### Faith in American Public Life

Get ready for boy dilemmas, friendship dramas and madcap grannies - Faith is back! Will Faith make up her mind between the gorgeous Finn and the lovely Ethan and manage to get herself a real-life boyfriend? Will Mrs Cox finally get off her case and recognise Faith's true genius? Will Faith's family learn how to be normal, non-embarrassing people? Will Faith and her BFFs beat the world record for number of biscuits eaten in a minute? All these questions and more will be answered in the hilarious next installment of this brilliant new series from Candy Harper! Everyone loves HAVE A LITTLE FAITH "Teenage angst and daily dramas rule in this warm and funny debut sure to appeal to fans of Louise Rennison." The Bookseller "Faith is a little freaky, a little feisty and a lot funny. I defy you not to fall for her." Joanna Nadin, bestselling author of the Rachel Riley series "The funniest book I've read this year, and the funniest since a new Georgia Nicolson book graced my shelves." Wondrous Reads "OMG! How much did I love Faith!!! She is so awesome and the whole book was an absolute joy to read...Perfect for fans of Louise Rennison, Sue Limb and Karen Saunders!" I Want To Read That "Strong contender for funniest book of the year so far" The Bookbag "A cracking read which made me chuckle from start to finish" The Overflowing Library "A complete gem, and an absolutely massive recommendation. Read it now! (But probably not on the bus or train, as you're likely to end up laughing hysterically and get some strange looks!)" Ya Yeah Yeah "It was brilliantly funny, so realistic and I just, I just fell in love with it okay  
Have a Little Faith has swung into my favourites of 2013 and I'm already counting down the days until book two." So Little Time For Books

### Have a Little Faith in Me

An extraordinary testimony of lives changed through kindness, courage, prayer, and grace. Lesley's heart was broken at just twenty-two, by the hopelessness she saw in the faces of little children struggling to survive extreme poverty in the Philippines. She had volunteered from England as a nurse for six months, but

stayed on to care for the street people. Now, with her husband Peter (a Filipino pastor), she has devoted her life to serving the poor, venturing into dire situations to rescue child prostitutes, criminals, addicts, and the homeless. This book tells their stories, and through them the story of God's amazing ways as Lesley established Life And More Abundant Ministries, a charity for the relief of poverty, and LAMA House, a residential home for abandoned, neglected, or abused boys. The book is filled with graphic accounts: a violent gangster made tender; a suicidal addict snatched from the brink; a teenage daughter sold into prostitution; tragedy on a colossal scale in the great earthquake that hit Luzon. There are many horror stories, but again and again they are turned around for good.

## **Tuesdays with Morrie**

The beloved bestseller from Newbery Medalist and National Book Award winner Louis Sachar (Holes), with a brand-new cover! "Give me a dollar or I'll spit on you." That's Bradley Chalkers for you. He's the oldest kid in the fifth grade. He tells enormous lies. He picks fights with girls, and the teachers say he has serious behavior problems. No one likes him—except Carla, the new school counselor. She thinks Bradley is sensitive and generous, and she even enjoys his far-fetched stories. Carla knows that Bradley could change, if only he weren't afraid to try. But when you feel like the most hated kid in the whole school, believing in yourself can be the hardest thing in the world. . . .

## **Keeping Faith**

What separates happy marriages from miserable ones? Surprisingly, it's not healthy communication. It's not conflict resolution skills. It's actually the size of the marriage's joy gap . Joy Gap/joi gap/ (n.)-1. The length of time between moments of shared joy When the joy gap gets bigger, problems are more likely to overwhelm you, resentment creeps in, and you start to feel distant and alone in your marriage. When the joy gap is smaller, you regularly feel connected and happy, problems feel manageable, and your marriage becomes a reliable source of joy. But how do you ensure that you're experiencing joy regularly? Marcus Warner and Chris Coursey have studied relationships (and neuroscience) and discovered four habits that keep joy regular and problems small. Some couples do them naturally, but anyone can learn. That's why each chapter includes 15-minute exercises that boost joy and re-train your brain to make joy your default setting. You'll learn new skills including how to: return to joy more quickly after disconnection create stronger bonds and elongate times of happiness boost your enjoyment of physical and emotional intimacy Find out what your marriage looks like after a little work and a whole lot of joy.

