The Tuttle Twins Learn About The Law

An award-winning historian recounts the history of American liberty through the stories of thirteen essential documents. Nationalism is inevitable: It supplies feelings of belonging, identity, and recognition. It binds us to our neighbors and tells us who we are. But increasingly -- from the United States to India, from Russia to Burma -- nationalism is being invoked for unworthy ends: to disdain minorities or to support despots. As a result, nationalism has become to many a dirty word. In *Give Me Liberty*, award-winning historian and biographer Richard Brookhiser offers up a truer and more inspiring story of American nationalism as it has evolved over four hundred years. He examines America's history through thirteen documents that made the United States a new country in a new world: a free country. We are what we are because of them; we stay true to what we are by staying true to them. Americans have always sought liberty, asked for it, fought for it; every victory has been the fulfillment of old hopes and promises. This is our nationalism, and we should be proud of it.

Coming of Age in Mississippi

Edited by Eric Foner and coordinated with each chapter of the text, this companion to *Give Me Liberty!* includes primary-source documents touching on the theme of American freedom. The freedom theme is explored in the words of well-known historical figures and ordinary Americans. Each document is accompanied by an introductory headnote and study questions.

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Give Me Liberty

The Permission Society

In 1799, at the end of George Washington's long life and illustrious career, the politician Henry Lee eulogized him as: "First in war, first in peace, and first in the hearts of his countrymen." Esteemed historian Richard Brookhiser now adds to this list, "First in leadership," examining the lessons to be learned from our first president, first commander-in-chief, and founding CEO. With wit and skill, Brookhiser expertly anatomizes true leadership with lessons from Washington's three spectacularly successful careers as an executive: general, president, and tycoon. In every area of endeavor, Washington maximized his strengths and overcame his flaws. Brookhiser shows how one man's struggles and successes two centuries ago can serve as a model—and an inspiration—for leaders today.

Give Me Liberty!, 6e Seagull Volume 1 with Media Access Registration Card + Voices of Freedom, 6e Volume 1

"Give me Liberty, or give me Death!" is a famous quotation attributed to Patrick Henry from a speech he made to the Virginia Convention. It was given March 23, 1775, at St. John's Church in Richmond, Virginia, ..

The Book of Mormon

As the practice of democracy becomes a lost art, Americans are increasingly desperate for a restored nation. Many have a general sense that the "system" is in disorder -- if not on the road to functional collapse. But though it is easy to identify our political problems, the solutions are not always as clear. In *Give Me Liberty: A Handbook for American Revolutionaries*, bestselling author Naomi Wolf illustrates the breathtaking changes that can take place when ordinary citizens engage in the democratic system the way the founders intended and tells how to use that system, right now, to change your life, your community, and ultimately, the nation.

Give Me Liberty!

"A masterwork [by] the preeminent historian of the Civil War era."—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln's lifelong engagement with the nation's critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln's greatness emerges from his capacity for moral and political growth.

Voices of Freedom

"An impassioned case against a senseless system . . . Come for the cocktail recipes, stay for the call to arms." —Clay Risen, author of *American Whiskey, Bourbon, and Rye* "A potent, thought-provoking mixture of fun and 'what the hell' awareness." —Lew Bryson, author of *Whiskey Master Class* Across this nation, in breweries, liquor stores, bars, and even our own homes, we're being stripped of our most basic boozy rights. Thanks to Prohibition and its 100-year hangover, some of the most outdated, bizarre, and laughably loony laws still on the books today center around alcohol and how we drink it. In New Mexico, \$1 margaritas are illegal. In Utah, cocktails must be mixed behind a barrier called the "Zion curtain." And forget about happy hour in Massachusetts—the state banned it in 1984. But we don't have to stand down and dry up—it's time to take to liquid protest. Created by the nation's leading alcohol policy expert, *Give Me Liberty* and *Give Me a Drink!* combines the thirst-inducing pleasure of trivia with 65 recipes for classic and innovative cocktails. So arm yourself with a mezcal-based One Pint, Two Pint, inspired by Vermont's ban on beer pitchers, or The Boiling Point, a beer cocktail that is highly illegal in Virginia, and get ready to drink your way to a revolution on the rocks.

This Is Our Church

The story of Liberty, a black American teenage girl, and her progress from her slum background into the hands of a sinister new right-wing paramilitary group and her eventual triumph over them.

The Story of American Freedom

[This text] is a survey of American history from the earliest days of European exploration and conquest of the New World to the dawn of the twenty-first century. It offers students a concise narrative whose central theme is the changing contours of American freedom. Aimed at an audience of undergraduate students with little or no detailed knowledge of American history, [the text] guides readers through the complexities of the subject without overwhelming them with excessive detail. The unifying theme of freedom that runs through the text gives shape to the narrative and integrates the numerous strands that make up the American experience. [This book] places events and personalities in the foreground and is more geared to the structure of the introductory survey course.-Pref.

