"Stand Back," Said the Elephant, "I'm Going to Sneeze!"

In *Endangered*, the result of an extraordinary multiyear project to document the lives of threatened species, acclaimed photographer Tim Flach explores one of the most pressing issues of our time. Traveling around the world—to settings ranging from forest to savannah to the polar seas to the great coral reefs—Flach has constructed a powerful visual record of remarkable animals and ecosystems facing harsh challenges. Among them are primates coping with habitat loss, big cats in a losing battle with human settlements, elephants hunted for their ivory, and numerous bird species taken as pets. With eminent zoologist Jonathan Baillie providing insightful commentary on this ambitious project, *Endangered* unfolds as a series of vivid, interconnected stories that pose gripping moral dilemmas, unforgettably expressed by more than 180 of Flach's incredible images.

When Elephants Forget

Gerald is careful. Piggie is not. In 'Today I Will Fly', Piggie decides to take to the skies. But Gerald knows that a pig cannot possibly fly - but will that stop the determined Piggie?

Visions in Mahabharata and Bible

Who is making so much noise and how will Jackson ever get to sleep? Despite some silly, sleepy mistakes, genteel Jackson finds a fun and quiet activity for each of his noisy neighbors. He finally gets a great night's sleep—and discovers three new friends in the morning. Cozier than a mole in fuzzy pajamas, *No More Noisy Nights* is an underground, under-the covers read-aloud, perfect for calming bedtime boogety-woogeties.

Kings of the Thai Forests

Piggie introduces his reluctant friend, Gerald the elephant, to the wonderful world of pretend.

Elephants on the Rampage

Narrated by a group of friendly mice, an amusing book provides preschoolers with an introduction to manners through helpful demonstrations of when certain words and phrases such as excuse me and please, are used in social situations. This companion book to the popular Time to Pee! by the Caldecott Honoree is a book on manners, narrated by groups of bubbly mice. Includes a free board game and spinner, full color, consumable.

The Stinky Cheese Man and Other Fairly Stupid Tales

I'm a Frog! (An Elephant and Piggie Book)

All the animals are in a panic. The elephant's sneeze would blow the monkeys out of the trees, the feathers off the birds, the stripes off the zebra. Even the fish and the fly, the crocodile and the kangaroo, know what a catastrophe that sneeze would be. "Please don't sneeze!" they beg. . . . The classic story of an enormous sneeze in the marking, told in sprightly nonsense verse, has been newly illustrated in full color to delight a new generation of fans.

Leveled Books (K-8)

SHOCK AND AWE Mischief is on the wing and perhaps deliverance for a flock of San Francisco, fringe-dwelling creatives. A precocious and rebellious African grey parrot lands on the shoulder of an elephant whisperer and begins to spout about the Bush White House and Saddam Hussein, soon provoking a madcap, desperate blackmail attempt. "A beautiful story that evokes radical Berkeley, the magic of the Sacramento estuary, and life among a memorable family of performers in San Francisco's North Beach." -- Phil Aaberg, award-winning composer and musician "A riveting story about America that harkens back to the rise and fall of Vedic Civilization. It relates the story of the weightless Hamsa Swans, the baffling disappearance of the Sarasvati River—and most beautifully—the role of elephants

as guardians of the Floodplain of Natural Wonder." -- Satish Kumar, Resurgence Editor "So rich with the details of elephant consciousness and why we must do everything in our power to stop their abuse." -- Katherine Connor, Founder, Boon Lott's Elephant Sanctuary "An abomination. The bird must be silenced." -- Richard Nixon (as channeled by Nixon actor, Darrell Duffey) "SADDAM'S PARROT looks deep into the soul of animals, helping us realize our great mission to protect them. What a beautiful, lyrical story." -- Dagy Galliethner-Steiner, equine artist

Frog and Toad Are Friends

Trace Series Book 3 As far as Trace was concerned, New York was a lousy place to visit, and an even worse place to make a living. But the insurance company that employed him had sent him to Manhattan to check out a death in a Family that made the Mafia look like the Waltons. And to add an extra twist of trouble, Trace's girlfriend, Chico, came along to keep him on the straight and narrow while she explored the far-out kicks of fun city. In a town where every woman seemed available at the price of peril where a blizzard of cocaine was burying users and pushers alike and where the answer to the most polite question was a quick kick in the teeth the freest free-lance investigator of them all found the Big Apple pure poison when he cut to the core of a crime that nobody wanted solved..

I'm a Frog!

When Gerald the elephant and Piggie realize that they are in a book, they decide to have some fun with the reader.

Animal Welfare

"Piggie really likes slop. She likes it so much, she wants Gerald to try some! But can Gerald find the courage to do it? Or will the smell alone be too much to handle?"--

Leave Me Alone Immediately! I Am Coloring!