## **Have a Little Faith**

What would you do if you saw your whole life mapped out for you when you were only an adolescent? For some, like young Omega Corwin Sullivan, the future is ripe with promise. He loves his wolf pack, his family, and this true mate, Malic, unconditionally, and is excited about the future they'll all share together. For others, like Alpha Malic Campbell, however, the future looks like a prison cell. Malic

resents not only the looming responsibility of leading his pack and region, but also having his mate predetermined for him by fate. In rebellion, he pushes every limit and tests every boundary on his way from teen to man in a race against the proverbial hands of time. Only to discover that the man he becomes, wants something very different than the boy he once was. But will it be too late for Malic to then win back the very shifter he worked so hard to push away – his mate and his other half? As a young man, Corwin must now decide if he can recapture what his younger self so naïvely believed in – a happily-ever-after for Malic and himself – and more importantly, does he still want it? CONTENT WARNING: Explicit Sex

## **Not Your #Lovestory**

On the surface, Kaitlyn DuChamps is everything Grant Ashworth despises—a spoiled heiress with a bad attitude serving out her sentence on the farm as she tries to meet the terms of her uncle’s will. Brat or not, there’s no denying that she’s beautiful. Even as they snap at one another, he wants her, and it doesn’t take long for him to realize that there is far more to Kaitlyn than she wants the world to see. Kaitlyn wears her bad attitude like the armor that it is. She forged it herself from the ugliness, from the pain and betrayal of her past. No one gets in, no one sees the real her, and no one gets past her carefully constructed defenses. Even as she gives in to the heat between them, to a passion with Grant unlike anything she has ever experienced, Kaitlyn tries to keep her emotional distance. But Grant sees through her, digging at her secrets, chipping away at the walls and when her past comes calling, she has to decide just how much she trusts him. This book is a contemporary romance that would appeal to readers of both Erotic Romance and New Adult Romance. The book is part of a series, and reading all three books certainly gives a more complete picture, but each book can be read as a stand alone novel.

## **Beneath the Bonfire**

One woman's journey through life with faith and Faith (a two-legged dog) by her side.

## **The Five People You Meet in Heaven**

Things, however, were not as rosy as Beauty had anticipated. Her fiancée wasn't ready to take responsibility for her yet and things got worse when she gets pregnant six months to their wedding. Her fiancée is devastated and wants to abort the pregnancy. But Beauty is determined to keep the child even if it means becoming a single mother. Despite the bleak hope, she was determined to try all she could to make the future brighter.

## **All You Need is A Little Faith**

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James

Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

## **You of Little Faith**

"Life's too short. I'm not." You might know her as a Tony Award-winning Broadway star, who originated the role of Galinda the Good Witch in the smash musical *Wicked* and won a Tony for 1999's *You're a Good Man, Charlie Brown*. Or you may recognize her from her starring roles on TV -- *The West Wing*, *Pushing Daisies*, *Sesame Street*, and her Huge Hit Sitcom *Kristin* on NBC. (Huge hit. L.A. breast-implant huge. Ask either of the people who watched it.) Or maybe you saw her sexy spread in *FHM* magazine? Or her appearance on Pat Robertson's *The 700 Club*? Kristin is a wonderful collection of contradictions -- but everyone who's ever met her remembers her as the little girl with the big voice. At four foot eleven, Kristin Chenoweth is an immense talent in a petite but powerful package. In this lively, laugh-out-loud book, Kristin shares her journey from Oklahoma beauty queen to Broadway leading lady, reflecting on how faith and family have kept her grounded in the dysfunctional rodeo of show biz. The daughter of an engineer and a nurse, Kristin was singing in front of thousands at Baptist conventions by age twelve and winning beauty pageants by age twenty-two. (Well, actually she was second runner-up almost every freaking time. But, hey, she's not bitter.) On her way to a career as a professional opera singer, she stopped in New York to visit a friend and went on a whim to an audition. Through a combination of talent, hard work, and (she's quick to add) the grace of God, Kristin took Broadway by storm. But of course, into every storm, the occasional drizzle of disaster must fall. Filled with wit, wisdom, and backstage insight, *A Little Bit Wicked* is long on love and short on sleep; it's essential reading for Kristin's legions of fans and an uplifting story for anyone seeking motivation to follow his or her dreams -- over the rainbow and beyond.

