Eebs isn't a very disciplined kitten. His mom warned him not to play in the forest, but he didn't listen. That's how he found himself in the Nether, a bizarre world inhabited by scary creatures. In the company of a ghost, almost cheerful witch, Eebs develops supernatural powers. Will this be enough to fight against Endernova's army, the Enderman, who want to rule over the Overworld? In order to save his friends, Eebs must become the champion of the Nether, as the prophecy of The Chosen One tells . . .

The Secret Night World of Cats

Cats are often thought to be solitary and hard to read, but if you know what to look for, they possess a 'secret language' that relies on expressions, body postures, and noises. This book shows how to interpret what our felines are telling us, and explains how they, in turn, interpret our body language and attempts to communicate with them.

I Love Puppies: My Secret Diary

Kittens are not cats. They have their own very specific needs and challenges. They may scratch furniture, chew on cords, and just generally cause trouble-all while looking adorably innocent. Their first year will be one in which they learn how to use a litter box; that nipping at hands and feet is not tolerated; and how to go to sleep when you do, so their play doesn't keep you up all night. It will be your job to teach them appropriate behavior. 'The Secret Language of Kittens' is your partner during this first year, your one-stop guide when looking for answers. It takes the mystery out of kitten communication, giving you the insight needed to raise a kitten into a happy, well-behaved cat. Learn to translate the vocal communication, behavior, and body language of your kitten. Understand how your kitten sees the world. Know how your attempts at communication and interaction are interpreted, and get guidance on kitten care. As this book shows, there are no bad kittens, only owners who don't yet understand their kitten's 'secret language.'

Guinea Dog

Encourage kids to live out loud and be their truest selves with this picture book from host of So You Think You Can Dance and mom Cat Deeley. Dream big, as big as the night sky full of stars. When you discover the things you love, you'll find true joy. Journey through a magical world, filled with a colorful cast of animals, where readers have endless opportunities to be themselves and find freedom in expression. They will delight in the silly humor and undeniable spirit of this rhythmic picture book—and take to heart the message that they are enough exactly as they are! Cat Deeley's debut is the perfect gift for baby showers, birthday parties, and moving-up ceremonies. Its cozy illustrations also make it an ideal bedtime book that you can read to your little one.

Pieces of My Mother

Return to the Secret Garden

From the award-winning author of SO B. IT, a story about family, friendship, and pie! When Alice's Aunt Polly, the Pie Queen of Ipswich, passes away, she takes with her the secret to her world-famous pie-crust recipe. Or does she? In her will, Polly leaves the recipe to her extraordinarily fat, remarkably disagreeable cat, Lardo . . . and then leaves Lardo in the care of Alice. Suddenly, the whole town is wondering how you leave a recipe to a cat. Everyone wants to be the next big pie-contest winner, and it's making them pie-crazy. It's up to Alice and her friend Charlie to put the pieces together and

discover the not-so-secret recipe for happiness: Friendship. Family. And the pleasure of doing something for the right reason. With *Pie*, acclaimed author Sarah Weeks has baked up a sweet and satisfying delight, as inviting as warm pie on a cold day. You'll enjoy every last bite.

The Secret Language of Cats

Have you ever wondered what your cat is saying? Cats do not meow randomly, nor do they growl or hiss because they have nothing better to do. Cat sounds have a purpose, and they can carry important messages, whether for us or other cats. Susanne Schötz is hard at work on breaking the cat code. She is a professor at Lund University in Sweden, where a long-standing research program is proving that cats do actually use vocal communication—with each other and with their human caretakers. Understanding the vocal strategies used in human-cat communication will have profound implications for how we communicate with our pets, and has the potential to improve the relationship between animals and humans within several fields, including animal therapy, veterinary medicine and animal sheltering. In *The Secret Language of Cats*, Schötz offers a crash course in the phonetic study of cat sounds. She introduces us to the full range of feline vocalizations and explains what they can mean in different situations, and she gives practical tips to help us understand our cats better.

