Daisy Bell Catherine Brown was only eight years old in 1880, when her physician father, her mother, grandmother, siblings and other relatives decided to join the wagon train in May Day, Kansas, and head for Oregon on the Old Oregon Trail. This is her story, which she began writing seventy-two years later when she was eighty years old. In the meantime, she married three times: First to David Pier, at the age of sixteen, to whom she bore eight children. When he died, she married Al Goldsby, and after his death, Charles Ackley, whom she also outlived. She died at the age of ninety-three. Daisy saw it all, from a wagon train crossing the plains to astronauts in space. She tells how it was on the American frontier, when men were men and women were glad of it. "A remarkable story by a remarkable lady, who is much revered by her hundreds of descendants." --Her grandson, Joseph Pierre who edited and illustrated the book

### **White Squall**

A heartfelt contemporary middle grade novel about a girl who must try to save her aunt's failing pie shop, perfect for fans of *The Thing About Jellyfish*, *Fish in a Tree*—and *The Great British Baking Show*. When Cady Bennett is sent to live with the aunt she didn't even know she had in the quaint mountain town of Julian, she isn't sure what to expect. Cady isn't used to stability, after growing up homeless in San Diego with her dad. Now she's staying in her mother's old room, exploring the countryside filled with apple orchards and pie shops, making friends, and working in Aunt Shell's own pie shop—and soon, Cady starts to feel like she belongs. Then she finds out that Aunt Shell's shop is failing. Saving the business and protecting the first place she's ever really felt safe will take everything she's learned and the help of all her new friends. But are there some things even the perfect pie just can't fix? *Summer of a Thousand Pies* is a sweet and satisfying treat of a novel full of friendship, family, and, of course, pie.

In *Love Undocumented*, Quezada takes readers on a journey deep into the world of the U.S. immigration system. Follow her as she walks alongside her new friend, meets with lawyers, stands at the U.S.-Mexico border, and visits immigrants in detention centers. With wisdom from Scripture, research, and these experiences, Quezada explores God's call to welcome the stranger and invites Christians to consider how to live faithfully in a world of closed doors and high fences. Is it possible to abandon fear and cultivate authentic relationships with new arrivals? What if hospitality to immigrant and refugee neighbors puts us at personal risk? How can churches create safe spaces for those living at the precarious edge of our society? With Quezada as your guide, discover a subversive Savior who never knew a stranger. Get to know the God of the Bible, whose love and grace cross all borders. Respond to an invitation to turn away from fear and enter a bigger story.

### **Coloring Book of Shadows: Planner For A Magical 2020**

Inspired by true events, in Sofia Grant's powerfully moving new novel a young woman peels back the layers of her family's history, discovering a tragedy in the past that explains so much of the present. This unforgettable story is one of hope, healing, and the discovery of truth. Sometimes the untold stories of the past are the ones we need to hear When Katie Garrett gets the unexpected news that she's received an inheritance from the grandmother she hardly knew, it couldn't have come at a better time. She flees Boston—and her increasingly estranged husband—and travels to rural Texas. There, she's greeted by her distant cousin Scarlett. Friendly, flamboyant, eternally optimistic, Scarlett couldn't be more different from sensible Katie. And as they begin the task of sorting through their grandmother's possessions, they discover letters and photographs that uncover the hidden truths about their shared history, and the long-forgotten tragedy of the New London school explosion of 1937 that binds them. .

### **The Last Drop of Blood**

Lisa Berne's Penhallow Dynasty series continues as a Highlander marries against his will— and discovers he may have found the perfect bride Alasdair Penhallow, laird of his clan and master of Castle Tadgh, is forced to end his carefree bachelorhood, thanks to an ancient decree that requires him to marry. But Alasdair's search for a biddable wife comes to a screeching halt when Fate serves up Fiona Douglass. Prickly as a thistle, Fiona challenges him at every turn, rendering herself surprisingly irresistible. Her love would be a prize indeed . . . if Alasdair could accept it. Fiona gave her heart once, and doesn't plan to repeat that folly. Yet she finds herself drawn to Alasdair's intelligence and strength, and the passion he incites goes well beyond her expectations for what's only a marriage of expedience. Despite herself, she's falling in love with her husband. But there's a high wall between them—and Fiona's not sure it can ever be torn down.

Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Painting can be so much more than a mere hobby - it can be a vehicle transforming your mind, body, and spirit! Painting and bravely embracing the challenges of creativity sparks a revolution that involves heart, creativity, courage, and trust! Artistic pursuits such as painting have the power to soothe, heal, and connect a person to their truest self. For author Flora Bowley, making art and expressing herself creatively have always served as potent forms of personal evolution and holistic healing. Creative Revolution is the reader's key to unlocking the door to their own personal journey while making beautiful art. Creative Revolution is the culmination of Flora's life's work as an artist, offering guidance for others to embrace their authentic selves through paint. She has taught more than sixty workshops since she wrote her first book, Brave Intuitive Painting, and has witnessed miraculous things when people engage with the intuitive painting process. Creative Revolution is the next best thing to taking a course from Flora. Many readers and students can't help but exclaim, "This was about so much more than painting!" After reading Creative Revolution, readers will have a deeper connection to their intuition, increased confidence to make bolder choices, freedom to let go and explore various options, an understanding that everything is transformable, the trust that it will all work out in the end, and a renewed sense

A MURDERED BEGGAR On the streets of Cork, homeless men and women are being murdered. It's up to DS Katie Maguire to find out. A CRUSADER AGAINST CRUELTY Katie's fiancé is embroiled in a dangerous battle: against illegal dog fighting, a black market run by Ireland's most fearsome gangs. When the investigations collide, who will Katie save first? She knows that for those left behind, there's only one choice: START BEGGING TO DIE.

#### **Everything Under**

In Learning to Be Latino, sociologist Daisy Verduzco Reyes paints a vivid picture of Latino student life at a liberal arts college, a research university, and a regional public university, outlining students' interactions with one another, with non-Latino peers, and with faculty, administrators, and the outside community. Reyes identifies the normative institutional arrangements that shape the social relationships relevant to Latino students' lives, including school size, the demographic profile of the student body, residential arrangements, the relationship between students and administrators, and how well diversity programs integrate students through cultural centers and retention centers. Together these characteristics create an environment for Latino students that influences how they interact, identify, and come to understand their place on campus. Drawing on extensive ethnographic observations, Reyes shows how college campuses shape much more than students' academic and occupational trajectories; they mold students' ideas about inequality and opportunity in America, their identities, and even how they intend to practice politics.

After the collapse of the Soviet Union, Russia witnessed a dramatic increase in psychotherapeutic options, which promoted social connection while advancing new forms of capitalist subjectivity amid often-wrenching social and economic transformations. In *Shock Therapy* Tomas Matza provides an ethnography of post-Soviet Saint Petersburg, following psychotherapists, psychologists, and their clients as they navigate the challenges of post-Soviet life. Juxtaposing personal growth and success seminars for elites with crisis counseling and remedial interventions for those on public assistance, Matza shows how profound inequalities are emerging in contemporary Russia in increasingly intimate ways as matters of selfhood. Extending anthropologies of neoliberalism and care in new directions, Matza offers a profound meditation on the interplay between ethics, therapy, and biopolitics, as well as a sensitive portrait of everyday caring practices in the face of the confounding promise of postsocialist democracy.

### **Myth & Magic**

NEW YORK TIMES BESTSELLER “An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious.” —The New York Times Book Review From stand-up comedian, actress, and breakout star of *Girls Trip*, Tiffany Haddish, comes *The Last Black Unicorn*, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite

still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, *The Last Black Unicorn* shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter.

