## **Joel, Obadiah, Haggai, Zechariah, Malachi**

### **A Commentary on Amos, Ezra, Esther, Haggai, Nehemiah.**

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

### **The Message of Malachi**

Verse by verse exposition of the prophecy of Haggai by Duncan Heaster, part of the New European commentary series based on the New European version of the Bible.

### **The Preacher's Commentary**

A comprehensive commentary on all twelve of the minor prophets. Free of footnotes and devotional in style.

### **Concerning the End for Which God Created the World**

The biggest barrier to faith is life itself. Divorce. Cancer. Infertility. Death. There are times in our lives in which God seems very far away. We don't understand His silence. We only feel the intensity of our pain and the echoing question of 'why?' The Bible declares that God is good, but can we still believe this when our lives are falling apart? In *Keep Believing*, Dr. Pritchard affirms what the Bible declares: that God is good and His mercy endures forever. This is true regardless of our moment-

by-moment experience. God has provided comfort in our times of struggle and healing in our times of hurt through the balm of His Word. You believed in the light of day; will you still believe at midnight? Search the Scriptures with Dr. Pritchard for words of encouragement and hope. Put your confidence in the God who sorrowfully watched His Son suffer at Calvary for your benefit. Know that the same loving heavenly Father has everything completely under control. He is with you and longs to comfort you as you struggle through your hard times. Take a tell-tale look at your devotion to the Lord and His never-ending love and commitment to you in Keep Believing. You served God in the sunshine; will you now serve him in the shadows?

### **Haggai**

The Abingdon Old Testament Commentaries provide compact, critical commentaries on the books of the Old Testament for the use of theological students and pastors. The commentaries are also useful for upper-level college or university students and for those responsible for teaching in congregational settings. In addition to providing basic information and insights into the Old Testament writings, these commentaries exemplify the tasks and procedures of careful interpretation, all to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves. The six books found at the close of the Minor Prophets (Nahum, Habakkuk, Zephaniah, Haggai,

Zechariah, and Malachi) present distinctive understandings of God, humanity, and the future. This commentary engages those understandings, considers what the books may have meant in the past, and describes how they resonate with contemporary readers. With attention to issues of gender, violence, and inclusivity, O'Brien explores the ethical challenges of the books and asks how faithful readers can both acknowledge the problems these biblical books raise and appreciate their value for contemporary theological reflection.

### **The Books of Haggai and Malachi**

### **The Minor Prophets**

### **Haggai, Zechariah, Malachi: Old Testament New European Christadelphian Commentary**

These books, from what are often called the twelve prophets, continue to recount

the story of the return from Babylonian exile. They speak with immediacy and power to the generation that was responsible for writing down and organizing the Hebrew Scriptures and founding Judaism as a religion, not just an ethnic identity. Haggai demonstrates how not to be a prophet, as his wildly optimistic and date-specific predictions don't come true. Zechariah then tries to restore the reputation of the prophets after Jeremiah denounces them as liars. A central issue is the rebuilding of the temple-how can it replace the celebrated temple of Solomon? Should it be built before the people even have the resources to build their own houses? When did God leave the temple, and what will convince God to return? These postexilic prophets affirm the many traditions of the people of Judah and Israel, who are still reeling from exile, offering them hope and direction. They promise that God's justice will include punishment of their enemies and a full restoration of God's people. John J. Collins is Holmes Professor of Old Testament at Yale Divinity School. A native of Ireland, he has a doctorate from Harvard University, and earlier taught at the University of Chicago, and the University of Notre Dame. He has published widely on the subjects of apocalypticism, wisdom, Hellenistic Judaism, and the Dead Sea Scrolls and served as president of both the Catholic Biblical Association and the Society of Biblical Literature.

