Spunky Knight

Ivan gets selected by Comrade Anastasia to be her new lover. Hot futa on male action ensues! Don't miss it!

Stranger in a Strange Land

Jackie was content to spend her life alone. But when an attractive young woman stumbles out of a storm, she can't turn her away. Danielle is confused by Jackie's wary attitude. But when the hot young lesbian discovers Jackie's secret, she can't hide her desire. The lovely futa-woman has the body of a supermodel, and she's a virgin too! Watch the sparks fly in "Futa Farm Girl!" ~~~~~ Excerpt ~~~~~ Danielle watched the struggle play out across Jackie's face. She held her breath, not daring to upset the delicate balance between them. It was obvious the gorgeous woman was wavering on the knife's edge. Damn them for hurting her. The ferocity of her anger surprised her. But it was obvious that if Jackie had not been physically abused, she was recovering from a lifetime of emotional trauma. Danielle could imagine it. The signs were all about. Growing up in a small town, in a conservative household. Maybe her father died young. Or maybe it was yet another case of a man abandoning his unwed lover after she came up pregnant. And then, the double blows to the mother. First, the unwanted pregnancy. And then, even worse to her eyes, the horrifying realization that her child was malformed, disfigured, a freak with both male and female genitalia. In all honesty, Danielle thought, it was almost surprising that Jackie was as well-adjusted as she was. If she had to live her life scorned and despised, she probably would have gone completely around the bend. God, I want her so bad. Hidden behind the ridiculous sweatpants, her womanhood gave a frustrated spasm. Her juices were flowing, making her lips hot and slick. Finally, Jackie opened her eyes. In her gaze, Danielle could see the haunting

memory of years of hurt. "You're not playing a trick on me?" Her voice quavered, half-hoping, half-fearing the truth. "You really think I'm attractive?" Danielle stood. This, she knew, would take a careful touch. She laid her palms on Jackie's cheeks, meeting her eyes squarely, willing her to see her honesty. "You," she whispered hoarsely, "are the most amazing creature I have ever seen in my life. And I would be honored if you allowed me the gift of taking your virginity."

Leslie's new school is full of surprises. But the biggest are her fellow students. Half of the girls are like nothing she's ever seen before: tall, athletic, sexually charged, and all packing serious heat between their legs. Life was hard enough in her old school, but Leslie's about to find out she isn't just the new kid. To these girls, she's fresh meat. Long Description: As the newest student of White Reef High, Leslie's in for many big surprises. First, there's Ms. Hawke, who takes a very hands-on approach to physical education. Then there's half the student body, who are more bubbly, pretty and confident than Leslie could ever hope to be. And then there's the other half. These girls are something else. Tall, athletic, sexually charged, and all packing serious heat between their legs. Life was hard enough in her old school, but Leslie's about to find out she isn't just the new kid. She's fresh meat. FUTANARI Sex ED is over 10,000 words of sex-filled fun between well-hung futanaris and eager females, and has a HFN ending. ~~~~~ Excerpt ~~~~~ Z ara held her hands to her hips, jutting one out to the side. "You can look, you know." She swept her hand in a downwards motion, as if presenting herself for an audience. "It likes the attention." Her smile was infectious, and Leslie found her lips twitch into a shy grin herself. And since she had permission, she let herself take a peek. She definitely liked what she saw. God, what a cock! And to her surprise, it had freckles, just like the rest of Zara. Those little dots made her enticing penis cute and sexy at the same time. Ms. Hawke instructed the class to stand on their mats. "Let's start with the absolute basics. First, all the futas need to get hard." The teacher began her 'demonstration.' running her closed fist up and down the length of her cock until it filled with blood and stood out straight from her body. The tip was a bright red, and a long blue vein snaked down the length of her shaft. The lights from overhead caught against a speck of pre-cum on the dick's tip, making it glimmer. Leslie was enraptured, her heart racing as she watched her PE teacher rub her enormous dick in front of everyone. She hoped nobody noticed her going red again. It went without saying that things here were very different from her old school! ... " All right, everyone; clothes off!" Leslie felt dizzy as she watched every last person in the class, including Ms. Hawke herself, undress and throw their clothes in a pile in the corner of their mats. In a few blinks, Leslie was standing in front of a class of naked young women - and she was the only one with her clothes still on. Some of the taller girls, the ones who were now very obviously futanari, held hands with their partners, and some of were even kissing. Others simply stood around with their arms

