The Charge of the Light Brigade and Other Poems

A bestselling modern classic—both poignant and funny—about a boy with autism who sets out to solve the murder of a neighbor's dog and discovers unexpected truths about himself and the world. Nominated as one of America's best-loved novels by PBS's The Great American Read Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. He relates well to animals but has no understanding of human emotions. He cannot stand to be touched. And he detests the color yellow. This improbable story of Christopher's quest to investigate the suspicious death of a neighborhood dog makes for one of the most captivating, unusual, and widely heralded novels in recent years.

The Curious Incident of the Dog in the Night-Time

“If you read only one book this year, make sure it's this” (The Sunday Times, London): An award-winning debut novel from a rising star in Australia—a hauntingly beautiful story about the bond of brotherhood and the fragility of youth. Joe, Miles, and Harry are growing up on the remote southern coast of Tasmania—a stark, untamed landscape swathed by crystal blue waters. The rhythm of their days is dictated by the natural world, and by their father's moods. Like the ocean he battles daily to make a living as a fisherman, he is wild and volatile—a hard drinker warped by a devastating secret. Unlike Joe, Harry and Miles are too young to move out, and so they attempt to stay as invisible as possible whenever their father is home. Miles tries his best to watch out for Harry, but he can't be there all the time. Often alone, Harry finds joy in the small treasures he discovers by the edge of the sea—shark eggs, cuttlefish bones, and the friendship of a mysterious neighbor. But sometimes small treasures, or a brother's love, simply are not enough...

English in Australia

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the

shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

I told them to go into the scrub and disperse the tribe. Disperse? That is a strange word. What do you mean by dispersing? Firing at them. Two decades after a massacre of local Aboriginal people, the former residents of a Queensland town have reunited to celebrate the progress and prosperity of their community. Tom Dorahy, returning to his hometown, is having none of it: he wants those responsible to own up to their actions. A reckoning with oppression, guilt and the weight of the past, *A Kindness Cup* is one of Thea Astley's greatest achievements. Thea Astley was born in Brisbane in 1925. Her first novel, *Girl with a Monkey*, was published in 1958 and her third, *The Well Dressed Explorer* (1962), won the Miles Franklin Literary Award. Many notable books followed, among them the groundbreaking *A Kindness Cup* (1974), which addressed frontier massacres of Indigenous Australians, and *It's Raining in Mango* (1987). Her last novel was *Drylands* (1999), her fourth Miles Franklin winner. Her fiction is distinguished by vivid imagery and metaphor; a complex, ironic style; and a desire to highlight oppression and social injustice. One of the most distinctive and influential

Australian novelists of the twentieth century, Astley died in 2004. 'Smart, compassionate.' New York Times 'One of the earliest and most empathetic postwar engagements by a white Australian writer with the horrors of nineteenth-century racial violence.' Australian Book Review 'This timely and attractively priced reissue is a welcome chance to reconsider [Astley's] rich oeuvre. Astley's work is characterised by her irony and unflinching scrutiny of social injustice. In A Kindness Cup, she was at the top of her impressive form This short novel is one of Australia's finest.'
