## **Breathless: Steel Brothers Saga #10**

Now in one deluxe collection, the first four novels in the #1 New York Times bestselling *Crossfire* series. *Bared to You* He was beautiful and brilliant, jagged and white-hot. I was drawn to him as I'd never been to anything or anyone in my life. I craved his touch like a drug, even knowing it would weaken me. I was flawed and damaged, and he opened those cracks in me so easily Gideon knew. He had demons of his own. And we would become the mirrors that reflected each other's most private wounds and desires. The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart *Reflected in You* Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would take us beyond our limits to the sweetest, sharpest edge of obsession *Entwined with You* From the moment I first met Gideon Cross, I recognized something in him that I needed. Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd

been threatened, or just how dark and desperate the shadow of our pasts would become. Entwined by our secrets, we tried to defy the odds. We made our own rules and surrendered completely to the exquisite power of possession Captivated by You Gideon calls me his angel, but he's the miracle in my life. My gorgeous, wounded warrior, so determined to slay my demons while refusing to face his own. The vows we'd exchanged should have bound us tighter than blood and flesh. Instead they opened old wounds, exposed pain and insecurities, and lured bitter enemies out of the shadows. I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. At the brightest time in our lives, the darkness of his past encroached and threatened everything we'd worked so hard for. We faced a terrible choice: the familiar safety of the lives we'd had before each other or the fight for a future that suddenly seemed an impossible and hopeless dream

## **The Secret Life of EL James**

It was a time when things were simpler-when large houses, not small cars, cost twenty thousand dollars and gasoline was eighteen cents a gallon. It was 1955 in Bridgeport, Connecticut, and with a plan only the mind of a seventeen-year-old boy could contrive, Randy Betattini schemes his way inside a strip joint. Lola, the stripper pictured outside is his main objective. Before the night is through he lands himself a job as a singer between the more exotic acts. Fay, the club's manager, becomes his nemesis. Ruling with an iron hand, she deems the women in the show off limits to him. But he finds a way, and in Lola's tiny room above the club their forbidden affair begins. Randy's parents know nothing of his new career, and thus, his double life begins. Meanwhile, on stage each night, the girls in the show strive to outdo each other. With full nudity

against the law, they have only their ingenuity, originality, and costumes to compete with, leaving the best parts always to the imagination. In keeping with the reminiscence of this time gone by, violence is similarly kept at a minimum. Poignant and humorous, *The Café Royal* is truly a coming-of-age story of the fifties.

## **Fifty Shades Trilogy**

Three sisters. An inherited Nantucket restaurant. One year before they can sell. Mandy, Emma and Jill are as close as three sisters who live hundreds of miles apart can be. They grew up together on Nantucket, but Mandy is the only one that stayed. Jill lives a glamorous life in Manhattan as a co-owner of a successful executive search firm. Never married, she is in her mid-thirties and lives in a stunning, corner condo with breathtaking views of the city and Hudson river. Everyone thinks there's something going on with her partner, Billy, because as a workaholic, she spends more time with him than anyone else. But there's never been anything but friendship between them and Billy loves being a bachelor in NYC. Emma lives in Arizona and is an elementary school teacher and an aspiring photographer. She met her college professor husband, Peter, in grad school and they've been married for about fifteen years. In recent years, she's noticed that Peter has grown distant. But when he shares a surprising secret, she doesn't see it coming and her world is turned upside down. Mandy followed her high school boyfriend, Cory to Boston College, and right after graduation, they married and settled in Dover, just outside of Boston. Cory joined a successful hedge fund, while Mandy took a job at a downtown financial services firm as an administrative assistant. She quit a year later, when Blake, the first baby came. Two years later, when Brooke was born, Cory left to open a competing Hedge Fund and they moved home to Nantucket. Now that the children are older, Mandy has more free time and is eager to do more than just volunteer with local charity events. But Cory doesn't want her to work. He thinks it doesn't reflect well on him and appearances are everything to Cory. Though when Mandy finds something unusual in his gym bag, she begins to question what is really going on. When their beloved grandmother, Rose Ferguson passes peacefully in her sleep a week before her ninety-ninth birthday she leaves them quite a surprise. In addition to her Nantucket home, they learned that she was the silent owner of Mimi's Place, one of Nantucket's most popular year-round restaurants. There is of course, a catch--she left the restaurant equally to Mandy, Emma, and Jill--and also to Paul, the chef for the past twelve years. And before they can sell, all three girls need to work at the restaurant for a period of one year--or else their shares will go to Paul--who was also Emma's first love.