crossed, looking like they would rather be paired with anyone but their assigned partner. “Look, I know you’re new here, but you’re really going to have to start following my instructions the first time I give them, Hall.” Ms. Hawke was looking at her seriously. “It wouldn’t be fair if I gave you special treatment; I expect all of my students to listen to what I say and follow me without question. So take your clothes off and be ready to help me demonstrate for the class.” “Demonstrate?!” Leslie couldn’t believe what she heard. “You’re going to...we’re going to...” Ms. Hawke pulled off the elastic in her hair and shook her hair out, the mousy blonde locks whipping from side to side. When her hair was free, she blew a few strands from face and replied: “Of course. I’m not going to let my students to fuck each other before showing them how to first.” ~~~~~ PG Excerpt ~~~~~ “Now,” the teacher continued. “It isn’t enough that I stand here and lecture you, much as I enjoy hearing the sound of my own voice.” Every girl rolled her eyes. “But since everyone here is eighteen, I thought we would make things a little more, well, practical today.” This got their attention. Girls immediately began chattering, their faces beaming with excitement. “Here is the list of pairs I’ve put together myself. All those whose partners are absent will be assigned together, or will join me up the front.” A titter rose. The teacher flipped a page on her clipboard and cleared her throat. “Stanley and LeHorn. Nichols and Prabhu. Chang and Finn.” This went on, with girls partnering up as their names were read out. Some looked less than enthused about their pairing, but others came together with giggles and coy smiles. One girl demanded that she be paired with her best friend, and the teacher barked so loud that Leslie nearly jumped out of her skin. Once they were all paired off, something became uncomfortably clear to Leslie. Her name hadn’t been called out. “Um, m-miss?” she said, raising her hand weakly and trying to get the teacher’s attention over the noise. “M-miss? I didn’t... I mean I’m new, and I don’t...I didn’t...” The teacher took one glance at her, and then exhaled through her. “Sorry, they told me I’d have a new kid today. Totally skipped my mind.” She flipped over the page. “Name?” “L-Leslie Hall,” she stammered. “Leslie...Hall...” she repeated quietly, writing it down. She then placed the pencil in her breast pocket and removed her sunglasses. Her eyes were a beautiful ocean green, and they crinkled at the corners as she smiled. In an instant, this teacher was friendly and had none of the hardness she had shown before. “Nice to meet you, Leslie. I’m Ms. Hawke.” She held out her hand. Leslie smiled back and shook her hand, albeit a little tentatively. “Nice to meet you too, Ms. Hawke.” The teacher looked out at the crowd. “Well, looks like everyone has their partner today. You’ll have to be mine. Hope that’s alright with you?” “Mm-hmm. I mean, yes, that’s fine, Ms. Hawke.” The teacher chuckled, throwing her a mischievous look. “Relax, kid. You’ve picked a great day for your first PE lesson.”

This deed covers all the essentials of a power exchange. Suitable for all levels of BDSM (from training to a total power exchange) including Master/slave, Mistress/slave or Dominant/submissive dynamics. Helps you bring up the topic. Harry Potter and the Order of the Phoenix

In *The Lonely Letters*, A tells Moth: “Writing about and thinking with joy is what sustains me, daily. It nourishes me. I do not write about joy primarily because I always have it. I write about joy, Black joy, because I want to generate it, I want it to emerge, I want to participate in its constant unfolding.” But alongside joy, A admits to Moth, come loneliness, exclusion, and unfulfilled desire. *The Lonely Letters* is an epistolary blackqueer critique of the normative world in which Ashon T. Crawley—writing as A—meditates on the interrelation of blackqueer life, sounds of the Black church, theology, mysticism, and love. Throughout his letters, A explores blackness and queerness in the musical and embodied experience of Blackpentecostal spaces and the potential for platonic and erotic connection in a world that conspires against blackqueer life. Both a rigorous study and a performance, *The Lonely Letters* gestures toward understanding the capacity for what we study to work on us, to transform us, and to change how we inhabit the world.

