarisability), spectroscopic characteristics and geometrical parameters (bond distances and angles, coordination numbers) of substances in gaseous, liquid and solid states, in glasses and melts, for various thermodynamic conditions. Systems of metallic, covalent, ionic and van der Waals radii, effective atomic charges and other empirical and semi-empirical models are critically revised. Special attention is given to new and growing areas: structural studies of solids under high pressures and van der Waals molecules in gases. The book is addressed to researchers, academics, postgraduates and advanced-course students in crystallography, materials science, physical chemistry of solids.

For the Win

A step-by-step guide for women to transforming your love life practically overnight.

Sick Fux

Applying a cultural sociology of performance, this book interrogates how the meaning of sport intersects with gender. Trygve B. Broch points out uncertainties in the causal arguments made by key figures in the cultural studies tradition, instead advancing a meaning-centered study of sports as involving both a social and an athletic performance. Sports not only reflect or reverse social realities, but

capture and keep our attention when we use and experience them as a means to reflect on social life, injustice, and hierarchy. More specifically, blending approaches from media studies with ethnography, Broch explores the women-dominated sport of handball in Norway, a country that considers gender equality a basis of democracy. As such, the analyses here show how broadly available meanings about sameness and equality are mediated and experienced through a performative feel for the game.

Let's Pretend This Never Happened

How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is

the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

F*ck Your Diet

For every woman that has ever felt trapped. A funny, raw and empowering mid-life-crisis-with-a-difference, vlogger, mother, lover businesswoman and social media phenomenon Tova Leigh explores what the hell you are supposed to do when you find yourself living a life you don't remember signing up for. “I was bored, angry, tired and sad. I felt all alone yet I had nothing to complain about. I had a good job, a husband who as far as I could tell wasn't shagging his assistant, three children who apart from being the occasional assholes were pretty good kids; a house, a dog and everything else we are told as little girls we should aspire to. But inside, I was growing restless. I was sick of having the same dull conversations about meal plans and kid-friendly holidays. I was frustrated with having the same married sex I'd been having for the past seven years, or not having any sex at all. I didn't want to be looked at as just a 'mom'. I wanted to be desired, to make someone's hair stand on end and go crazy for me. I didn't want to live by some label that didn't

represent me. I looked at my messy SUV after my yoga class one morning and I wanted to vomit on it all. I panicked, thinking about how I am slowly approaching middle age and the menopause and I wondered how many years do I have left of being ‘f**ckable’ before everything starts going downhill?” We have many sides to us, most of the time we think we must choose just one character and stick to it. But the truth is, we can be all of them without having to choose. I am finally able to show the world that I am a bit of an idiot who dances around her kitchen in her knickers and makes silly videos with her husband, as well as a responsible parent and a businesswoman who runs her own company. When you find authenticity it’s hard to go back. It’s like opening a door to the truth and starting to breathe a new type of air. This discovery is what prompted me to write. It’s my way of saying HERE I AM. I don’t think we should be sorry for who we are. None of us.

F*ck Love

Everyone has that moment—the realization that adulthood has arrived, like a runaway train, and there’s no getting out of its way. From the hit Tumblr blog of the same name, F*ck! I’m in My Twenties perfectly captures the new generation currently testing the waters of post-college reality. Quick-witted and self-deprecating, the author pens irreverent missives, DIY diagrams, illustrations, and tongue-in-cheek checklists that chronicle her experience as a twenty-something living in the big city. Including the best of her beloved blog, plus over 50% new

material, this is a perfect humor impulse buy for anyone who has a love-hate relationship with their twenties.

The Defining Decade

“The F*ck It Diet is not only hilarious, it is scientifically and medically sound. A must read for any chronic dieter.” –Christiane Northrup, MD, New York Times bestselling author of *Women’s Bodies, Women’s Wisdom*” From comedian and ex-diet junkie Caroline Dooner, an inspirational guide that will help you stop dieting, reboot your relationship with food, and regain your personal power **DIETING DOESN’T WORK** Not long term. In fact, our bodies are hardwired against it. But each time our diets fail, instead of considering that maybe our ridiculously low-carb diet is the problem, we wonder what’s wrong with us. Why can’t we stick to our simple plan of grapefruit and tuna fish??? Why are we so hungry? What is wrong with us??? We berate ourselves for being lazy and weak, double down on our belief that losing weight is the key to our everlasting happiness, and resolve to do better tomorrow. But it’s time we called a spade a spade: Constantly trying to eat the smallest amount possible is a miserable way to live, and it isn’t even working. So fuck eating like that. In *The F*ck It Diet*, Caroline Dooner tackles the inherent flaws of dieting and diet culture, and offers readers a counterintuitively simple path to healing their physical, emotional, and mental relationship with food. What’s the secret anti-diet? Eat. Whatever you want. Honor your appetite and listen to your