Elephant Valley: Love Tested is a realistic fiction novel that is a love story, tragedy and eye-opener to the global crisis of HIV/AIDS. The multi-dimensional plots in this book explore hard hitting matters such as: * The impact of hip-hop culture on HIV transmissions; * The role and responsibility of urban churches in addressing the rapid spread of the disease; * The atrocities that are being faced in Africa as a result of AIDS; * Conspiracy theories that are perpetuated surrounding HIV; * The need for testing and a reduction in HIV transmissions. The information is real and relevant; and the "edutainment" approach used to convey the knowledge is brilliant. At its root, Elephant Valley: Love Tested is a love story between two stars who have the fame and power to literally impact the nations with their music. But it doesn't take long before crisis breaks out and challenges them to search themselves for a deeper message to the world beyond their music. At its highest point, Elephant Valley: Love Tested is a tragedy that reveals the depth of the pain and suffering that so many are facing as a result of AIDS. The question becomes, is the suffering self-induced or is it being inflicted upon individuals; and if so by

whom? At its core; Elephant Valley: Love Tested is an arsenal that is loaded with viable solutions to these unanswered questions about the global crisis that has violently assaulted so many. This page turning novel is filled with faith and hope; and possesses an inspiring message that reaches and teaches across the boundaries of age, race, sexual orientation and economic status. Elephant Valley: Love Tested is a picture of what it means to have love tested on many levels- and to triumph. At the same time, it is an experience that will leave you asking yourself, has your love been tested?

Listen to My Trumpet!

Mo Willems, creator of the revolutionary, award-winning, best-selling Elephant & Piggie series, is back with another breakout beginning-reader series. This time, an ensemble cast of Squirrels, acorns, and pop-in guests host a page-turning extravaganza! Each book features a funny, furry adventure AND bonus jokes, quirky quizzes, nutty fact formats, and so, so many squirrels! In I Lost My Tooth!, Zoom Squirrel has lost a front tooth! The Squirrels leap into action when they discover the missing tooth is a baby tooth! Do you know more about teeth than the Squirrels do? You will by the end of this book!

Elephant Coloring Book for Adults

Celebrate the power of friendship in these five adventurous stories starring Frog and Toad—a Caldecott Honor Book! From writing letters to going swimming, telling stories to finding lost buttons, Frog and Toad are always there for each other—just as best friends should be. Frog and Toad Are Friends is a Level Two I Can Read book, geared for kids who read on their own but still need a little help. Whether shared at home or in a classroom, the engaging stories, longer sentences, and language play of Level Two books are proven to help kids take their next steps toward reading success. The classic Frog and Toad stories by Arnold Lobel have won numerous awards and honors, including a Newbery Honor (Frog and Toad Together), a Caldecott Honor (Frog and Toad are Friends), ALA Notable Children's Book, Fanfare Honor List (The Horn Book), School Library Journal Best Children's Book, and Library of Congress Children's Book.

Endangered

Gerald the elephant, who "knows parties," gives his best friend, Piggie, advice for getting ready after Piggie receives her very first party invitation.

I Lost My Tooth!

When Lucas and Niara first became friends when he was just a toddler, he could never have imagined the adventures they would go on, or the ways they would change each other's lives. Lucas is a typical ten year old boy, who for as long as he can remember, has had a pet elephant no one else can see. It isn't until the night before his first day of fourth grade he realizes how real she truly is, when he starts visiting her in Africa almost every night in his dreams. Struggling with being teased at school, his visits to Africa become a welcome escape, but as he spends more

time there he finds out there are much bigger problems on the other side of the world. Tsavo Dreams is a story about how the unconditional friendship of two friends can overcome anything. That just because you're a kid, it doesn't mean you can't change the world around you and make it a better place.

Pigs Make Me Sneeze!

WRITE IT DOWN - Goals that are not in writing are not goals at all and could end up as discarded wishes. When you write it down, you take it out of the air and make it real. Write it out in great detail without any concern about how you will achieve it. Just be sure that it is what you want - in every detail. Then begin to think about them all the time. Brian Tracy

Henry in a Hurry

Did you know that elephants are highly regarded in Thailand because of the role they play in culture and history? They are gentle beings that need your care and attention too. Introduce them to your children as early as today through this themed coloring book. Coloring raises awareness on the animal's existence while helping your child form the basics of writing. Grab a copy now!

Tsavo Dreams

Henry's rushed approach to life creates problems at every turn. Readers will enjoy following Henry through his day to see if he discovers the importance of doing things carefully.