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

Twilight Tenth Anniversary/Life and Death Dual Edition

We all know the story of The Futa Infection. Now, for the first time, learn how it started in this anthology. How one Futa-woman became two. Became three. Until women everywhere were transforming into sex-hungry futanari, eager to share their hard, throbbing passion with women and men alike! Contains "Futa Farm Girl," "OMG Now I'M a Futa!" And "The Futa-Doctor is In!" ~~~~~ PG Excerpt ~~~~~ I love her so much. It was evening, and the sun was down. After their dinner, they sat out on the back yard, under the swingset Jackie's grandfather had put up for her when she was a little girl. A few years ago, she had repurposed it to hold a long wooden porch swing, and now she leaned back, her head resting against Danielle's chest, the worn cushions soft under her legs. "I've always wanted to ask," her lover asked, drawing a finger down her arm. "Why isn't the porch swing, you know, on the porch?" "I like to look at the stars." In the west, the crescent moon was sinking into the very last hint of sunset, the sky a dark blue. Above, it was inky black, and thousands of stars shone down on them. "And I couldn't get a good view from the porch. Back here, there's no lights from the city or the highway. I could just lean back and watch. In a couple of weeks, there's going to be a meteor shower. The Perseids. You should come out and watch with me. It's incredible. Every minute or so you get this white streak across the sky. Sometimes they break up, almost like fireworks. And once or twice I've actually heard them. They make a hissing sound." Danielle made an agreeable noise, and tightened her arms around her. Jackie sighed happily. For years, she had gone without touch, without human comfort of any kind. After her grandparents died, it had only been her and her mother in the big farmhouse. Sandra Sinclair had never forgiven God or her daughter for the cruel trick fate had played on her, and while she made sure her only child was properly fed and clothed, that was where her sense of duty ended. She certainly didn't give Jaqueline Sinclair any affection, either with her voice or her body. There were no good-bye hugs when she got on the school bus in the morning, no kisses goodnight when she went to bed. Only cold, tight-lipped silence. Which made her nights with Danielle even more treasured. The woman bathed her in affection, and she wallowed in it like a cat in the sun. Her arms around her held her snug, and she shifted closer, their legs twining lazily. Even her breath, soft and slow and steady in her ear, was a source of comfort for a woman who had ceased to believe that anyone would love her for who she was. But Danielle, it seemed, had

something more than simple snuggling on her mind. Her hands began to roam up and down her body, cupping her breasts, and then moving down to her sides. The tiny hairs on her arms stood up as she shivered, beginning to feel the first stirrings of desire deep within her body. In her jeans, her shaft twitched. Her eyes pooled with tears, but she blinked them away. She wasn't sad. She was happy. Overjoyed. What were the odds? That this beautiful, elegant woman, self-confident and sexy as hell, would fall for her. It would be unlikely enough if her body was normal. Not many women, after all, were lesbians, drawn to their own gender. Or even bisexual, for that matter. But when you combined it with the fact that she was a genetic freak, cursed to have both male and female genitalia, that possibility moved from unlikely to are you freaking kidding me? But Danielle loved her. Loved her, and wanted her with a fierce desire so intense it almost frightened her, sometimes. During her more introspective moments, Jackie thought her lover's passion for her was less of a desire than a need. And, anyway, the sex made her feel really, really good.

Fifty Shades of Grey

Written in the 1840s and published here for the first time, Julia Ward Howe's novel about a hermaphrodite is unlike anything

of its time--or, in truth, of our own. Narrated by Laurence, who is raised and lives as a man, is loved by men and women alike, and can respond to neither, this unconventional story explores the understanding "that fervent hearts must borrow the disguise of art, if they would win the right to express, in any outward form, the internal fire that consumes them." Laurence describes his repudiation by his family, his involvement with an attractive widow, his subsequent wanderings and eventual attachment to a sixteen-year-old boy, his own tutelage by a Roman nobleman and his sisters, and his ultimate reunion with his early love. His is a story unique in nineteenth-century American letters, at once a remarkable reflection of a largely hidden inner life and a richly imagined tale of coming of age at odds with one's culture. Howe wrote "The Hermaphrodite" when her own marriage was challenged by her husband's affection for another man--and when prevailing notions regarding a woman's appropriate role in patriarchal structures threatened Howe's intellectual and emotional survival. The novel allowed Howe, and will now allow her readers, to occupy a speculative realm otherwise inaccessible in her historical moment.

Tempting Her Teacher

The Reluctant Lord (Dragon Lords 7) Dragon-Shifter Romance Polished, dignified and reserved in all things. That is a true nobleman. Lady Clara of the Redding, a living statue of perfection, has been raised a true Redde noblewoman. She has been taught to never show emotion, to never raise her voice, to touch as little as possible, and to never act wildly or rashly. According to her people's custom, the new generation cannot begin until the current one is settled. She is the last of her siblings without a husband and her pregnant sisters will remain in stasis until she's married. After Clara denies all suitable males on her home world, her parents are left with one choice--send her to a primitive place where several noblemen await marriage. The men hardly appear picky about their choices, a perfect arrangement for a reluctant bride. An uninhibited woman to match his untamed soul. That would be his ideal wife. Lord Vladan, Ealdorman Honorary of the Draig is not like his noble brothers. Adopted into their family after a mining accident killed his parents, he is every bit as titled as his new brothers, and every bit as welcome into the fold. Yet he can't help but feel the pull of his commoner past. He loves his family, and will always do as duty demands, but a part of him still yearns to shift into dragon form and run free in the wild. It is a side he indulges every chance he gets. This is how he knows his bride will be the most wild of creatures, for he wants passion, not perfection. Surely the gods are mistaken when they bind him to the most refined, reserved, frustratingly perfect creature in the universe. About the Series Books 5 - 8 The Noblemen brothers aren't new to the sacred Qurilixian bridal ceremony. With very few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men don't let go Too bad nobody explained this to their brides.