## **The Gospel According to Matthew**

God isn't looking for heroes of faith. A thriving relationship with God is not built on our perfect performance but on our trust in a gracious Savior. Hebrews 11 reveals one superhero—Jesus. Our God delights in flawed followers who trust him in the daily aspects of their lives. He designed spiritual growth to be an ongoing journey of faith and delights in who you are becoming. By exploring the lives of the people mentioned in Hebrews 11, *Little Faith, Big God* will inspire you to persevere in your faith through the examples of biblical men and women who failed, got up again, finished well, and were commended by God. With biblical principles to separate false hope from real faith, present-day stories to encourage you, and guiding questions to invite personal reflection, application, and discussion, *Little Faith, Big God* will equip you to trade your self-made superhero cape for a dynamic, grace-filled relationship with our big God.

## **Have a Little Faith**

The First Phone Call from Heaven tells the story of a small town on Lake Michigan that gets worldwide attention when its citizens start receiving phone calls from the afterlife. Is it the greatest miracle ever or a massive hoax? Sully Harding, a grief-stricken single father, is determined to find out. An allegory about the power of belief—and a page-turner that will touch your soul—Albom's masterful storytelling has never been so moving and unexpected. Readers of *The Five People You Meet in Heaven* will recognize the warmth and emotion so redolent of Albom's writing, and those who haven't yet enjoyed the power of his storytelling, will thrill at the discovery of one of the best-loved writers of our time.

## **O Me of Little Faith**

"Teenage angst and daily dramas rule in this warm and funny debut about 14-year-old Faith sure to appeal to fans of Louise Rennison." *The Bookseller* "Faith is a little freaky, a little feisty and a lot funny. I defy you not to fall for her." Joanna Nadin, bestselling author of the Rachel Riley series *Year Ten* has just begun and I'm already in trouble. The way Miss Ramsbottom acts you'd think I'm always causing explosions or giving teachers' radical haircuts (whereas it was just that one time). And now she's separated me from my best friend, Megs, which means I have no one to give me a piggy back or check for dangly bogies. At least the school is trying to make amends by bussing in boys for our choir. So I can stare at Dreamy Finn until he realises I'm the girl for him... except he's singing a duet with my sworn enemy and her big head keeps blocking my view. Fortunately, I've got a plan to solve both problems; as long as I'm careful with the squeezey cheese and the underage driving everything should be just fine . . .

## **Have a Little Faith**

When Pancho arrives at St. Anthony's Home, he knows his time there will be short. If his plans succeed, he'll soon be arrested for the murder of his sister's killer. But then he's assigned to help DQ, whose brain cancer has slowed neither his spirit nor his mouth. DQ tells Pancho all about his "Death Warrior's Manifesto", which will help him to live out his last days fully - ideally, he says, with the love of the beautiful Marisol. As Pancho tracks down his sister's murderer, he finds himself falling under the influence of DQ and Marisol, and beginning to understand that there's more to life than revenge and more to death than sadness. "I love Francisco's books. They make you bigger inside after reading them" Maggie Stiefvater

## **Strawberry Shortcake: Free Comic Book Day Special**

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never

Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

## **Have a Little Faith**

Four inspirational stories include *Signs of Light*, in which a lonely woman befriends a single mom; *Faith Will Overcome*, in which a woman learns to love herself; *Maybelline*, in which a woman learns lessons about trust and priorities; and *Survival Instincts*, in which a librarian helps a reporter find forgiveness. Original. 35,000 first printing.

