### **Go Math!, Grade 3**

Math Thinking Mats for grade 5 reinforces standards-based math skills and improves higher-level thinking skills. This hands-on resource appeals to students by providing grade-appropriate activities that range from finding coordinate pairs in a garden to forming fractions on cookies. Teach standards-based math skills using a format that engages students. With 80 pages of high-interest math activities, the Ready to Go: Math Thinking Mats series challenges students with grade-specific math practice. Made from durable card stock and featuring perforated pages, these color-coded activities are easy to organize, making them ideal for learning stations and centers. This resource can also be used to engage early finishers, develop independent learning skills, and support cooperative learning. Perfect for reinforcing essential math skills, the Ready to Go: Math Thinking Mats series provides a convenient way to meet your students' academic needs. With customizable, open-ended practice activities, you can adjust these hands-on learning activities for independent or small group learning. Complete with a write-on/wipe-away surface, the game mats are designed to make teaching

and learning standards-based math a fun and successful experience.