The Elephants in the Room

For some years, I loved and lost beta fish, twelve tanks of them, whom I tended and watched, knowing they live not more than five years in captivity. I thereby helped myself to accept my age. As I used the fish to try and get used to departure, waning and weakness, hanging on, and finally the sudden stiffness and pallor that signals life has ended, I felt a connection and gratitude to these small and almost always beautiful beings. I wrote about them, and the writing became more and more testimonial. One of my cousins could not imagine how I could have a pet I could not even touch. But these pets were different: my fish are about going on in straitened circumstances. These poems are a record of my wonder and my thanks and admiration.

I Am Going! (An Elephant and Piggie Book)

Religious tolerance is a must today. Majority of the problems in our society is caused by religious fanaticism. One of the reasons for religious fanaticism is ignorance. Since we do not know about other religion fully, we often show our animosity in holding the claims to the truth of one religion as superior to other religion. Therefore religious fanaticism starts from supremacism. Every religion is culture-specific and it only reflects the geographical, political and cultural worldview of a particular time and people; even the applicability of the original

doctrines and, the customs and rituals associated with every religion is questionable in the modern times. If that is the case, why do people fight in the name of religion? The famous Indian tale 'The Blind men and an Elephant' goes like this: A king called few blind men to the palace, and asked them to describe an elephant. When each blind men felt a part of the elephant, they started to describe the animal: the elephant is like a pot claims a blind man who felt the elephants' head; it is like a winnowing basket, asserted another who touched the ear; oh no, it is like a ploughshare argued another blind man who happen to touch the tusk, a pillar declared another etc etc. The blind men cannot reach an agreement and started to fight among themselves. The book narrates visions in two major scriptures. Mahabharata and Bible - the sacred books of two different religions belong to the very constitutive structure of the society in which these religions originated. For Mahabharata, human being's initiative takes them to the supreme reality. However, for the Semitic culture, it is not so, it is God who takes the initiative and the contact with the Supreme Being is a grace (free gift of God). This is a real contrast. One begins from below (human beings) the other comes from above (God). But both have the same objective, the vision of God. Both explain this objective with myths, fables, folklores, stories etc. etc. We have here two ways of approaching the one reality. Both are valid within their different cultural contexts. The battle against religious fanaticism of all hues that threatens our global society today is not an easy task. Communal peace and harmony is possible if people can overcome their narrow mindedness and selfish motives and above all acquire clear knowledge about the philosophy of different religions; an enhanced education on religion and religious doctrines are needed.

Elephant Blank Journal

Conservative Americans are now having a difficult time defining what their ideology is. The Republican Party is in the midst of an inner struggle to understand itself and communicate their message to the American electorate. Republicans ask themselves questions about how to get elected, what policies and programs to adopt in order to appeal to segments of the electorate lost to them. They seem willing to advocate any movement or plans that might bolster "electability." American conservatives are engaged in both a psychological as well as a practical struggle to redefine themselves. In response to these crises, conservatism has increasingly become movement oriented and less authentically conservative. Republicans now are either more progressive or more reactionary than they are conservative, as they attempt to redefine their political ideology and maintain relevancy and legitimacy amongst the general public.

Today I Will Fly!

Man controls and dominates the habitat of most animals, both domestic and wild and there is a need for a pragmatic, workable approach to the problem of reconciling animal welfare with economic forces and the needs of man. It is the author's contention that much of the current philosophical discussion of animal welfare is misdirected now that it is possible to measure to some extent what animals think and feel and how much they can appreciate their quality of life. The book deals with farm animals, pets, wild animals and laboratory animals and dicusses their environmental requirements, fear and stress, their response to pain,

injury, disease and death, behaviour and aggression, and the implications of biotechnology and genetic engineering. Finally, the book tries to reconcile reverence for life with the inescapability of killing and reviews the prospects of preserving and enhancing quality of life for animals through legislations, education, economic and moral incentives.

Saddam's Parrot

Gerald believes he is allergic to his best friend! Will he have to stay away from Piggie forever?

The Elephant Who Couldn't Remember

Fountas & Pinnell take you through every aspect of leveled books from how to select and use them for different instructional purposes to prototype descriptions for fiction and nonfiction books at each level.

I Am Invited to a Party!

I Really Like Slop!

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. In I'm a frog! Piggie has some ribbiting news! Can Gerald make the leap required to accept Piggie's new identity?

Boys' Life

When a naked baby boy wanders into the cave of Father Wolf, Mother Wolf and their four cubs, Mother Wolf decides to keep him. Follow this exciting short story by Rudyard Kipling, from his original collection, The Jungle Book. A human boy raised by a family of wolves proves to be an exciting learning experience. This charming classic is recommended by The Gunston Trust for Nonviolence in Children's Literature. Ages 5-12.

