Seventeen Syllables

Victor Hugo was the most important writer of the nineteenth century in France: leader of the Romantic movement; revolutionary playwright; poet; epic novelist; author of the last universally accessible masterpieces in the European tradition, among them *Les Misérables* and *The Hunchback of Notre Dame*. He was also a radical political thinker and eventual exile from France; a gifted painter and architect; a visionary who conversed with Virgil, Shakespeare, and Jesus Christ; in short, a tantalizing personality who dominated and maddened his contemporaries.

The Necklace

Les Misérables is a French historical novel by Victor Hugo that is considered one of the greatest novels of the 19th century. Beginning in 1815 and culminating in the 1832 June Rebellion in Paris, the novel follows the lives and interactions of several characters, focusing on the struggles of ex-convict Jean Valjean and his experience

of redemption. Examining the nature of law and grace, the novel elaborates upon the history of France, the architecture and urban design of Paris, politics, moral philosophy, antimonarchism, justice, religion, and the types and nature of romantic and familial love. More than a quarter of the novel is devoted to essays that argue a moral point or display Hugo's encyclopedic knowledge. The topics Hugo addresses include cloistered religious orders, the construction of the Paris sewers, argot, and the street urchins of Paris. Even when not turning to other subjects outside his narrative, Hugo sometimes interrupts the straightforward recitation of events, his voice and control of the story line unconstrained by time and sequence. The story begins in 1815 in Digne, as the peasant Jean Valjean, just released from 19 years' imprisonment in the galleys—five for stealing bread for his starving sister and her family and fourteen more for numerous escape attempts—is turned away by innkeepers because his yellow passport marks him as a former convict. He sleeps on the street, angry and bitter. Digne's benevolent Bishop Myriel gives him shelter. At night, Valjean runs off with Myriel's silverware. When the police capture Valjean, Myriel pretends that he has given the silverware to Valjean and presses him to take two silver candlesticks as well, as if he had forgotten to take them. The police accept his explanation and leave. Myriel tells Valjean that his life has been spared for God, and that he should use money from the silver candlesticks to make an honest man of himself. Six years pass and Valjean, using the alias Monsieur Madeleine, has become a wealthy factory owner and is appointed mayor.

From Pulitzer Prize-winning journalist Matt Richtel, a brilliant, narrative-driven exploration of technology's vast influence on the human mind and society, dramatically-told through the lens of a tragic "texting-while-driving" car crash that claimed the lives of two rocket scientists in 2006. In this ambitious, compelling, and beautifully written book, Matt Richtel, a Pulitzer Prize-winning reporter for the New York Times, examines the impact of technology on our lives through the story of Utah college student Reggie Shaw, who killed two scientists while texting and driving. Richtel follows Reggie through the tragedy, the police investigation, his prosecution, and ultimately, his redemption. In the wake of his experience, Reggie has become a leading advocate against "distracted driving." Richtel interweaves Reggie's story with cutting-edge scientific findings regarding human attention and the impact of technology on our brains, proposing solid, practical, and actionable solutions to help manage this crisis individually and as a society. A propulsive read filled with fascinating, accessible detail, riveting narrative tension, and emotional depth, *A Deadly Wandering* explores one of the biggest questions of our time—what is all of our technology doing to us?—and provides unsettling and

important answers and information we all need.

Bestselling author John Ortberg shares how Jesus' influence has swept over history and how his vision of life continues to impact humanity today. Jesus' impact on our world is highly unlikely, widely inescapable, largely unknown, and decidedly double-edged. It is unlikely in light of the severe limitations of his earthly life; it is inescapable because of the range of impact; it is unknown because history doesn't connect dots; and it is doubled-edged because his followers have wreaked so much havoc, often in his name. He is history's most familiar figure, yet he is the man no one knows. His impact on the world is immense and non-accidental. From the Dark Ages to Post-Modernity he is the Man who won't go away. And yet . . . you can miss him in historical lists for many reasons, maybe the most obvious being the way he lived his life. He did not loudly and demonstrably defend his movement in the spirit of a rising political or military leader. He did not lay out a case that history would

