reliable textbooks available on land law today, offering a lively and thought-provoking account of a subject that remains at the heart of our legal system. Dispelling any apprehension about the subject's formidability from the outset, this compact textbook provides an absorbing and exact analysis of all the key legal principles relating to land. Written with students firmly in mind, a clear introduction to every chapter frames each topic in its wider context and corresponding chapter summaries help to consolidate learning and encourage reflection. The 11th edition has been thoroughly revised and updated to address key developments in the law including quasi-easements, recent developments around the interplay of criminal law and land law in adverse possession, and the difficulties and uncertainties inherent in determining remedy in cases of proprietary estoppel.

### **Black's Law Dictionary**

Criminal Law, Eleventh Edition, a classic introduction to criminal law for criminal justice students, combines the best features of a casebook and a textbook. Its success over numerous editions, both at community colleges as well as in four-year college criminal justice programs, is proof this text works as an authoritative source on criminal law as well as a teaching text that communicates with students. The book covers substantive criminal law and explores its principles, sources, distinctions, and limitations. Definitions and elements of crimes are explained, and defenses to crimes are thoroughly analyzed. Each chapter offers guidance to help students understand what is

### **Basic Bankruptcy Law for Paralegals, Abridged**

As business law becomes increasingly complex, it has become more important for the entrepreneur to have an appreciation of the legal issues which may affect their venture. In this book, Jon Gill guides the entrepreneur through the range of legal issues which may affect their business, whether seeking to employ people, take on premises, protect IP rights, raise finance or realise a return on their investment on exit. By following the issues along the life-cycle of the company, the entrepreneur is provided with an invaluable first port of call whatever the stage of the business. The entrepreneur will then, with the benefit of professional advice, be able to minimise the risks, take advantage of the opportunities, and fulfil their business goals. Jon Gill has an LLB in Law from the University of Birmingham, and an MSc in Entrepreneurship with Distinction from the University of Bristol. He has also been involved in a number of start-up and small entrepreneurial businesses. He is

### **How to Use a Law Library**

Basic Bankruptcy Law for Paralegals, Abridged Edition evolved from a need to develop a nuts-and-bolts description of the bankruptcy system written in a manner that could be easily understood by nonlawyers. The primary intent has been to design this text as a basic primer for legal assistants or paralegal students to help them grasp the practical aspects of representing debtors or creditors within the bankruptcy system. To meet this challenge, the authors have explained practice and theory together in as concise a format as possible. This Abridged Edition focuses primarily upon consumer bankruptcy since the vast majority of bankruptcy cases are filed as consumer Chapter 7 or Chapter 13 cases.

This text is a collection of writings on assigned topics by some scholars and lecturers in the Faculty of Law at Benson Idahosa University and those invited from outside the university. The idea to write a text for use in the study of legal methods for law students was borne out of the desire to present a range of updated material in this area of study. The focus of this text is Nigeria. The book is written in simple, easy-to-understand language, and meant essentially for law students in the first year of the five year course in Law, as structured by the National Universities Commission (NUC). Nevertheless, persons who are in

need of information or education on different aspects of the Nigerian legal process will also find aspects of the text useful. The contributors come from diverse backgrounds and experiences, which is reflected in their styles of presentation. However, each has endeavoured to present the assigned topic in such a form as to enhance comprehension by the primary beneficiaries. The inclusion of chapters on advocacy and mooting skills, as well as examination skills and strategies, makes this text unique, and allows it to offer more detailed analysis than existing texts in Nigeria provide.