hunger. Trust that your body knows what it is doing. Oh, and don't forget to rest, breathe, and be kind to yourself while you're at it. Once you get yourself out of survival mode, it will become easier and easier to eat what your body really needs—a healthier relationship with food ultimately leads to a healthier you. An ex-yo-yo dieter herself, Dooner knows how terrifying it can be to break free of the vicious cycle, but with her signature sharp humor and compassion, she shows readers that a sustainable, easy relationship with food is possible. Irreverent and empowering, *The F*ck It Diet* is call to arms for anyone who feels guilt or pain over food, weight, or their body. It's time to give up the shame and start thriving. Welcome to the F*ck It Diet. Let's Eat.

Finding It

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

A Kiss Before You Go

Devlin Bane: Born a Paladin, he is a member of an ancient band of warriors locked in a centuries-old war against evil. His destiny: To die over and over again to protect mankind from the Others, only to be revived each time by his mortal Handler. But his fierce strength and courage cannot save him from gradually becoming one of the monsters he was born to destroy. Dr. Laurel Young, who has spent years training to become a Handler, must remain detached from her patients. But each time she revives the darkly compelling Devlin Bane, he claims a little more of her soul and incites in her desires that grow wilder and wilder -- even as he inches closer to losing his humanity. As the war against the Others grows more desperate, Laurel and Devlin can't help but give in to the fierce hunger that's sizzled between them for so long. Now they'll face the ultimate battle together -- to save a dark, passionate love that goes against every rule as they join forces to fight an enemy who is closer than they ever imagined.

She Would, If She Could

The only self-help book you'll ever need, from a psychiatrist and his comedy writer daughter, who will help you put aside your unrealistic wishes, stop trying to change things you can't change, and do the best with what you can control—the first steps to managing all of life's impossible problems. Need to stop screwing up? Feel like you're under a loser's curse? Work with an ass? Want to clear your name or get justice, rescue an addicted person, get closure after childhood abuse, get a lover to

commit, not ruin your kid? Although other self-help books claim to reveal the path to happiness, F*ck Feelings warns that convincing yourself that there is such a path will actually lead you to feel like a true failure. What the Bennetts can promise you is that you can manage any situation life throws at you if you can keep your sense of humor, bend your wishes to fit reality, restrain your feelings, manage bad behavior, and do what you think is right. Life is hard. It's not fair. Our feelings cloud our rationality, and we become tangled in our efforts to achieve the impossible or change the unchangeable. In this groundbreaking, entirely sensible, and funny book, the Bennetts open the shrinks' secret solution manual and show you how to find a new kind of freedom by working toward realistic goals and doing the best with what you can control. They address the most common problems Dr. Bennett's patients bring to his private practice—problems with family, love, work, self-esteem, garden variety assholes, and more—and give you a script for going forward. With no-bullshit advice from a Harvard-educated shrink freed of all jargon and patronization by his smart-ass, comedy writer daughter, F*ck Feelings is the cut-to-the-chase therapy session you've been looking for.

F*ck! I'm in My Twenties

A provocative and exhilarating tale of teen rebellion against global corporations from the New York Times bestselling author of Little Brother - a call to arms for a new generation.

In the Shadow of 10,000 Hills

Brutally honest, often hilarious, hard-won lessons in learning to love and care for yourself from a young vice president at Comedy Central who was called "ahead of her time" by Jordan Peele "Compelling, persuasive, and useful no matter where you are in your life."--Chelsea Handler, #1 New York Times bestselling author of *Life Will Be the Death of Me* "A bracingly honest, funny read . . . like Wild meets You Are a Badass."--Adam Grant, #1 New York Times bestselling author of *Give and Take*, *Originals*, and *Option B* By the time she was in her late twenties, Tara Schuster was a rising TV executive who had worked for *The Daily Show* with Jon Stewart and helped launch *Key & Peele* to viral superstardom. By all appearances, she had mastered being a grown-up. But beneath that veneer of success, she was a chronically anxious, self-medicating mess. No one knew that her road to adulthood had been paved with depression, anxiety, and shame, owing in large part to her minimally parented upbringing. She realized she'd hit rock bottom when she drunk-dialed her therapist pleading for help. *Buy Yourself the F*cking Lilies* is the story of Tara's path to re-parenting herself and becoming a "ninja of self-love." Through simple, daily rituals, Tara transformed her mind, body, and relationships, and shows how to * fake gratitude until you actually feel gratitude * excavate your emotional wounds and heal them with kindness * identify your self-limiting beliefs, kick them to the curb, and start living a life you choose * silence your inner frenemy and shield yourself from self-criticism * carve out time each morning to