### **Be Heroic (Minor Prophets)**

### **The Minor Prophets**

This bestselling text by Haddon Robinson, considered by many to be the "teacher of preachers," has sold over 300,000 copies and is a contemporary classic in the field. It offers students, pastors, and Bible teachers expert guidance in the development and delivery of expository sermons. This new edition has been updated throughout and includes helpful exercises. Praise for the Second Edition Named "One of the 25 Most Influential Preaching Books of the Past 25 Years" by Preaching "[An] outstanding introduction to the task of preparing and presenting biblical sermons. More than any other book of the past quarter century, Biblical Preaching has profoundly influenced a generation of evangelical preachers."--Preaching

### **Haggai, Zechariah**

"Dr. A. W. Tozer, without question, had an 'anointing' for this generation. As an articulate preacher and perspicuous writer, he assumed the role of a reverent forecaster. His so accurate description of unseemly religious and moral conditions and where they were leading the church are black facts that make one wonder about the 'religion' of the evangelical church of our day." — Dr. L. L. King, from the foreword *The Price of Neglect*, a collection of editorials written while Dr. Tozer was

the editor of Alliance Life, contains one of Tozer's most consistent messages: Do not neglect the spiritual life, for you cannot afford to. Tozer warns against rising secularism, which is characterized by a muting or outright compromise of biblical truths, carnal worship, and lifestyles practically identical with that of the world. With a prophetic voice in articulate writing, he pens chapters like: The Price of Neglect Lyric Theology Personal Holiness Is a First Prayer Changes People—And Things The Value of a Good Home On Omitting the Third Stanza Heed Tozer's warning in The Price of Neglect, and give your spiritual life the attention it demands.

### **Spurgeon Commentary: 2 Thessalonians, 2 Timothy, Titus**

An excellent exegetical commentary

### **Commentary on the Twelve Prophets**

A critical, experimental, and practical commentary on the Bible, this three-volume work is renowned for its scholarship and keen insight into the Scriptures. While scholarly, the commentary is not overly technical and so is accessible to pastor, student, and layperson alike. C. H. Spurgeon commented on Jamieson-Fausset-Brown, It contains so great a variety of information that if a man had no other

exposition he would find himself at no great loss if he possessed and used it diligently.

### **Daniel the Prophet**

### **Haggai, Zechariah, Malachi**

General editor Lloyd J. Ogilvie brings together a team of skilled and exceptional communicators to blend sound scholarship with life-related illustrations. The design for the Preacher's Commentary gives the reader an overall outline of each book of the Bible. Following the introduction, which reveals the author's approach and salient background on the book, each chapter of the commentary provides the Scripture to be explicated. The New King James Bible has been chosen for the Preacher's Commentary because it combines with integrity the beauty of language, underlying Hebrew and Greek textual basis, and thought-flow of the 1611 King James Version, while replacing obsolete verb forms and other archaisms with their everyday contemporary counterparts for greater readability. Reverence for God is preserved in the capitalization of all pronouns referring to the Father, Son, or Holy Spirit. Readers who are more comfortable with another translation can readily find the parallel passage by means of the chapter and verse reference at the end of

each passage being expounded. The paragraphs of exposition combine fresh insights to the Scripture, application, rich illustrative material, and innovative ways of utilizing the vibrant truth for his or her own life and for the challenge of communicating it with vigor and vitality.

### **Nineveh and Its Remains**

This commentary by Pieter A. Verhoef offers a thorough exegesis and exposition of Haggai and Malachi — two important books of Scripture that, unfortunately, are little studied — and stresses the relevance of these prophets' messages in terms of continuity and discontinuity for the Christian church. Verhoef's introduction to each book elucidates questions of authorship, style, text, structure, historical background, and message. Making extensive use of structural analysis, Verhoef argues convincingly for the authenticity, unity, and integrity of both books. Verhoef also brings his knowledge of the ancient Near East, the Old Testament, and biblical scholarship to bear in the commentary proper, and he displays theological acumen and pastoral sensitivity in tailoring his exposition for the student and pastor as well as for the scholar.

Illustrations are indexed by theme, enabling you to quickly find a fitting observation, whether you're searching by topic or verse. Each section of Scripture also includes at least one application from Spurgeon based on those verses. And updated language brings greater clarity

to his teachings than ever before--allowing you to better understand and apply Spurgeon's rich insights into 2 Thessalonians, 2 Timothy, and Titus.

### **A Critical and Exegetical Commentary on Haggai, Zechariah, Malachi and Jonah**

Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem's wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks  
Unrelenting deadlines  
Criticism and outside resistance  
Personality conflicts  
Financial pressures and temptations  
The insights that Swindoll draws from Nehemiah's wise administration will change your approach to leadership forever.

