Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, *Miracles Happen*, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.

The House of Paper

Los terminos clasicos (la ciudad) o tradicionales en la urbanistica moderna (el

fenomeno urbano, las aglomeraciones urbanas, los productos urbanos) ya no son suficientes para designar el grado de abstraccion en que se manifiesta lo urbano del mundo de hoy, con realidades que se hacen presentes bajo formas y registros continuamente innovadores. A la dificultad de una teoria urbanistica contemporanea que aborde estas cuestiones se anade hoy la dispersion de las contribuciones aisladas, escritas en distintos idiomas, de los autores que se aplican a tratar la naturaleza de la urbanizacion en el mundo contemporaneo. Y la falta de un reflejo proporcionado de esas contribuciones en la lengua espanola puede significar, para el lector en castellano, el riesgo de una laguna notable en el conocimiento de la produccion teorica atenta a las cuestiones urbanisticas de nuestro tiempo. La recopilacion incluida en el presente volumen trata de cubrir, en parte, esa ausencia aproximando al lector varios articulos y contribuciones que permanecian, en su mayoria, dispersos en diferentes fuentes y en sus respectivas lenguas originarias. Las relevantes aportaciones aqui compiladas comparten una misma atencion a lo urbano en el mundo contemporaneo, y su diversidad se explica por la voluntad de presentar una aproximacion a la complejidad de la teoria que aborda hoy el fenomeno de la urbanizacion, con la ayuda de enfoques complementarios o desde perspectivas distintas

Los fantasmas de mi cerebro

Phantasmagoria is a very short book by the famous author of Alice in Wonderland, it is a narrated poem in which a little ghost sneaks into a man's house. The ghost, as he is young and talkative, establishes a conversation, which has many overtones of monologue, in which he tells the ins and outs of ghostly life. Thus, using all the ingenuity that Lewis Carroll has shown us in other of his works, we are going to find a cake in the imaginary and real world and playing with reality, fiction and half measures with a great sense of humor and situations happy. It has many funny rhymes and lots of fantasy, it is an entertaining story and I think you like this author, you should not miss it
