The Art of Pixar: 25th Anniversary

Held prisoner by the Germans during World War II, a wealthy French lawyer is chosen to die but makes a cowardly trade for his life, a decision that he must pay for as a free man. Reprint.

Minions: The Junior Novel

The bold, bright colors of India leap right off the page in this fresh and funny picture book adaptation of how Ganesha came to write the epic poem of Hindu literature, the Mahabharata. Ganesha is just like any other kid, except that he has the head of an elephant and rides around on a magical mouse. And he loves sweets, especially the traditional dessert laddoo. But when Ganesha insists on biting into a super jumbo jawbreaker laddoo, his tusk breaks off! Ganesha is terribly upset, but with the help of the wise poet Vyasa, he learns that what seems broken can actually be quite useful after all. With vibrant, graphic illustrations, expressive characters, and offbeat humor, this is a wonderfully inventive twist on a classic tale.

Kubo and the Two Strings Malbuch

Offering compassionate and carefully considered theological and pastoral responses to dementia and forgetfulness, John Swinton redefines dementia in light of the transformative counter story that is the gospel.

Oh Myyy!

"How did a 75-year old Star Trek actor become a social media juggernaut with nearly four million fans on Facebook? Why does everything he posts spread like wildfire across the ether, with tens to hundreds of thousands of likes and shares? And what can other sites, celebrities, brands and companies do to attain his stratospheric engagement levels, which hover near 100 percent while most languish in the single digits? In this candid, hilarious and informative book, Takei recounts his experiences on platforms such as Twitter, YouTube and Facebook, where fans and pundits alike have crowned him King. He muses about everything from the nature of viral sharing, to the taming of Internet trolls, to why Yoda, bacon and cats are such popular memes. Takei isn't afraid to tell it likes he sees it, and to engage the reader just as he does his legions of fans. Both provokingly thoughtful and wickedly funny, Oh Myyy! captures and comments upon the quirky nature of our plugged-in culture. With Takei's conversational yet authoritative style, peppered with some of his favorite images from the web, readers should be prepared to LOL, even as they can't help but hear his words in their heads in that unmistakable, deep bass."--Back cover.

They hope this sacrifice will keep her from terrorizing their town. But the witch in the Forest, Xan, is kind. She shares her home with a wise Swamp Monster and a Perfectly Tiny Dragon. Xan rescues the children and delivers them to welcoming families on the other side of the forest, nourishing the babies with starlight on the journey. One year, Xan accidentally feeds a baby moonlight instead of starlight, filling the ordinary child with extraordinary magic. Xan decides she must raise this girl, whom she calls Luna, as her own. As Luna's thirteenth birthday approaches, her magic begins to emerge--with dangerous consequences. Meanwhile, a young man from the Protectorate is determined to free his people by killing the witch. Deadly birds with uncertain intentions flock nearby. A volcano, quiet for centuries, rumbles just beneath the earth's surface. And the woman with the Tiger's heart is on the prowl . . .

Sweet Blood of Mine

Walt Disney Animation Studios' Big Hero 6 is the story of Hiro Hamada, a brilliant robotics prodigy who must foil a criminal plot that threatens to destroy the fast-paced, high-tech city of San Fransokyo. This new title in our popular The Art of series, published to coincide with the movie's U.S. release, features concept art from the film's creation—including sketches, storyboards, maquette sculpts, colorscripts, and much more—illuminated by quotes and interviews with the film's creators. Fans will love the behind-the-scenes insights into Disney's newest action comedy adventure. Copyright ©2014 Disney Enterprises, Inc. All rights reserved.

The Girl Who Drank the Moon (Winner of the 2017 Newbery Medal)

Modern academic criticism bursts with what Eve Kosofsky Sedgwick once termed "paranoid readings"—interpretative feats that aim to prove a point, persuade an audience, and subtly denigrate anyone who disagrees. Driven by strategies of negation and suspicion, such rhetoric tends to drown out softer-spoken reparative efforts, which forego forceful argument in favor of ruminations on pleasure, love, sentiment, reform, care, and accessibility. Just Vibrations: The Purpose of Sounding Good calls for a time-out in our serious games of critical exchange. Charting the divergent paths of paranoid and reparative affects through illness narratives, academic work, queer life, noise pollution, sonic torture, and other touchy subjects, William Cheng exposes a host of stubborn norms in our daily orientations toward scholarship, self, and sound. How we choose to think about the perpetration and tolerance of critical and acoustic offenses may ultimately lead us down avenues of ethical ruin—or, if we choose, repair. With recourse to experimental rhetoric, interdisciplinary discretion, and the playful wisdoms of childhood, Cheng contends that reparative attitudes toward music and musicology can serve as barometers of better worlds.