## **The First Phone Call From Heaven**

You may be surprised and uncomfortable to learn that there is one thing that's hurting your personal spiritual growth more than anything else: your unwillingness to give more than you're giving right now. On average, Americans give away just 3% of their income to churches and charitable causes. Perhaps you pull back because of fear that you won't have enough. Or you may feel resentful that you are asked to give at all. Either way, the result is the same and the one suffering most because of it is you. In *You of Little Faith*, pastor Ryan Thomas isn't afraid to talk about the most taboo subject in the church--money. Drawing from a multitude of biblical passages and contemporary examples, he will convince you that giving aggressively and extravagantly, beyond what you ever thought reasonable or possible, will unlock God's blessing in your life and community and strengthen your faith in a way that nothing else can.

## **Leap of Faith**

Mitch Albom's #1 New York Times bestseller *Have a Little Faith* is now a Hallmark Hall of Fame movie. Jon Avnet (Fried Green Tomatoes, The Burning Bed) directs Mitch Albom's *Have a Little Faith*. Avnet says, "I think it's essentially the story of a person—Mitch Albom—who's searching for something. It's the story of one man's journey to faith, and how he's guided on that journey by his encounters with two men who on the surface are so very different. It's a powerful story." The *Have a Little Faith* Movie Tie-in Sampler includes photos from the set of the movie, select chapters from the book, and an exclusive letter from Mitch to you, his fans! Praise for the book "An absolute wonder—tender, transporting, and deeply moving." —Scott Turow, author of *Presumed Innocent* "Albom helps show the true definition of 'Church.' It is not the building, it is the people and their faith." —Bishop T.D. Jakes, Chief Pastor, The Potter's House "Everybody should read it." —Hoda Kotb in *People*, Best Book of 2009

## **The Last Summer of the Death Warriors**

Get ready for boy dilemmas, friendship dramas and madcap grannies - Faith is

back!

## **Have A Little Faith In Me**

This is an exceptional notebook for you: Gift Notebook intelegant person Notebook duck lover

## **Have a Little Faith Movie Tie-in Sampler**

From the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone* comes an incandescent story about the resilience of the human spirit, the triumph of hope, and the meaning of home. In the rugged Pacific Northwest lies the Olympic National Forest—nearly a million acres of impenetrable darkness and impossible beauty. From deep within this old growth forest, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her western Washington hometown after a scandal left her career in ruins, child psychiatrist Dr. Julia Cates is determined to free the extraordinary little girl she calls Alice from a prison of unimaginable fear and isolation. To reach her, Julia must discover the truth about Alice’s past—although doing so requires help from Julia’s estranged sister, a local police officer. The shocking facts of Alice’s life test the limits of Julia’s faith and strength, even as she struggles to make a home for Alice—and for herself. “One of [Kristin Hannah’s] most compelling and riveting novels.”—Booklist

## **The 4 Habits of Joy-Filled Marriages**

In this moving new novel from celebrated author Nickolas Butler, a Wisconsin family grapples with the power and limitations of faith when one of their own falls under the influence of a radical church. Lyle Hovde is at the onset of his golden years, living a mostly content life in rural Wisconsin with his wife, Peg, daughter, Shiloh, and six-year old grandson, Isaac. After a troubled adolescence and subsequent estrangement from her parents, Shiloh has finally come home. But while Lyle is thrilled to have his whole family reunited, he’s also uneasy: in Shiloh’s absence, she has become deeply involved with an extremist church, and the devout pastor courting her is convinced Isaac has the spiritual ability to heal the sick. While reckoning with his own faith—or lack thereof—Lyle soon finds himself torn between his unease about the church and his desire to keep his daughter and grandson in his life. But when the church’s radical belief system threatens Isaac’s safety, Lyle is forced to make a decision from which the family may not recover. Set over the course of one year and beautifully evoking the change of seasons, *Little Faith* is a powerful and deeply affecting intergenerational novel about family and community, the ways in which belief is both formed and shaken, and the lengths we go to protect our own.