### **Prophetic Oracles of Salvation in the Old Testament**

"[Here is] the Genesis for our generation and beyond."—Robert Fagles Genesis begins with the making of heaven and earth and all life, and ends with the image of a mummy—Joseph's—in a coffin. In between come many of the primal stories in Western culture: Adam and Eve's expulsion from the garden of Eden, Cain's murder of Abel, Noah and the Flood, the destruction of Sodom and Gomorrah, Abraham's binding of Isaac, the covenant of God and Abraham, Isaac's blessing of Jacob in place of Esau, the saga of Joseph and his brothers. In Robert Alter's brilliant translation, these stories cohere in a powerful narrative of the tortuous relations between fathers and sons, husbands and wives, eldest and younger brothers, God and his chosen people, the people of Israel and their neighbors. Alter's translation honors the meanings and literary strategies of the ancient Hebrew and conveys them in fluent English prose. It recovers a Genesis with the continuity of theme and motif of a wholly conceived and fully realized book. His insightful, fully informed commentary illuminates the book in all its dimensions.

### **Handbook on the Prophets**

We all admire the hero. That person who's celebrated for accomplishing big things in the face of even bigger odds. Yet heroes aren't defined by their circumstances, but by their choices. They're people who continually choose to serve others, even when no one is watching, and without expecting credit. Based on the books of Ezra, Haggai, and Zechariah, this study examines three unsung heroes of the Bible who can inspire us today. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, BE Heroic has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares small ways we can make a big impact. Because when it's all about being a servant, we all have what it takes to be a hero.

### **Abingdon Old Testament Commentaries: Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi**

The prophetic books of the Bible contain some of the most difficult passages in the entire Old Testament. Veteran professor Robert Chisholm guides readers through the important and often complex writings of Isaiah, Jeremiah, Lamentations, Ezekiel, Daniel, and the Minor Prophets, examining the content, structure, and theological message of each book. Rather than attempting to provide a detailed verse-by-verse commentary, this handbook focuses on the prevailing themes and central messages of the prophetic books. It considers how the message of the prophets would have been heard in their respective historical communities and considers the prophets' continuing importance for contemporary study. Now available in paperback.

### Unlocking the Bible

The NIV Application Commentary Series  
The setting: Jerusalem. Recently returned from Babylonian captivity, the Jews are occupied with personal pursuits while the temple of Yahweh lies in ruins. To the prophets Haggai and Zechariah falls the task of calling God's people to their forgotten priority: rebuilding his house. Heeding prophetic admonition, the people overcome the obstacles that face them and prosper in their work--thanks largely to the vision and encouragement of the prophets. The books of Haggai and Zechariah represent a golden period in Old Testament history, but they are often overlooked. Yet these two minor prophets speak a major message to the church today. It is one that calls us, as a community of faith, to the priority of God's house, and inspires us with glimpses of its future glory. Exploring the links between the Bible and our own times, Mark J. Boda shares perspectives on Haggai and Zechariah that reveal their enduring relevance for our twenty-first-century lives. Most Bible commentaries take us on a one-way trip from our world to the world of the Bible. But they leave us there, assuming that we can somehow make the return journey on our own. They focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable--but the job is only half done! The NIV Application Commentary Series helps bring both halves of the interpretive task together. This unique, award-winning series shows readers how to bring an ancient message into

our present-day context. It explains not only what the Bible meant but also how it speaks powerfully today. "This series promises to become an indispensable tool for every pastor and teacher who seeks to make the Bible's timeless message speak to this generation. BILLY GRAHAM Some commentaries build walls that isolate you back in the ancient world. The NIV Application Commentary builds bridges that make the Bible come alive with meaning for contemporary life--and the series does so concisely, clearly, and accurately. No wasted words or academic detours--just solid help and practical truth!" WARREN W. WIERSBE

Prophetic Oracles of Salvation in the Old Testament is a comprehensive and innovative assessment of these often ignored or misunderstood canonical texts. Claus Westermann shows that these oracles occur in distinct forms and make up a coherent tradition. He goes on to demonstrate that these texts, often perceived only as a message of judgement and doom, in fact proclaim hope and deliverance as well.