Give Me Liberty Or Give Me Death (Annotated)

The leading United States History survey text, now available in a brief, full-color edition.

Give Me Liberty

The leading text in the U.S. survey course.

Give Me Liberty! An American History

LONGLISTED for the 2017 NATIONAL BOOK AWARD FOR FICTION An urgent, essential collection of stories about immigration, broken dreams, Los Angeles gang members, Latin American families, and other tales of high stakes journeys, from the award-winning author of *War by Candlelight* and *At Night We Walk in Circles*. Migration. Betrayal. Family secrets. Doomed love. Uncertain futures. In Daniel Alarcón's hands, these are transformed into deeply human stories with high stakes. In "The Thousands," people are on the move and forging new paths; hope and heartbreak abound. A man deals with the fallout of his blind relatives' mysterious deaths and his father's mental breakdown and incarceration in "The Bridge." A gang member discovers a way to forgiveness and redemption through the haze of violence and trauma in "The Ballad of Rocky Rontal." And in the tour de force novella, "The Auroras", a man severs himself from his old life and seeks to make a new one in a new city, only to find himself seduced and controlled by a powerful woman. Richly drawn, full of unforgettable characters, *The King is Always Above the People* reveals experiences both unsettling and unknown, and yet eerily familiar in this new world.

Give Me Liberty!, 6e Brief Combined Volume with Media Access Registration Card + Voices of Freedom, 6e Volumes 1 And 2

In her youth, Rose Wilder Lane supported the Russian Revolution, but a trip to Russia quickly dispelled her illusions. She realized that the mass politics of socialism necessarily suppressed individual freedom. America was founded on a different principle: individuals should take responsibility for their own lives. On this principle, America became the wealthiest of all nations and the hope of the world. The New Deal of 1933 struck against American individualism, substituting for it the tired collectivist programs of Europe. In Give Me Liberty, originally published in 1936, Lane called for a return to American individualism and a repudiation of the New Deal.

A House Divided

How to Argue & Win Every Time

The Nomad Cocktail Book

Describes the events leading up to the Declaration of Independence as well as the personalities and politics behind its framing. By the author of the Newbery Honor book, *The Wright Brothers: How They Invented the Airplane*. Reprint.

Give Me Liberty

Throughout history, kings and emperors have promised “freedoms” to their people. Yet these freedoms were really only permissions handed down from on high. The American Revolution inaugurated a new vision: people have basic rights to life, liberty, and the pursuit of happiness, and government must ask permission from them. Sadly, today’s increasingly bureaucratic society is beginning to turn back the clock and to transform America into a nation where our freedoms—the right to speak freely, to earn a living, to own a gun, to use private property, even the right to take medicine to save one’s own life—are again treated as privileges the government may grant or withhold at will. Timothy Sandefur examines the history of the distinction between rights and privileges that played such an important role in the American experiment, and how we can fight to retain our freedoms against the growing power of government. Illustrated with dozens of real-life examples—including many cases he litigated himself—Sandefur shows how treating freedoms as government-created privileges undermines our Constitution and betrays the basic principles of human dignity.

John Marshall

Originally published as a separate book packaged inside *The NoMad Cookbook*, this revised and stand-alone edition of *The NoMad Cocktail Book* features more than 100 additional recipes, a service manual explaining the art of drink-making according to the NoMad, and 30 new full-color cocktail illustrations. Organized by type of beverage from aperitifs and classics to light, dark, and soft cocktails and syrups/infusions, this comprehensive guide shares the secrets of bar director Leo Robitschek's award-winning cocktail program. The NoMad Bar celebrates classically focused cocktails, while delving into new arenas such as festive, large-format drinks and a selection of reserve cocktails crafted with rare spirits.

The best-selling Seagull Edition is

also available in full color for the first time.

Give Me Liberty! An American History

The life of John Marshall, Founding Father and America's premier chief justice. In 1801, a genial and brilliant Revolutionary War veteran and politician became the fourth chief justice of the United States. He would hold the post for 34 years (still a record), expounding the Constitution he loved. Before he joined the Supreme Court, it was the weakling of the federal government, lacking in dignity and clout. After he died, it could never be ignored again. Through three decades of dramatic cases involving businessmen, scoundrels, Native Americans, and slaves, Marshall defended the federal government against unruly states, established the Supreme Court's right to rebuke Congress or the president, and unleashed the power of American commerce. For better and for worse, he made the Supreme Court a pillar of American life. In *John Marshall*, award-winning biographer Richard Brookhiser vividly chronicles America's greatest judge and the world he made.

Give Me Liberty

Until now, freedom-minded parents had no educational material to teach their children the concepts of liberty. The Tuttle Twins series of books helps children learn about political and economic principles in a fun and engaging manner. With colorful illustrations and a fun story, your children will follow Ethan and Emily as they learn about liberty!