## **Little Faith**

## **Of Little Faith**

The novel "Keeping Faith by Jodi Picoult" is an enjoyable story that moves along at a good pace. It is not too quickly, but at a pace that keeps the reader engaged waiting to discover the outcome. It has a satisfactory ending which is a little predictable but ties up all the loose ends. Some of the male characters are a little too good to be true but that doesn't spoil any part of the story. The author switches between the two time periods effortlessly and easily which doesn't always happen in these kinds of books. Each storyline had a richness that was only strengthened by the comparison and contrast to the other.

## **Magic Hour**

"Saved!" meets *To All the Boys I've Loved Before* in this laugh-out-loud romantic comedy that takes a meaningful look at consent and what it means to give it. When CeCe's born-again ex-boyfriend dumps her after they have sex, she follows him to Jesus camp in order to win him back. Problem: She knows nothing about Jesus. But her best friend Paul does. He accompanies CeCe to camp, and the plan—God's or CeCe's—goes immediately awry when her ex shows up with a new girlfriend, a True Believer at that. Scrambling to save face, CeCe ropes Paul into faking a relationship. But as deceptions stack up, she questions whether her ex is really the nice guy he seemed. And what about her strange new feelings for Paul—is this love, lust, or an illusion born of heartbreak? To figure it out, she'll have to confront the reasons she chased her ex to camp in the first place, including the truth about the night she lost her virginity.

## **The 48 Laws of Power**

Strawberry Shortcake returns to comics! It's a berry special re-introduction to Strawberry Shortcake and all her pals and - maybe - a certain not-so-nice purple someone as well?!

## **Keep the Faith**

It isn't just in recent arguments over the teaching of intelligent design or reciting the pledge of allegiance that religion and education have butted heads: since their beginnings nearly two centuries ago, public schools have been embroiled in heated controversies over religion's place in the education system of a pluralistic nation. In this book, Benjamin Justice and Colin Macleod take up this rich and significant history of conflict with renewed clarity and astonishing breadth. Moving from the American Revolution to the present—from the common schools of the nineteenth century to the charter schools of the twenty-first—they offer one of the most comprehensive assessments of religion and education in America that has ever been published. From Bible readings and school prayer to teaching evolution and cultivating religious tolerance, Justice and Macleod consider the key issues and colorful characters that have shaped the way American schools have attempted to negotiate religious pluralism in a politically legitimate fashion. While schools and educational policies have not always advanced tolerance and understanding, Justice and Macleod point to the many efforts Americans have made to find a place for religion in public schools that both acknowledges the importance of faith to so many citizens and respects democratic ideals that insist upon a reasonable

separation of church and state. Finally, they apply the lessons of history and political philosophy to an analysis of three critical areas of religious controversy in public education today: student-led religious observances in extracurricular activities, the tensions between freedom of expression and the need for inclusive environments, and the shift from democratic control of schools to loosely regulated charter and voucher programs. Altogether Justice and Macleod show how the interpretation of educational history through the lens of contemporary democratic theory offers both a richer understanding of past disputes and new ways of addressing contemporary challenges.

