known and loved her entire adult life, and the best part of her teen years. Autumn and Blake Whitherspoon, college sweethearts, pledged their lives together: But after 20 years of an inseparable union, tragedy strikes, forcing Autumn to face unnerving changes. Though challenges lie ahead for Autumn and their children, she knows that she has the immeasurable support. For many years Autumn had been pestered by her four tenacious friends, April, Ty, Sydney and Hillari, to move to Austin Texas, though they knew it was improbable. If a hurricane lifted Blake up and dropped him right in the heart of Austin, he would try to claw his way back to Arkansas. Autumn loved her life with Blake and their three children, and though she loved her friend as well, nothing and no one was more important. Now faced with life altering decisions, she decides to pay her friends a visit, without informing them of any her final plans. She knew that they would be thrilled that she had come . In the midst of her travel she encounters an unexpected incident and is saved by a Good Samaritan. An act of kindness and an act of gratitude, forever changes two lives. The mysterious Samaritan, whom only introduced himself as Matt, comes to her rescue. Matt, husband, father and a renowned artists and workaholic struggles to put his life back on track after the tragic lost of his wife and son, less than three years ago. He has several women in his life, including family members and friends. Though having a special love in his life is questionable. Matt swore to never love again, and had little hope of ever finding it. As soon as Matt and Autumn begin to piece their live back together, their past and present lives collide. And because of their love for God, they have to make heart-ripping choices,

Of Everything I Once Loved is the next book in the series of stream of consciousness poetry that immediately follows All Out War. Picking up where we left off, Taylor has just been released from incarceration and so begins a 36-month term of felony probation. Figuring out who we really are later in life is often about discarding all of the things we've stacked upon us along the way. Of Everything I Once Loved is letting go. When we clear the clutter of the past away, under all the shit we've collected, there lies a beautiful beaming gem. To find this marvel of life is a gift we can continue to discover, over and over again.

Working Mother

All roads lead to home. It's easy to go through life believing that we can satisfy our longing for home with a three-bedroom, two-bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years. But ultimately, in our deepest places, we're really looking to belong and to be known. And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life, God is at work in the journey, teaching us, shaping us, and refining us—sometimes through the most unlikely people and circumstances. In *Home Is Where My People Are*, Sophie Hudson takes readers on a delightfully quirky journey through the South, introducing them to an unforgettable cast of characters, places, and experiences. Along the way, she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth. Nobody embodies the South like Sophie Hudson, and this nostalgic celebration of home is sure to make even those north of the Mason-Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who—related or not—have come to represent home. Because at the end of the day, it's not the address on the front door or even the name on the mailbox that says home, but the people who live and laugh and love there, wherever there might happen to be.

Hearts

"I hate the dead. They have no self-control" - Sera. She is ghula - one of the extremely long-lived though not immortal flesh eaters whose lives can end in only one way - in resurrection as a hungry, ambulatory corpse who will spend the short days of its unlife rotting, eating, and infecting as many as possible. Sera compares her life to a dark comedy - trapped with an unwanted pregnancy for the past 600 years, constantly afraid that the fetus will die and go zombie in-utero, always cold and constantly running a fever like every other ghoul on the planet. Luckily, two things in life sustain her: her joy in hunting and destroying the Dead, and the constant seeking of comfort in warmth.

Quartets for All

In the early part of my life, having read many books in favour of Ghosts and Spectral Appearances, the recollection remained so strong in my mind, that, for years after, the dread of phantoms bore irresistible sway. This dread continued till about my twenty-third year, when the following simple affair fully convinced me, how necessary it was thoroughly to investigate every thing that tended to supernatural agency, lest idle fear should gain a total ascendancy over my mind. About this period, I had apartments in a large old-fashioned country mansion. From

my bed-chamber was a secret door leading to a private staircase, which communicated with some of the lower rooms. This door was fastened both within and without; consequently all fear of intrusion from that quarter was entirely removed. However, at times, I could not help ruminating on the malpractices that might have been committed by evil-disposed persons, through this communication; and "busy meddling fancy" was fertile in conjuring up imaginary horrors.