The Art of Big Hero 6

Anya, embarrassed by her Russian immigrant family and self-conscious about her body, has given up on fitting in at school, but when she falls down a well and makes friends with the ghost there, she thinks she's found just what she needs--or has she? Simultaneous.

Coraline

LAIKA, the studio behind the hit films Coraline and ParaNorman, introduces audiences to a new breed of family: the Boxtrolls, a community of quirky, mischievous creatures who have lovingly raised an orphaned human boy named Eggs in the amazing cavernous home they've built beneath the streets of Cheesebridge. When the town's villain, Archibald Snatcher, comes up with a plot to get rid of the Boxtrolls, Eggs decides to venture above ground where he meets and teams

up with fabulously feisty Winnie to devise a daring plan to save Eggs' family. The Art of The Boxtrolls features the amazingly detailed artwork that went into this film's creation, including character sketches, puppets, textiles, set dressing, and 3-D printed facial models, alongside the story of the film's development.

How to Survive the Apocalypse

The Art of Missing Link is a lushly illustrated volume that goes behind the scenes of LAIKA's new stop-motion adventure. The charismatic Sir Lionel Frost (voiced by Hugh Jackman) considers himself to be the world's foremost investigator of myths and monsters. The trouble is none of his small-minded high-society peers seems to recognize this. Sir Lionel's last chance for acceptance by the adventuring elite rests on traveling to America's Pacific Northwest to prove the existence of a legendary creature. A living remnant of Man's primitive ancestry. The Missing Link. Zach Galifianakis voices Mr. Link: the surprisingly smart, funny and soulful beast upon whom Sir Lionel's dreams depend. As species go, he's as endangered as they get; he's the last of his kind, and he's lonely. Proposing a daring quest to seek out his rumored distant relatives, he enlists Sir Lionel's help in an odyssey around the world to find the fabled valley of Shangri-La. Together with Adelina Fortnight (voiced by Zoe Saldana), an independent and resourceful adventurer who possesses the only known map to the group's secret destination, the unlikely trio embarks on a riotous rollercoaster of a ride. Along the way, our fearless explorers encounter more than their fair share of peril, stalked at every turn by dastardly villains seeking to thwart their mission. Through it all, Mr. Link's disarming charm and good-humored conviction provide the emotional and comedic foundation of this fun-filled family film. From LAIKA, the animation studio behind the Academy Award-nominated Kubo and the Two Strings, Missing Link is a stunning stop-motion epic and raucous comedy. Featuring concept art from the film's creation—including sketches, storyboards, character designs, and much more—and illuminated by in-depth interviews with the film's creative team, The Art of Missing Link is a must-have companion to the film.

Ganesha's Sweet Tooth

From Mega Nerd to Super Stud. Justin Case and women do not mix. Man boobs, a love of Kings and Castles, and being tight with the "nerd" crowd certainly don't win him any points either. After rescuing Katie, his crush, it turns out she might not be the girl he thought she was, while Elyssa, the school's Goth Girl, turns out to be more. Can high school get any more confusing? Determined to improve himself, he joins a gym and meets a sexy girl that just oozes a "come hither, Justin" vibe. Until she attacks him in the parking lot, and Justin realizes she's no ordinary girl but a being with supernatural speed and strength. After a narrow escape and an excruciating migraine headache, he wakes up with supernatural abilities all his own: speed, strength, and the ability to seduce every woman he sees. While that might sound like the perfect combo for any hormonal teen, Justin is a hopeless romantic who wants his first time to be special. Is that too much to ask for? But he doesn't know what he is or how to stop his carnal urges. One thing is clear: If he doesn't find answers there are other more sinister supernaturals who would like nothing better than to make him their eternal plaything and do far worse than kill him.

The Tenth Man

From LAIKA, the Academy Award®-nominated studio behind Coraline, ParaNorman, and The Boxtrolls, comes a new adventure set in a mythical ancient Japan. In Kubo and the Two Strings, scruffy, kind-hearted Kubo cares devotedly for his mother while eking out a humble living in their sleepy shoreside village. But when a spirit from the past appears, Kubo suddenly finds himself entwined in a violent struggle against gods and monsters. This fully illustrated book offers a behind-the-scenes view of the amazingly detailed artwork and unique stop-motion animation style involved in the film's creation.

