Their passionate affair ended in heartbreak when he left without warning. When he returns unexpectedly, can their heat melt away the hurt of the past? Kashif Shadid has always craved adventure. With one last chance to win the Iditarod dog sled race before assuming his role as Sheikh, he's returned to the Alaskan wilderness to train at a legendary sled dog farm. But returning means coming face to face with Kristy Cohen, the woman who captured his attention years ago. He's thrilled once again by her icy beauty, but her farm is facing financial ruin. Kashif's eager to take control, however, getting her to agree with his plans may be a challenge. Kristy Cohen works hard to keep her sled dog farm afloat while raising her young daughter. Faced with declining revenues and a changing climate, Kristy's struggling, but she's not willing to turn her back on her business model. When Kashif Shadid shows up out of the blue pushing her to make changes, Kristy's response is as cold as the Alaskan snow. She fell for tall, handsome Kashif once before. "Our main problem here is that we allow our mind to wander free when we need it to be focused and to focus on the things we should release." The Lama said. "We need to discipline our mind to avoid being dominated by the continuum" He continued. "And what is the continuum?" I asked, abruptly interrupting him. He looked at me with a smile and answered: "What we call continuum, are those thoughts that seem to never leave our mind. Those sounds and memories that keep repeating as a broken old record in our mind without control". I am sharing in these chapters my thoughts and life experiences with the hope I can change my inner continuum, by reminding

me of those lessons that have shaped my present mindset. I hope you find something useful in them and maybe they could give you some ideas to create a better continuum for yourself. Thank you from the bottom of my heart for coming with me in this inner quest. May the Light be with you always.

"The Adventures of Tom Sawyer" - Tom Sawyer lives with his Aunt Polly and his half-brother Sid. He skips school to swim and is made to whitewash the fence the next day as punishment. Tom falls in love with Becky Thatcher, a new girl in town, but shortly after Becky shuns him, he accompanies Huckleberry Finn to the graveyard at night, where they witness a trio of body snatchers getting into a fight. Tom and Huck run away to an island. While enjoying their new-found freedom, they become aware that the community is sounding the river for their bodies... "Adventures of Huckleberry Finn" - Huck Finn and his friend Tom Sawyer have each come into a considerable sum of money as a result of their earlier adventures. Huck is placed under the guardianship of the Widow Douglas, who is attempting to "sivilize" him. Finding civilized life confining, his spirits are raised somewhat when Tom helps him to escape one night, but his alcoholic father turns up and kidnaps him... "Tom Sawyer Abroad" - Tom, Huck, and their friend Jim set sail to Africa in a futuristic hot air balloon, where they survive encounters with lions, robbers, and fleas to see some of the world's greatest wonders, including the Pyramids and the Sphinx. "Tom Sawyer,
