Believe in Yourself

This hand-book of PROSPERITY was written from the basis, that thought is a substantial influence in the world like electricity, steam, heat and light. That man can control, direct, transform and dissipate his thoughts in the same way that he manipulates the forces that are evident to his five senses. If the man who takes this book has studied psychology and metaphysics from this viewpoint, he doubtless has had proof of this thought-power. If he has not, then let him approach this book with a fair mind willing to investigate and not to judge until all the evidence is in, and a thorough trial has been given to the practices and applications, recommended. In many cases, the simple perusal of the book will be sufficient to bring about a marked change for the better in one's affairs.

The Key

This is one of Dr. Murphy's best books, on a par with his classic The Power of your Subconscious Mind. It explains the difference between the conscious and subconscious mind, and how the two work together to create the reality of the individual. As in Murphy's other books, examples are given of how people overcame problems or manifested their desires by changing their minds through belief, affirmation, and visualization. The chapters deal with: • HEALING • PRAYER • BECOMING SPIRITUAL-MINDED • THE CREATIVITY OF THOUGHT • THE MEANING OF EVIL • THE MEANING OF LIFE • CONTROLLING ONE'S FEARS • THE POWER OF SUGGESTION • MARRIAGE, SEX, AND DIVORCE In his very engaging style, the author teaches us how to use both phases of the mind synchronously, harmoniously, and peacefully in order to bring harmony, health, and abundance into our lives. He also explains that Biblical statements are parables, allegories, metaphors, similes, and cryptic statements, and are thus not to be taken literally. The main message is that we are all children of the infinite, born to win, and to live in the joyous expectancy of the best. Exclusive to and approved by the estate of Joseph Murphy

He also explains how to harness the power of mind, especially the subconscious mind. The Miracles of Your Mind

"From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth?" So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write *Our Ultimate Reality* and a concise summary of the contents contained therein. As we approach the end of a great age for humanity, increasingly more people from all walks of what we know as "life" are asking what it all means for them, for their families and for their future existence on this planet we call "Earth." *Our Ultimate Reality, Life, the Universe and Destiny of Mankind* is your complete reference and guide for realising the Divine heritage of each and every one of us as equal aspects of our Creator, a life of perfect happiness, health, abundance, fulfilment and Spiritual evolution. This book has been written in a modern, understandable, non-mystical way, setting out in a concise, logical, easy to follow format, all you need to know in order to understand, pursue and realise your own true potential during this pivotally important era. I wish you every possible success as you follow your own true destiny on the path of return to our Divine Creator from Whom we came in the beginning, and wish that this book will prove to be your valuable guide and companion.
