Theodore Roosevelt, an Autobiography

Japanese American Donnie, whose playmates insist he be the "bad guy" in their war games, calls on his reluctant father and uncle to help him get away from that role

The Spanish-American War and Philippine Insurrection

Details the pivotal role that Teddy Roosevelt played during the Spanish-American War and the consequences of his involvement.

History of the Spanish-American War

Indispensable guide to over 130 museums and points of interest: Guggenheim Museum, The Cloisters, Chinatown History Museum, Bronx Zoo, Queens Wildlife Center, Historic Richmond Town, The Frick Collection, Children's Museum of Manhattan, El Museo del Barrio, and more. Addresses, phone numbers, visiting hours, admission fees, other data.

The History of the Utah Volunteers in the Spanish-American War and in the Philippine Islands

The Rough Riders

An often overshadowed event in American military history, the Spanish-American War began as a humanitarian effort on the part of the United States to provide

military assistance for the liberation of Cuba from Spanish domination. At the time, no one knew that this simple premise would result in an American empire. Through extensive research, Mark Barnes has created a comprehensive, annotated bibliography detailing this globally significant conflict and its aftermath. Insightful notes are included for every title in each chronologically organized chapter. By drawing together an impressive collection of sources, including some previously not readily available to English language readers, Barnes has created an invaluable resource for scholars of this conflict. Routledge Research Guides to American Military Studies provide concise, annotated bibliographies to the major areas and events in American military history. With the inclusion of brief critical annotations after each entry, the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency. Comprehensive, concise, and current—Routledge Research Guides to American Military Studies are an essential research tool for any historian.

Who are the pivotal figures in American history, the men and women who have helped shape us as a people and have influenced how we perceive ourselves as Americans? In this companion to his popular 1001 Events That Made America, Alan Axelrod looks into all areas of our collective past and highlights the famous as well as the infamous, the virtuous as well as the notorious, from the nation's earliest days to the present. Serving up history in lively, accessible bites, the book presents a Who's Who in American politics, arts, science, business, religion, and pop culture, along with concise explanations of each figure's historical significance. Featured personalities range from Jesse James to Al Capone, Harriet Beecher Stowe to Betty Friedan, George Washington to George W. Bush, Harriet Tubman to Martin Luther King, Jr., Stephen Foster to Elvis, John L. Sullivan to Muhammad Ali, Edwin Booth to Marlon Brando, Washington Irving to Thomas Pynchon, and John Jacob Astor to Bill Gates. Packed with information and insight, 1001 People Who Made America gives readers a deeper understanding of what it means to be an American. The appealing design and easy-to-read format invite browsing and sharing.

A History of the Spanish-American War of 1898

A reference to the nation's shortest officially declared war offers information on campaigns and principal battles, key military and political figures, and political aspects of the Spanish-American and Phillipine-American Wars.

Medico-surgical Aspects of the Spanish American War

This book consists of ten essays focussing on reactions in different parts of Europe to the Spanish-American War of 1898. Largely, the concentration is on the work of journalists, publicists, politicians and other self-conscious framers of public opinion. An attempt is also made to discover how such people gained their information on the War, and then tried to place it in their existing perceptions of the United States.

Spanish-American War

Originally published in Spanish by Ediciones Union in Havana, Cuba, as *Las metáforas del cambio en la vida cotidiana: Cuba, 1898-1902*, 2003.

Why American History Is Not What They Say

History of the Spanish-American War largely based on the daily records of Theodore Roosevelt, who trained and led the Rough Riders during the war.

Springfield in the Spanish American War

An entertaining and eye-opening biography of America's most memorable first daughter From the moment Teddy Roosevelt's outrageous and charming teenage daughter strode into the White House—carrying a snake and dangling a cigarette—the outspoken Alice began to put her imprint on the whole of the twentieth-century political scene. Her barbed tongue was as infamous as her scandalous personal life, but whenever she talked, powerful people listened, and she reigned for eight decades as the social doyenne in a town where socializing was state business. Historian Stacy Cordery's unprecedented access to personal papers and family archives enlivens and informs this richly entertaining portrait of America's most memorable first daughter and one of the most influential women in twentieth-century American society and politics.

A Cultural History of Cuba During the U.S. Occupation, 1898-1902

This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At Tredition we believe that a great book never goes out of style. Several mostly non-profit literature

projects provide content to tradition. To support their good work, tradition donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion.

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. A slender necklace of landfalls off the southern tip of Florida, the Florida Keys are nirvana for anglers, divers, literature lovers, and Jimmy Buffet wannabes. The favorite of many travelers--and the biggest tourist draw--is Key West, the southernmost point in the continental United States, known for its sometimes raucous nightlife and sunset celebrations. But the other keys have their own unique atmosphere--from the diving capital Key Largo, to the beautiful beaches of Bahia Hondo, to exclusive (and expensive) Little Palm Island. This travel guide includes:

- Dozens of maps
- An 8-page color insert with a brief

Forward, March A Tale of the Spanish-American War

1001 People Who Made America

This book details the uniforms and weapons of the American, Spanish, Cuban and Filipino forces involved in the United States Army's first overseas war. In 1898 the USA took the decision to intervene in the Cuban war of independence against Spain, and to expel the last vestige of European colonial rule from the Americas. This also led to the US acquiring rule over the Philippine Islands; and there, US troops were sent into the jungle to fight a "colonial†? war of their own, against Filipino insurgents unwilling to exchange one master for another. The text is

illustrated with rare early photographs and color plates.

U.S. History

The definitive guide to the Green Mountain State Christina Tree and new coauthor Rachel Carter have more lovingly than ever updated the Explorer's Guide to Vermont, especially since floods in August 2011 caused by Tropical Storm Irene devastated so many of the communities, businesses, iconic covered bridges, and scenic backroads in the state. As these towns and storefronts rebuild, so have Tree and Carter This 13th edition of Explorer's Guide Vermont reviews hundreds of dining and lodging options from the remote reaches of the Northeast Kingdom to quaint Manchester and bustling Burlington. The authors offer great recommendations for the most rewarding spots to visit—artists' studios, farmers' markets, historic sites, and more—and highlight the best biking, hiking, swimming, winter sports, horseback riding, fishing, and paddling. Enjoy four seasons of events and activities; whether you're a visitor or a resident, you've got to get this guide!

The Spanish-American War

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