## **JUST HAVE A LITTLE FAITH /there is a Plan to Make All of this Right**

The Vietnam War is on the nightly news and women are burning bras in the fast-changing world of the 1960s, but thirty-year old Laura wonders why her choice as a feminist couldn't be to have a baby without marriage. Laura not only has to justify her desire to her forward-thinking friends but to her fundamentally religious siblings as well. Yet, her most important mission is to find a man who will agree to impregnate her and then get out of the picture once the act is accomplished. Four narrators push along the events in *Of Little Faith*, set in 1960s Seabrook, Long Island, as three adult siblings converge in their recently deceased father's home. Laura is a 30-year-old newspaper columnist from New York. Her brother, Eric, is a compassionate minister trying to find his faith, and sister Beth is an angry and disapproving fundamentalist who is determined to hinder her siblings' desires in the name of her religion. They share the narration with Eric's wife, Jenny. Tragic secrets are revealed without resorting to high drama in this portrayal of two separate halves of counterculture and suburban banality. Readers will find *Of Little Faith* to be uplifting and heartfelt in the most surprising of ways.

## **Have a Little Faith**

Eighteen-year-old Faith takes us through the fast-paced life of a teenager in this candid book. Having grown up without her biological mother, who died when Faith was a young child, she learns to overcome her fears, form new relationships, and eventually finds love. In the background is Faith's immediate circle of friends—a group of youngsters—who are going through the adventures of falling in and out of love, discovering their passions, and growing up with their fears and ambitions.

## **Little Faith, Big God**

## **With a Little Faith**

*O Me of Little Faith* is a brutally honest, frequently hilarious look at the struggles of a self-confessed spiritual weakling. Jason Boyett invites you to ask the hard questions and remain hopeful as he examines how you doubt, why you doubt, and what (if anything) should be done about it.

## **There's a Boy in the Girls' Bathroom**

#PlaneBae meets Gilmore Girls in this hilarious and heartfelt story about the addictiveness of Internet fame and the harsh realities of going viral. Macy Evans dreams of earning enough income from her YouTube channel, R3ntal Wor1d, to leave her small, Midwestern town. But when she meets a boy named Eric at a baseball game, and accidentally dumps her hotdog in his lap, her disastrous “meet-cute” becomes the topic of a viral thread. Now it’s not loyal subscribers flocking to her channel, it’s Internet trolls. And they aren’t interested in her reviews of VHS tapes—they only care about her relationship with Eric. Eric is overly eager to stretch out his fifteen minutes of fame, but Macy fears this unwanted attention could sabotage her “real-life” relationships—namely with the shy boy-next-door, Paxton, who she’s actually developing feelings for. Macy knows she should shut the lie down, though she can’t ignore the advertising money, or the spark she gets in her chest whenever someone clicks on her videos. Eric shouldn’t be the only one allowed to reap the viral benefits. But is faking a relationship for clicks and subscribers worth hurting actual people?

## **For One More Day International Edition**

It isn’t just in recent arguments over the teaching of intelligent design or reciting the pledge of allegiance that religion and education have butted heads: since their beginnings nearly two centuries ago, public schools have been embroiled in heated controversies over religion’s place in the education system of a pluralistic nation. In this book, Benjamin Justice and Colin Macleod take up this rich and significant history of conflict with renewed clarity and astonishing breadth. Moving from the American Revolution to the present—from the common schools of the nineteenth century to the charter schools of the twenty-first—they offer one of the most comprehensive assessments of religion and education in America that has ever been published. From Bible readings and school prayer to teaching evolution and cultivating religious tolerance, Justice and Macleod consider the key issues and colorful characters that have shaped the way American schools have attempted to negotiate religious pluralism in a politically legitimate fashion. While schools and educational policies have not always advanced tolerance and understanding, Justice and Macleod point to the many efforts Americans have made to find a place for religion in public schools that both acknowledges the importance of faith to so many citizens and respects democratic ideals that insist upon a reasonable separation of church and state. Finally, they apply the lessons of history and political philosophy to an analysis of three critical areas of religious controversy in public education today: student-led religious observances in extracurricular activities, the tensions between freedom of expression and the need for inclusive environments, and the shift from democratic control of schools to loosely regulated charter and voucher programs. Altogether Justice and Macleod show how the interpretation of educational history through the lens of contemporary democratic theory offers both a richer understanding of past disputes and new ways of addressing contemporary challenges.