Puppy Fun: My Secret Diary

"A story that lingers in the heart long after the last page is turned." —HOPE EDELMAN, bestselling author of *Motherless Daughters* and *The Possibility of Everything* This provocative, poignant memoir of a daughter whose mother left her behind by choice begs the question: Are we destined to make the same mistakes as our parents? One summer, Melissa Cistaro's mother drove off without explanation Devastated, Melissa and her brothers were left to pick up the pieces, always tormented by the thought: Why did their mother abandon them? Thirty-five years later, with children of her own, Melissa finds herself in Olympia, Washington, as her mother is dying. After decades of hiding her painful memories, she has just days to find out what happened that summer and confront the fear she could do the same to her kids. But Melissa never expects to stumble across a cache of letters her mother wrote to her but never sent, which could hold the answers she seeks. Haunting yet ultimately uplifting, *Pieces of My Mother* chronicles one woman's quest to discover what drives a mother to walk away from the children she loves. Alternating between Melissa's tumultuous coming-of-age and her mother's final days, this captivating memoir reveals how our parents' choices impact our own and how we can survive those to forge our own paths.

But when the children of Craven Home are evacuated out of London because of the war, heartbroken Emmie is forced to leave sweet Lucy behind. The children are sent to Misselthwaite Manor, a countryside mansion full of countless dusty rooms and a kind, if busy, staff. Emmie even finds a gruff gardener and an

inquisitive little robin that just might become new friends. And soon, in the cold, candle-lit nights at Misselthwaite, Emmie starts discovering the secrets of the house—a boy crying at night, a diary written by a girl named Mary, and a very secret, special garden. Return to the world of *The Secret Garden* with this enchanting new tale that will delight fans of the original story and new readers alike!

Tales of an 8-Bit Kitten: Lost in the Nether

Amanda climbs out her bedroom window to find her cat Tabby and enters a magical place where kittens dance beneath the moon and flying cats sail from tree to tree like bats.

Bark Park

In this sixth title in the best-selling *Masters of the Cats* series, cat shifter Opal Vanberth was young for her kind, but she knew she had an old soul. And she had always felt more comfortable with humans than her own kind. Maybe it was the fact she had been raised by a human heroin addict, or that she had been in and out of foster care for most of her life. One thing was for sure, she never expected men like River, Rhodes and Zanger to be hers. And she always worried something else would take her happiness away, as it always did. River-Wander had studied in universities unknown to humans, fought beasts that would make any man run in fear and created a warrior species, which he was the leader of, to protect the world around him. But so far, he wasn't doing a very good job of protecting his own meru. Rhodes, Zanger and River have bonded together and were determined to protect their female, even if it meant one of them must leave their fold for a dangerous mission. Can River hold his family together, knowing what his weru, Zanger, must do to survive? Or should he take his family and leave Earth all together?

Perfect Puppy: My Secret Diary

In this intriguing new series from New York Times bestselling author Ellery Adams, a quirky club in small-town North Carolina holds the keys to health, happiness, friendship—and even solving a murder—all to be found within the pages of the right book . . . Strangers flock to Miracle Springs hoping the natural hot springs, five-star cuisine, and renowned spa can cure their ills. If none of that works, they often find their way to Miracle Books, where, over a fresh-baked “comfort” scone, they exchange their stories with owner Nora Pennington in return for a carefully chosen book. That's Nora's special talent—prescribing the perfect novel to ease a person's deepest pain. So when a visiting businessman reaches out for guidance, Nora knows exactly how to help. But before he can keep their appointment, he's found dead on the train tracks . . . Stunned, Nora forms the Secret, Book, and Scone Society, a group of damaged souls yearning to earn redemption by

helping others. To join, members must divulge their darkest secret—the terrible truth that brought each of them to Miracle Springs in the first place. Now, determined to uncover the truth behind the businessman’s demise, the women meet in Nora’s cozy bookstore. And as they untangle a web of corruption, they also discover their own courage, purpose, and a sisterhood that will carry them through every challenge—proving it’s never too late to turn the page and start over . . . “Anyone who loves novels that revolve around books will savor this tasty treat.” —Library Journal, Starred Review

The Secret, Book & Scone Society

Our feline companions are much-loved but often mysterious. In *The Inner Life of Cats*, Thomas McNamee blends scientific reportage with engaging, illustrative anecdotes about his own beloved cat, Augusta, to explore and illuminate the secrets and enigmas of her kind. As it begins, *The Inner Life of Cats* follows the development of the young Augusta while simultaneously explaining the basics of a kitten's physiological and psychological development. As the narrative progresses, McNamee also charts cats' evolution, explores a feral cat colony in Rome, tells the story of Augusta's life and adventures, and consults with behavioral experts, animal activists, and researchers, who will help readers more fully understand cats. McNamee shows that with deeper knowledge of cats' developmental phases and individual idiosyncrasies, we can do a better job of guiding cats' maturation and improving the quality of their lives. Readers' relationships with their feline friends will be happier and more harmonious because of this book.