**SHORTLISTED FOR THE 2018 MAN BOOKER PRIZE** An eerie, watery reimagining of the Oedipus myth set on the canals of Oxford, from the author of *Fen* The dictionary doesn't contain every word. Gretel, a lexicographer by trade, knows this better than most. She grew up on a houseboat with her mother, wandering the canals of Oxford and speaking a private language of their own invention. Her mother disappeared when Gretel was a teen, abandoning her to foster care, and Gretel has tried to move on, spending her days updating dictionary entries. One phone call from her mother is all it takes for the past to come rushing back. To find her, Gretel will have to recover buried memories of her final, fateful winter on the canals. A runaway boy had found community and shelter with them, and all three were haunted by their past and stalked by an ominous creature lurking in the canal: the bonak. Everything and nothing at once, the bonak was Gretel's name for the thing she feared most. And now that she's searching for her mother, she'll have to face it. In this electrifying reinterpretation of a classical myth, Daisy Johnson explores questions of fate and free will, gender fluidity, and fractured family relationships. *Everything Under*—a debut novel whose surreal, watery landscape will resonate with fans of *Fen*—is a daring, moving story that will leave you unsettled and unstrung.

### **One in a Million**

The final thriller in the million-copy-selling Katie Maguire series. In the driver's seat of a Jaguar, on a country road, a good man burns. Justice Garrett Quinn should have been at a sentencing. He was one of the good ones, fighting for order in a lawless world. In a burned-out car, on the outskirts of Cork, DS Katie Maguire finds what's left of him. But this is only the beginning. The judge's death sparks a gang war fought with bullets and bombs, and civilians are caught in the crossfire. As the city spirals deeper into violence, Ireland's most fearless detective must find the courage to fight for her hometown one last time. Katie Maguire is no stranger to sacrifice – but she has lost so much already. Facing new horrors each day, Katie must decide: can she do her duty when she has nothing left to give? I'll Give You the Sunmeets True Detectivein this brilliant YA debut about saints, sisters, and learning to let go. Tess da Costa is a saint-a hand-to-god, miracle-producing saint. At least that's what the people in her hometown of New Avon, Massachusetts, seem to believe. And when Tess suddenly and tragically passes away, her small city begins feverishly petitioning the Pope to make Tess's sainthood official. Tess's mother is ecstatic over the fervor, while her sister Callie, the one who knew Tess best, is disgusted-overcome with the feeling that her sister is being stolen from her all over again. The fervor for Tess's sainthood only grows when Ana Langone, a local girl who's been missing for six months, is found alive at the foot of one of Tess's shrines. It's the final straw for Callie. With the help of Tess's secret boyfriend Danny, Callie's determined to prove that Tess was something far more important than a saint; she was her sister, her best friend and a girl in love with a boy. But Callie's investigation uncovers much more than she bargained for—a hidden diary, old family secrets, and even the disturbing truth behind Ana's kidnapping. Told in alternating perspectives, A Psalm for Lost Girls is at once funny, creepy and soulful—an impressive debut from a rising literary star.

Pearl's job is to make people happy. As a technician for the Apricity Corporation, with its patented happiness machine, she provides customers with personalized recommendations for greater contentment. She's good at her job, her office manager tells her, successful. But how does one measure an emotion? Meanwhile, there's Pearl's teenage son, Rhett. A sensitive kid who has forged an unconventional path through adolescence, Rhett seems to find greater satisfaction in being unhappy. The very rejection of joy is his own kind of "pursuit of happiness." As his mother, Pearl wants nothing more than to help Rhett--but is it for his sake or for hers? Certainly it would make Pearl happier. Regardless, her son is one person whose emotional life does not fall under the parameters of her job--not as happiness technician, and not as mother, either. Told from an alternating cast of endearing characters from within Pearl and Rhett's world, Tell the Machine Goodnight delivers a smartly moving and entertaining story about the advance of technology and the ways that it can most surprise and define us. Along the way, Katie Williams playfully illuminates our national obsession with positive psychology, our reliance on quick fixes. What happens when these obsessions begin to overlap? With warmth, humor, and a clever touch, Williams taps into our collective unease about the modern world and allows us see it a little more clearly.