start your day empowered, inspired, and ready to rule * create a life you truly, totally f*cking LOVE This is the book Tara wished someone had given her and it is the book many of us desperately need: a candid, hysterical, addictively readable, practical guide to growing up (no matter where you are in life) and learning to love yourself in a non-throw-up-in-your-mouth-it's-so-cheesy way.

For the Win

Veteran comedian Artie Lange turns an unflinching eye and his signature wit on his perilous descent into drug addiction, life-threatening depression, and ultimately, his recovery, in the follow-up to his hilariously raw debut, the #1 New York Times bestseller *Too Fat to Fish*. At a high point in his career, Artie Lange played a sold-out show in Carnegie Hall and totally killed—yet during his standing ovation, all he could think of were the two bags of heroin in his pocket. In the midst of a deep, self-destructive depression, addicted to heroin and prescription drugs, he lashed out at everyone around him—from his fellow cast members on *The Howard Stern Show*, to celebrity guests, to his longtime friends, and even his own family. By turns dark and disturbing, hilarious and heartbreaking, and always drop-dead honest, the New York Times bestseller *Crash and Burn* lifts the curtain on Lange's dangerous slide. For the first time, Artie reveals all: the full truth behind his now legendary Stern Show meltdown, his suicide attempt (which he relates in terrifying detail), surprising stints in rehab, and painful relapses. With the help and support of friends

and family, Artie claws his way back, turning his life and career around. And despite his slip-ups, backslides, and permanent losses, Artie forges on.

Have the Relationship You Want

A treasury of visual one-liners by the award-winning political cartoonist whose work regularly appears in such periodicals as *The Guardian* and *The Times* presents contrary images of such historical events as the Trojan War, the industrial revolution, and the War on Terror.

Catwoman: Soulstealer

Our "thirty-is-the-new-twenty" culture tells us the twentysomething years don't matter. Some say they are a second adolescence. Others call them an emerging adulthood. Dr. Meg Jay, a clinical psychologist, argues that twentysomethings have been caught in a swirl of hype and misinformation, much of which has trivialized what is actually the most defining decade of adulthood. Drawing from a decade of work with hundreds of twentysomething clients and students, *THE DEFINING DECADE* weaves the latest science of the twentysomething years with behind-closed-doors stories from twentysomethings themselves. The result is a provocative read that provides the tools necessary to make the most of your

twenties, and shows us how work, relationships, personality, social networks, identity, and even the brain can change more during this decade than at any other time in adulthood-if we use the time wisely. THE DEFINING DECADE is a smart, compassionate and constructive book about the years we cannot afford to miss.

Moan

Deregulation, revenge evictions, parliamentary corruption and day-to-day instability: these are the realities for the eleven million people currently renting privately in the UK. At the same time, house prices are skyrocketing and the generational promise of home ownership is now an impossible dream for many. This is the rent-trap: an inescapable consequence of market-induced inequality. Rosie Walker and Samir Jeraj offer the first critical account of what is really going on in the private rented sector and expose the powers conspiring to oppose regulation. A quarter of British MPs are landlords, rent strike is almost impossible and snap evictions are growing, but in the light of these hurdles The Rent Trap shows how to fight back. Drawing on inspiration from movements in the UK, Europe and further afield, The Rent Trap coheres current experiences of those fighting the financial burdens, health risks and vicious behaviour of landlords in an attempt to put an end to the dominant narratives that normalise rent extraction and undermine our fundamental rights. Published in partnership with the Left Book Club.

Crashed Out

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

Introduction to Structural Chemistry

Reflects on the author's career and personal life after college, sharing her experiences in becoming a responsible adult, including finding an apartment, paying off student loans, and preparing real food.

