Two giant, imposing dragons confront their greatest fears...each other! East Dragon and West Dragon live on opposite sides of the world. They have never met—and they like it that way. East Dragon is sure that West Dragon’s huge wings mean that he is very, very strong. West Dragon fears that East Dragon’s long, swishy tail means that he is very, very fierce. But when some meddlesome knights start a riff between their two kingdoms, East Dragon and West Dragon are finally forced to come face-to-fire-breathing-face. Might the two dragons finally discover they aren’t so different after all? Detail-rich illustrations combine with a lighthearted, inspiring message to create a playful twist on the classic theme of fierce, fearless dragons. This story of friendship across cultures begs to be read again and again!

Dear Gazelle, For some time now I have wanted to write a letter to say how much I admire you. You are so graceful and fine. Even when you are running from tigers you are like a ballerina who is running away from tigers. I think that what I'm trying to say is that I love you. XO, OX And so begins an epic, if initially unrequited, love affair between a graceful gazelle and a clumsy, hapless ox. Romance will never be the same. Adam Rex's hilarious, sweet, and at times heartbreaking letters between a hopelessly romantic ox and a conceited, beautiful gazelle is paired perfectly with Scott Campbell's joyful illustrations to bring you a romance for the ages.

If you owe a couple cavities to Marathon candy bars, learned your adverbs from Schoolhouse Rock!, and can still imitate the slo-mo bionic running sound of The Six Million Dollar Man, this book is for you. Whatever Happened to Pudding Pops? takes you back in time to the tastes, smells, and sounds of childhood in the '70s and '80s, when the Mystery Date board game didn't seem sexist, and exploding Pop Rocks was the epitome of candy science. But what happened to the toys, tastes, and trends of our youth? Some vanished totally, like Freakies cereal. Some stayed around, but faded from the spotlight, like Sea-Monkeys and Shrinky Dinks. Some were yanked from the market, revised, and reintroduced but you'll have to read the book to find out which ones. So flip up the collar of that polo shirt and revisit with us the glory and the shame of those goofy decades only a native could love.