This time, the Kidds head to Russia where a set of priceless paintings by Leonardo da Vinci and Rembrandt has gone missing. Hot on the trail of

the daring thieves, the Kidds race through the sinister streets of St. Petersburg and the wild Arctic tundra to track down the stolen treasure. The action never stops with more chases, sneak attacks, spy missions, and doublecrossing than anyone can handle . . . except the Kidds!

Movies Are Prayers

Here Be Monsters!

"Every Pixar movie is connected. I explain how and possibly why." These are the words that began the detailed essay now known as "The Pixar Theory," which came out way back in 2013. It collected over 10 million views on Jon's blog alone, and was syndicated on BuzzFeed, Mashable, Huffpost, Entertainment Weekly, and more - generating over 100 million impressions and now translated into a dozen languages. Now, these thoughts and ideas first written by Jon Negroni have been fully realized inside this book, aptly named The Pixar Theory. In this book, you'll find an analysis of every single Pixar movie to date and how it tells a hidden story lurking behind these classic movies. You'll learn about how the toys of Toy Story secretly owe their existence to the events of The Incredibles. You'll learn about what truly happened to the civilization of cars from Cars before the events of WALL-E. And of course, you'll find out the possible truth for why "Boo" of Monsters Inc. is the most important Pixar character yet. Welcome to the Pixar Theory. Don't forget to fasten your imagination.

The Art of Onward

Mirabelle Loving's world comes crashing in when her mother, Ruby, is murdered during a fortune-telling session gone wrong. Not that she had much of a stable world to lose in the first place; the free-spirited mother-daughter duo had never remained in one place for very long. Without the guidance of her mother, Mirabelle grows up following the only path she knows, traveling from town to town, sometimes fortune-telling, picking up odd jobs to fill the time and the ever-present lostness she can't seem to run far enough from.. Uncertain of what she wants, and indeed, whether she wants anything or anyone at all, the now thirty-something-year-old finds herself working as a card reader in a Knoxville dive bar, selling fictions as futures, when she is confronted with her mother's ghost voice promising to reveal the truth about her shadowy past. Desperate for answers, Mirabelle sets out on a magical road trip unlike any other, in search of her own story and a father she's never known. Following snowy highways and backroads, Mirabelle stumbles across a museum of oddities and a hole-in-the-road town called Radiant, ultimately wandering into the town of Smyte where she begins waitressing at the Black Cat Diner. Here, she befriends card-playing has-been Russell Wallen over a series of nighttime adventures, long drives, and after-dark visits to a Holy Roller church. This mythical journey uncovers family secrets and forgotten truths,

transforming a familiar story of love and betrayal to reveal the binding power of magic and memory.

Dementia

The story of Universal Pictures and Illumination Entertainment's Minions begins at the dawn of time. Starting as single-celled yellow organisms, Minions evolve through the ages, perpetually serving the most despicable of masters. Continuously unsuccessful at keeping these masters-from T. rex to Napoleon-the Minions find themselves without someone to serve and fall into a deep depression. But one Minion named Kevin has a plan, and he-alongside teenage rebel Stuart and lovable little Bob-ventures out into the world to find a new evil boss for his brethren to follow. The trio embarks upon a thrilling journey that ultimately leads them to their next potential master, Scarlet Overkill (Academy Award® winner Sandra Bullock), the world's first-ever female super-villain. They travel from frigid Antarctica to 1960s New York City, ending in mod

London, where they must face their biggest challenge to date: saving all of Minionkind from annihilation. Featuring a soundtrack of hit music from the '60s that still permeates our culture today, Minions is produced by Illumination's Chris Meledandri and Janet Healy, and is directed by Pierre Coffin and Kyle Balda. Brian Lynch has written the screenplay for the 3D-CG comedy adventure, and Chris Renaud serves as executive producer of the film. A retelling of the new feature film!

Kubo and the Two Strings (DVD)

Kubo and the Two Strings

Incisive insights into contemporary pop culture and its apocalyptic bent The world is going to hell. So begins this book, pointing to the prevalence of apocalypse — cataclysmic destruction and nightmarish end-of-the-world scenarios — in contemporary entertainment. In *How to Survive the Apocalypse* Robert Joustra and Alissa Wilkinson examine a number of popular stories — from the Cylons in *Battlestar Galactica* to the purging of innocence in *Game of Thrones* to the hordes of zombies in *The Walking Dead* — and argue that such apocalyptic stories reveal a lot about us here and now, about how we conceive of our life together, including some of our deepest tensions and anxieties. Besides analyzing the dystopian shift in popular culture, Joustra and Wilkinson also suggest how Christians can live faithfully and with integrity in such a cultural context.