judge his brand of belief superior in all future books. His life and teaching simply drew people to follow him. He made history by starting in a humble place, in a spirit of love and acceptance, and allowing each person space to respond. His vision of life continues to haunt and challenge humanity. His influence has swept over history bringing inspiration to what has happened in art, science, government, medicine, and education; he has taught humans about dignity, compassion, forgiveness, and hope. The Me I Want to Be by John Ortberg—the bestselling author of *When the Game Is Over, It All Goes Back in the Box*; *God Is Closer Than You Think*; and *The Life You've Always Wanted*—will help you discover spiritual vitality like never before as you learn to “live in the flow of the spirit.” But if God has a perfect vision for your

life, why does spiritual growth seem so difficult? John Ortberg has some intriguing answers to that question, and he has organized his thoughts and God's words into a straightforward and timely guide for living your best life in *The Me I Want to Be*. This book will show how God's perfect vision for you starts with a powerful promise. All those who trust in God "will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit" (Jeremiah 17:7-8). Ortberg urges you to recognize your brokenness, understand that God is the project manager, and follow His directions. The author first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be. Then he provides detailed tasks and exercises to help you live in the flow of the Spirit, circumventing real-world barriers—pain and sorrow, temptations, self-doubt, sin—to flourish even in a dark and broken world. As you start living in the flow, you will feel: — a deeper connection with God — a growing sense of joy — an honest recognition of your brokenness — less fear, more trust — a growing sense of being “rooted in love” — a deeper sense of purpose. God invites you to join Him in crafting an abundant and joy-filled life. *The Me I Want to Be* shows you how to graciously accept His invitation.

1,400-page 19th-century novel, witnessed the Broadway musical (and memorized its soundtrack), or seen the several screen adaptations of it, you already know the power of its story. In the six-week Lenten study *The Grace of Les Misérables*, author and pastor Matt Rawle dives into six ideals found in the story—grace, justice, poverty, revolution, love, and hope—each represented by a character in Hugo’s story. As these imperfect and relatable characters interact, we can see how these ideals work together (perhaps even in spite of each other) out in the world. In keeping with his previous works, Matt Rawle brings us to the intersection of Church and Pop Culture by drawing parallels between the iconic story and musical and our Christian calling, inspiring us to both understand our faith and live it out in the world. This Youth Study Book takes the ideas presented in Matt Rawle’s book and interprets them for young people grades 6-12.

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

The idyll and the epic

When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called “La Celeste Praline” directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she’ll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone’s favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne’s plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: “You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human.” Vianne and her young

daughter Anouk, come into town on Shrove Tuesday. “Carnivals make us uneasy,” says Harris, “because of what they represent: the residual memory of blood sacrifice (it is after all from the word “carne” that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible.” The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (The English Patient) and Judi Dench (Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. “It was a throwaway comment, designed to annoy and it did. It was along the lines of Chocolate is to women what football is to men...” The idea stuck, and Harris began thinking that “people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate.” Rich with metaphor and gorgeous writingsit back and gorge yourself on Chocolat.

The true story of thirteen women who took a risk on an expensive diamond necklace and, in the process, changed not only themselves but a community. Four years ago, in Ventura, California, Jonell McLain saw a diamond necklace in a local jewelry store display window. The necklace aroused desire first, then a provocative question: Why are personal luxuries so plentiful yet accessible to so few? What if we shared what we desired? Several weeks, dozens of phone calls, and a leap of faith later, Jonell bought the necklace with twelve other women, with the goal of sharing it. Part charm, part metaphor, part mirror, the necklace weaves in and out of each woman's life, reflecting her past, defining her present, making promises for her future. Lending sparkle in surprising and unexpected ways, the necklace comes to mean something dramatically different to each of the thirteen women. With vastly dissimilar histories and lives, the women show us how they transcended their individual personalities and politics to join together in an uncommon journey. What started as a quirky social experiment became something far richer and deeper, as the women transformed a symbol of exclusivity into a symbol of inclusiveness. They discovered that sharing the necklace among themselves was only the beginning; The more they shared with others, the more profound this experience—and experiment—became. Original, resonant, and beautifully told, this book is an inspiring story about a necklace that became greater than the sum of its links, and about thirteen ordinary women who understood the power of possibility,

who touched the lives of a community, and who together created one extraordinary experience.