F*ck! I'm in My Twenties

Imagine you could give an essay entitled How to Make Me Come to a past, present or future sex partner, free of judgment or repercussion. What would you want them to know? In this book inspired by Emma Koenig's wildly popular website, a diverse collective of women do just that. Emma Koenig was inspired to answer this question after a truly frustrating sexual experience with a partner. As she says, "The simplest version of this story devoid of all identifying details: He thought I had an orgasm. I hadn't." She knew she couldn't be the only woman to have been mystified by an experience such as this, and so her Tumblr, How to Make Me

Come, was born as a safe space for women to talk honestly and openly. The website touched a major chord. It received tons of press and garnered over a million page views in a month. And now, a broad range of the best of these anonymous essays have been collected into Moan. The ways through which women achieve sexual pleasure are often ignored, devalued, or misunderstood. Moan tackles the ideas surrounding the sometimes elusive orgasm head on. Here is a look into the spectrum of desire. Of frustration. Of experiences that have left an impact. From the hilarious to the tragic, from the intellectual to the erotic, these essays will leave you feeling inspired and excited to embark on your own journey of sexual exploration and empower women to do what most of the time is hardest for us: asking for what we want and don't in the bedroom and beyond. What people are saying about it: Prioritizing women's pleasure is a critical part of our liberation. Not only is Moan an intimate, educational and funny collection about orgasm and desire but it pushes the cultural conversation forward." -- Rashida Jones, actress, writer, producer "Koenig's book is exactly what we need to break the absurd, toxic silence around female sexual pleasure." -- Peggy Orenstein, bestselling author of *Girls & Sex* and *Cinderella Ate My Daughter*

Everything Is F*cked

The author of an advice column presents some of the letters she has received and the guidance she has offered.

How to Make Love Like a Porn Star

Mark Z. Danielewski's House of Leaves

When he was twenty-three, Jason Capital woke up one morning with only twenty-three dollars to his name, feeling stuck and overwhelmed. He realized that he wasn't going to win the game of life based on what he learned at school and from his parents. But Capital turned it around in less than a year by applying High Status techniques. He's now the World's #1 Success Trainer, and with the guidance he provides in this invaluable volume, you too can harness this cutting-edge technology, take control of your own destiny, and become a person of power, influence, and remarkable achievement.

F*ck

Everyone has that moment—the realization that adulthood has arrived, like a runaway train, and there's no getting out of its way. From the hit Tumblr blog of the same name, F*ck! I'm in My Twenties perfectly captures the new generation currently testing the waters of post-college reality. Quick-witted and self-deprecating, the author pens irreverent missives, DIY diagrams, illustrations, and

tongue-in-cheek checklists that chronicle her experience as a twenty-something living in the big city. Including the best of her beloved blog, plus over 50% new material, this is a perfect humor impulse buy for anyone who has a love-hate relationship with their twenties.

Dark Protector

Fans of Issa Rae and Phoebe Robinson will love this collection of laugh-out-loud funny and insightful essays that explore race, feminism, pop culture, and how society reinforces the message that we are nothing without the perfect body. By the time Chloé Hilliard was 12, she wore a size 12—both shoe and dress—and stood over six feet tall. Fitting in was never an option. That didn't stop her from trying. Cursed with a "slow metabolism," "baby weight," and "big bones,"—the fat trilogy—Chloe turned to fad diets, starvation, pills, and workouts, all of which failed. Realizing that everything—from government policies to corporate capitalism—directly impacts our relationship with food and our waistlines, Chloé changed her outlook on herself and hopes others will do the same for themselves. The perfect mix of cultural commentary, conspiracies, and confessions, F*ck Your Diet pokes fun at the all too familiar, misguided quest for better health, permanent weight loss, and a sense of self-worth.

Crash and Burn

When Ellis Earnshaw and Heathan James met as children, they couldn't have been more different. Ellis was loud and beautiful - all blond hair, bright laughs and smiles. Heathan was dark and brooding, and obsessed with watching things die. The pair forged an unlikely friendship, unique and strange. Until they were ripped apart by the sick cruelty of others, separated for years, both locked in a perpetual hell. Eleven years later, Heathan is back for his girl. Back from a place from which he thought there was no return. Back to seek revenge on those who wronged them. Time has made Heathan's soul darker, polluted with hatred and the thirst for blood. Time has made Ellis a shell of her former self, a little girl lost in the vastness of her pain. As Heathan pulls Ellis out of her mental prison, reviving the essence of who she once was, down the rabbit hole they will go. With malice in their hearts and vengeance in their veins, they will seek out the ones who hurt and destroyed them. One at a time. Each one more deadly than the last. Tick Tock. Dark Contemporary Romance. Contains explicit sexual situations, violence, disturbingly sensitive and taboo subjects, offensive language and very mature topics. Recommended for ages 18 and over.