Elephant Valley

Korean edition of the winner of the Caldecott Honor Book (1993), THE STINKY CHEESE MAN AND OTHER FAIRLY STUPID TALES by Jon Scieszka, illustrated by Lane Smith. New parody version of this fascinating and humorous book retells the 10 juvenile's favorite fairy tales, narrated by the ubiquitous Jack (from the Jack and the Beanstock). All of the stories finishing with different endings than the traditional version give children readers sarcastic fun and an open-mind to look at things with a different perspective. In Korean. Annotation copyright Tsai Fong Books, Inc. Distributed by Tsai Fong Books, Inc.

No More Noisy Nights

When Piggie plays her new trumpet for Gerald, the elephant decides he must be honest in his response.

The Archaeologist

Forget Me Not has trouble remembering things, but when his mom asks him to run to the store, saying that she has confidence in him, he agrees, for he knows that today is a special day, even if he can't remember why.

How to Tell a Prince from a Frog

The Slave Factory

This book is for you if you have ever wondered about BDSM practices and sexual servitude. The Slave Factory was ranked in the Amazon Hot 100 List of New Releases for erotica - See why! The Slave Factory is Volume One of The Slave Factory Trilogy. Volume Two: The Slave Factory: Exposed! is on sale now, Volume Three: The Slave Factory: Total Power Exchange will be released by mid-September 2013. "I think I know what you are referring to," said James, after Tonya had asked him if he had ever heard of The Slave Factory. "If you mentioned Per il piacere del Maestro to a hundred thousand different people around the world, you would be hard pressed to find one person who would know what you're talking about," declared James. This is how The Slave Factory begins. It is the story of Tonya's journey of self-discovery as she and an eclectic group of fellow students undergo six-months of focused and brutal reshaping, guided by the Masters and Mistresses of the arts of sex, bondage, discipline, and submission and the love to serve within the walls of a place known only as The Academy. Each student spent years under the watchful eye of the secret company that traced its origins to ancient history and beyond. Only the best were selected from the final review of candidates, only the best of those were selected to be trained and sold as slaves to the wealthy and the powerful. The Slave Factory trains the students in all aspects of BDSM, Sex, and Social Acceptability. Question: Would you sell yourself into a year of sexual and submissive servitude for a few million dollars? What limits would you impose (if any) on what your Master demands from you? The Slave Factory is over 300 pages of sex, bondage, and maybe a little romance tossed in here and there. One reader stated "It was a good read. Well told and fast paced. Once I got started on it I was a 100 pages into it before I realized it." Caution: This story contains scenes involving explicit sexual contact and numerous depictions of BDSM activities. Recommended for Adults eighteen or over.

Frogs

As I sit and ponder on the goodness and the mercies of God, I hope these insights of facing the truth about the Elephants in the rooms of our lives will connect us to the peace of God. To get a clear understanding of what positions should be used to exercise Godly wisdom that will produce effective solutions that can deliver us from our fears, differences, and or challenges that we face daily is very important. I pray this book can be used as a mirror to look inside of your heart and soul to

evaluate when, where and how God will use your circumstances for your good as well as show you how to respond to others without whispering, gossiping, slandering and or projecting negativity. Rather, it's my hope you will inspire an atmosphere that everyone can thrive in humility. For there is nothing impossible with God no matter how many Elephants are in the room!"

Mowgli's Brothers

A hundred years in the future, twelve-year-old Nigella receives a shipment from her deceased grandfather. Her inheritance is a herd of micro-elephants. While a lot of her friends have micro-pets, Nigella is at a loss on how to care for them. Why are her micro-pets so different from everyone else's? What was her grandfather up to? With the help of her best friend, Kepler, the girls set off on an adventure to discover the truth.

Elephants Never Forgotten

Did you ever wonder how you could tell the difference between the good guys and bad? Once you can, what do you do? Most importantly, what do you need to be to live the most satisfied and productive life, and to attract the right kind of guy (Prince) while avoiding the wrong (the Frog)? The author, along with countless women and law enforcement officers, offers a guide on the single girl who is singleminded in her search for Prince Charming. Christine Kerrick reveals stories and techniques used by professionals to get the most information from a date to make the most informed decision for your future.

American Agriculturist

A whimsical, fanciful collection of stories, poems, folklore, anecdotes, and facts about frogs--their habits, weaknesses, wisdom, powers, and private lives--is illustrated with sketches and paintings from varied sources

We Are in a Book! (An Elephant and Piggie Book)

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald and Piggie are best friends. In I Am Going!, Piggie ruins a perfectly good day by telling Gerald she is going. If Piggie goes, who will Gerald skip with, play Ping-Pong with, and wear silly hats with? Willems's Geisel Award-winning duo continues to delight readers with their silly shenanigans. Packed full of humor and heart, the Elephant & Piggie Books are vetted by an early-learning specialist and early learners themselves, so they'll be right on target for new readers.

Time to Say "Please"! (with game board)

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.