## **To Be As God**

Exploring sex—bodily capacities, appetites, orientations, and connections—in terms of play and playfulness. We all know that sex involves a quest for pleasure, that sexual palates vary across people's lifespans, and that playful experimentations play a key role in how people discover their diverse sexual turn-ons and turn-offs. Yet little attention has been paid to

thinking through the interconnections of sex and play, sexuality and playfulness. In *Many Splendored Things* from Goldsmiths Press, Susanna Paasonen considers these interconnections. Paasonen examines the notions of playfulness and play as they shed light on the urgency of sexual pleasures, the engrossing appeal of sex, and the elasticity of sexual desires, and considers their connection to categories of identity. Drawing on a broad range of scholarship on sexuality, play, and the media, Paasonen moves from the conceptual to the concrete, examining advice literature on sexual play, the vernacular aesthetics of the *Fifty Shades* series, girls' experiences of online sexual role-playing, popular media coverage of age-play, and Jan Soldat's documentary films on BDSM culture. Paasonen argues that play in the realm of sexuality involves experimentation with what bodies can feel and do and what people may imagine themselves as doing, liking, and preferring. Play involves the exploration of different bodily capacities, appetites, orientations, and connections. Occasionally strained, dark, and even hurtful in the forms that it takes and the sensory intensities that it engenders, sex presses against previously perceived and imagined horizons of embodied potentiality. Play pushes sexual identifications into motion.

## **Shelter in Place**

From Nora Roberts comes the #1 New York Times bestseller Shelter in Place (June 2018)—a powerful tale of heart, heroism and propulsive suspense. The chaos and carnage lasted only eight minutes before the killers were taken down. But for those who lived through it, the effects would last forever. In the years that followed, one would dedicate himself to a law enforcement career. Another would close herself off, trying to bury the memory of huddling in a ladies' room, helplessly clutching her cell phone--until she finally found a way to pour her emotions into her art. But one person wasn't satisfied with the shockingly high death toll at the DownEast Mall. And as the survivors slowly heal, find shelter, and rebuild, they will discover that another conspirator is lying in wait--and this time, there might be nowhere safe to hide.

Wiseman has written a touching tale of loss, survival, and perseverance with some light fantastical elements. Highly recommended.” —Booklist “An immersive historical tale with chilling twists and turns. Beautifully told and richly imagined.” —Stephanie Dray, New York Times bestselling author of America's First Daughter In the fall of 1918, thirteen-year-old German immigrant Pia Lange longs to be far from Philadelphia's overcrowded slums and the anti-

Funeral crepe and quarantine signs appear on doors as victims drop dead in the streets and desperate survivors wear white masks to ward off illness. When food runs out in the cramped tenement she calls home, Pia must venture alone into the quarantined city in search of supplies, leaving her baby brothers behind. Bernice Groves has become lost in grief and bitterness since her baby died from the Spanish flu. Watching Pia leave her brothers alone, Bernice makes a shocking, life-altering decision. This monumental work is a series of essays on the influential thinkers and ideas in modern times. The author begins with De Sade, who self-consciously broke with any Christian basis for morality and law. Enlightenment thinking began with nature as the only reality, and Christianity was reduced to one option among many. It was then, in turn, attacked as anti-democratic and anti-freedom for its dogmatic assertion of the supernatural. Literary figures such as Shelly, Byron, Whitman, and more are also examined, for the Enlightenment presented both the intellectual and the artist as replacement for the theologian and his church. Ideas, such as "the spirit of the age," truth, reason, Romanticism, persona, and Gnosticism are related to the desire to negate God and Christian ethics. Reading this book will help you understand the need to avoid the syncretistic blending of humanistic philosophy with the Christian faith.