Collective Violence and the Agrarian Origins of South African Apartheid, 1900-1948

Jasmine Taveras is the reason Sarge Purcell grabbed his six-string and bailed the hell out of New Jersey four years ago. She's the fuel for every song he's ever written—each one laced with bitter, hard-edged, hungry lust. Now, with his hugely successful band on temporary hiatus, Sarge is determined to prove to Jasmine that he's turned into every inch the man she's always needed. Men are slim pickings for a single factory girl in Hook, New Jersey until tall, broad-shouldered hotness walks—or rather storms—into Jasmine's life. Sarge's return shouldn't affect her this way. He's her best friend's much younger brother, and the kind of rough, gritty, sexiness Jasmine has no right to taste for herself. Even if he lets her. But lust is a blinding, insatiable force. And when it crashes, it will take both Sarge and Jasmine down with it. Each book in the Made in Jersey series is **STANDALONE**: * Crashed Out * Thrown Down * Worked Up * Wound Tight

Buy Yourself the F*cking Lilies

Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the

backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, Geek Love throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

Geek Love

In the vein of *The Glass Castle*, *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.

F*cked at 40

In the Shadow of 10,000 Hills follows the intertwining stories of three women from vastly diverse cultures searching for personal peace in post-genocide Rwanda. Lillian Carlson, an African-American civil rights activist now in her early 50s, traveled to Africa from Atlanta in 1970 to grieve the assassination of Martin Luther King Jr. She dreamed of bettering the world, one child at a time, with an orphanage in Rwanda's rift valley. Three decades later, in New York City, Rachel Shepherd, a white bartender in her mid-30s, lost and looking for her purpose in life, embarks on a journey to find the father who abandoned her as a child during the 1994 Rwandan genocide. When Rachel travels to Rwanda, searching for her father, she finds Lillian and a young Rwandan woman with secrets that bind her to Rachel's father. Together, they all discover something unexpected: grace when there can be no forgiveness.

How to Be a Person in the World

How many excuses are there for not doing homework? Let us count the ways: Giant lizards invaded the neighborhood. Elves hid all the pencils. And then there was that problem with carnivorous plants. The excuses go on and on, each more absurd than the next and escalating to hilarious heights. Featuring detail-rich

illustrations by Benjamin Chaud, this book is guaranteed to amuse kids and their parents, not to mention anyone who has experienced a slacker student moment—and isn't that everyone? Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

The F*ck It Diet

Sometimes you have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson.

The Rent Trap

In the virtual future, you must organize to survive At any hour of the day or night, millions of people around the globe are engrossed in multiplayer online games, questing and battling to win virtual "gold," jewels, and precious artifacts. Meanwhile, others seek to exploit this vast shadow economy, running electronic sweatshops in the world's poorest countries, where countless "gold farmers," bound to their work by abusive contracts and physical threats, harvest virtual treasure for their employers to sell to First World gamers who are willing to spend real money to skip straight to higher-level gameplay. Mala is a brilliant 15-year-old from rural India whose leadership skills in virtual combat have earned her the title of "General Robotwalla." In Shenzhen, heart of China's industrial boom, Matthew is defying his former bosses to build his own successful gold-farming team. Leonard, who calls himself Wei-Dong, lives in Southern California, but spends his nights fighting virtual battles alongside his buddies in Asia, a world away. All of these young people, and more, will become entangled with the mysterious young woman called Big Sister Nor, who will use her experience, her knowledge of history, and her connections with real-world organizers to build them into a movement that can challenge the status quo. The ruthless forces arrayed against them are willing to use any means to protect their power—including blackmail, extortion, infiltration, violence, and even murder. To survive, Big Sister's people must out-think the system. This will lead them to devise a plan to crash the economy of every virtual

world at once—a Ponzi scheme combined with a brilliant hack that ends up being the biggest, funnest game of all. Imbued with the same lively, subversive spirit and thrilling storytelling that made LITTLE BROTHER an international sensation, FOR THE WIN is a prophetic and inspiring call-to-arms for a new generation At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

A Performative Feel for the Game

Helena Conway has fallen in love. Unwillingly. Unwittingly. But not unprovoked. Kit Isley is everything she's not-unstructured, untethered, and not even a little bit careful. It could all be so beautiful if he wasn't dating her best friend. Helena must defy her heart, do the right thing, and think of others. Until she doesn't.