Intentional Faith

Megachurch pastor Allen Jackson invites readers on a 100-day adventure of experiencing God through ten biblical practices that will reignite their faith and transform their lives. Many Christians experience low points in their faith, times when their spiritual lives have grown cold, stagnant, or routine. They feel frustrated and desperate to reconnect with God. Yet encouragement alone is not enough. We need God's power to bring transformation, and we need specific tools and a focused intent to know the Lord. Drawing upon years of pastoral ministry and his own experience, Allen Jackson has

developed a 100-day plan to reinvigorate a believer's life, organized around ten declarations of intent, including: I Intend to Grow Spiritually, I Intend to Read the Gospels I Intend to Pray Daily I Intend to Honor God in My Home, and I Intend to Work with Integrity. A simple investment of twenty minutes a day will create an unstoppable momentum in readers' lives. Their hearts are opened to new possibilities with God where his purposes unfold and where the fruit of his rewards are found.

George Washington On Leadership

In this Second Edition of this radical social history of America from Columbus to the present, Howard Zinn includes substantial coverage of the Carter, Reagan and Bush years and an Afterword on the Clinton presidency. Its commitment and vigorous style mean it will be compelling reading for under-graduate and post-graduate students and scholars in American social history and American studies, as well as the general reader.

Give Me Liberty!

An exciting novel for tweens that captures the dawn of the American Revolution. Life is tough for thirteen-year-old Nathaniel Dunn, an indentured servant in colonial Virginia. Then in a twist of luck, he meets Basil, a kind schoolmaster, and an arrangement is struck lending Nathaniel's labor to a Williamsburg carriage maker. Basil introduces Nathaniel to music, books, and philosophies that open his mind to new attitudes about equality. The year is 1775, and as colonists voice their rage over England's taxation, Patrick Henry's words "give me liberty, or give me death" become the sounding call for action. Should Nathaniel and Basil join the fight? What is the meaning of "liberty" in a country reliant on indentured servants and slaves? Nathaniel must face the puzzling choices a dawning nation lays before him. "Filled with action, well-drawn characters, and a sympathetic understanding of many points of view." —ALA Booklist

James Madison

A noted attorney gives detailed instructions on winning arguments, emphasizing such points as learning to speak with the body, avoiding being blinding by brilliance, and recognizing the power of words as a weapon. Reprint.

Give Me Liberty!: To 1877

A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. Founders' Son

Assesses the impact of the Civil War

Give Me Liberty!: An American History Seagull 6E Combined Vol

A resource for those seeking a deeper understanding of the two thousand-year history of the Catholic Church, highlights important events, people, trends, and teachings, and offers photographs, charts, and chronologies.

Voices of Freedom

Written without a trace of sentimentality or apology, this is an unforgettable personal story—the truth as a remarkable young woman named Anne Moody lived it. To read her book is to know what it is to have grown up black in Mississippi in the forties and fifties—and to have survived with pride and courage intact. In this now classic autobiography, she details the

sights, smells, and suffering of growing up in a racist society and candidly reveals the soul of a black girl who had the courage to challenge it. The result is a touchstone work: an accurate, authoritative portrait of black family life in the rural South and a moving account of a woman's indomitable heart.

The King is Always Above the People

Abraham Lincoln grew up in the long shadow of the Founding Fathers. Seeking an intellectual and emotional replacement for his own taciturn father, Lincoln turned to the great men of the founding—Washington, Paine, Jefferson—and their great documents—the Declaration of Independence, the Constitution—for knowledge, guidance, inspiration, and purpose. Out of the power vacuum created by their passing, Lincoln emerged from among his peers as the true inheritor of the Founders' mantle, bringing their vision to bear on the Civil War and the question of slavery. In *Founders' Son*, celebrated historian Richard Brookhiser presents a compelling new biography of Abraham Lincoln that highlights his lifelong struggle to carry on the work of the Founding Fathers. Following Lincoln from his humble origins in Kentucky to his assassination in Washington, D.C., Brookhiser shows us every side of the man: laborer, lawyer, congressman, president; storyteller, wit, lover of ribald jokes; depressive, poet, friend, visionary. And he shows that despite his many roles and his varied life, Lincoln returned time and time again to the Founders. They were rhetorical and political touchstones, the basis of his interest in politics, and the lodestars guiding him as he navigated first Illinois politics and then the national scene. But their legacy with not sufficient. As the Civil War lengthened and the casualties mounted Lincoln wrestled with one more paternal figure—God the Father—to explain to himself, and to the nation, why ending slavery had come at such a terrible price. Bridging the rich and tumultuous period from the founding of the United States to the Civil War, *Founders' Son* is unlike any Lincoln biography to date. Penetrating in its insight, elegant in its prose, and gripping in its vivid recreation of Lincoln's roving mind at work, this book allows us to think anew about the first hundred years of American history, and shows how we can, like Lincoln, apply the legacy of the Founding Fathers to our times.