## **Mated: Have a Little Faith**

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives Maybe it was a grandparent, or a teacher, or a colleague.

Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

## **A Little Bit Wicked**

What if our beliefs were not what divided us, but what pulled us together In Have a Little Faith, Mitch Albom offers a beautifully written story of a remarkable eight-year journey between two worlds--two men, two faiths, two communities--that will inspire readers everywhere. Albom's first nonfiction book since Tuesdays with Morrie, Have a Little Faith begins with an unusual request: an eighty-two-year-old rabbi from Albom's old hometown asks him to deliver his eulogy. Feeling unworthy, Albom insists on understanding the man better, which throws him back into a world of faith he'd left years ago. Meanwhile, closer to his current home, Albom becomes involved with a Detroit pastor--a reformed drug dealer and convict--who preaches to the poor and homeless in a decaying church with a hole in its roof. Moving between their worlds, Christian and Jewish, African-American and white, impoverished and well-to-do, Albom observes how these very different men employ faith similarly in fighting for survival: the older, suburban rabbi embracing it as death approaches; the younger, inner-city pastor relying on it to keep himself and his church afloat. As America struggles with hard times and people turn more to their beliefs, Albom and the two men of God explore issues that perplex modern man: how to endure when difficult things happen; what heaven is; intermarriage; forgiveness; doubting God; and the importance of faith in trying times. Although the texts, prayers, and histories are different, Albom begins to recognize a striking unity between the two worlds--and indeed, between beliefs everywhere. In the end, as the rabbi nears death and a harsh winter threatens the pastor's wobbly church, Albom sadly fulfills the rabbi's last request and writes the eulogy. And he finally understands what both men had been teaching all along: the profound comfort of believing in something bigger than yourself. Have a Little Faith is a book about a life's purpose; about losing belief and finding it again; about the divine spark inside us all. It is one man's journey, but it is everyone's story. Ten percent of the profits from this book will go to charity, including The Hole In The Roof Foundation, which helps refurbish places of worship that aid the homeless.

## **Small Faith, Great God**

A revised version of his 1978 book published by Kingsway, expounding Tom Wright's view of 'Biblical Christianity.' Short chapters written in an accessible and popular style explore key issues of belief and their practical outworking in daily life.

Anecdotes and reflections backed by Tom Wright's deep biblical knowledge are presented in an easily digestible form. This reissue has been updated and also has a new foreword by the author.

## **Little Faith; or, The child of the toy stall, by the author of 'Was I right?'**

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

## **Me of Little Faith**

A biting assessment of modern religion by the Emmy-nominated Daily Show comic describes his haphazard Hebrew school education, witness to the link between faith and drugs throughout his 1960s college days, and perspective on the hypocrisy of faith-toting politicians. 150,000 first printing.

## **My Rising Star**

This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father--and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her--the day he missed and always wished he'd had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.

## **Have a Little Faith**

Nickolas Butler's debut novel, *Shotgun Lovesongs*, has become an international bestseller and won numerous accolades, including France's Prix PAGE/America. Now, in *Beneath the Bonfire*, he demonstrates his talent for portraying "a place and its people with such love that you'll find yourself falling for them, too" (Josh Weil, author of *The Great Glass Sea*). Young couples gather to participate in an annual "chainsaw party," cutting down trees for firewood in anticipation of the winter. A group of men spend a weekend hunting for mushrooms in the wilderness where they grew up and where some still find themselves trapped. An aging

environmentalist takes out his frustration and anger on a singular, unsuspecting target. One woman helps another get revenge against a man whose crime extends far beyond him to an entire community. Together, the ten stories in this dazzling, surprising collection evoke a landscape that will be instantly recognizable to anyone who has traveled the back roads and blue highways of America, and they completely capture the memorable characters who call it home.
