## **Scott Pilgrim Vs. the Universe**

A story of tragedy at sea where every desperate act meant life or death The small ship making the Liverpool-to-New York trip in the early months of 1856 carried mail, crates of dry goods, and more than one hundred passengers, mostly Irish emigrants. Suddenly an iceberg tore the ship asunder and five lifeboats were lowered. As four lifeboats drifted into the fog and icy water, never to be heard from again, the last boat wrenched away from the sinking ship with a few blankets, some water and biscuits, and thirteen souls. Only one would survive. This is his story. As they started their nine days adrift more than four hundred miles off Newfoundland, the castaways--an Irish couple and their two boys, an English woman and her daughter, newlyweds from Ireland, and several crewmen, including Thomas W. Nye from Fairhaven, Massachusetts--began fighting over food and water. One by one, though, day by day, they died. Some from exposure, others from madness and panic. In the end, only Nye and the ship's log survived. Using

Nye's firsthand descriptions and later newspaper accounts, ship's logs, assorted diaries, and family archives, Brian Murphy chronicles the horrific nine days that thirteen people suffered adrift on the cold gray Atlantic. Adrift brings readers to the edge of human limits, where every frantic decision and desperate act is a potential life saver or life taker.

"There's a moment when it comes to amazing books where you realize that the book you're reading completely and irrevocably owns you [Surviving Raine] has

that moment." - Ash the Book Snob As the captain of a schooner catering to the elite on the Caribbean Seas, Sebastian Stark does his best to avoid any human encounters. Interacting with people isn't his thing, and he prefers the company of a bottle of vodka, a shot glass, and maybe a whore. There's no doubt he's hiding from a checkered past, but he does well keeping everything to himself until the night his schooner capsizes, and he's stuck on a life raft with one of the passengers. Raine's young, she's cute, and Bastian would probably be into her if he wasn't suffering from alcohol withdrawal. As the days pass, DTs, starvation, and dehydration become the norm. Even the most closed person starts to open up when he thinks he's going to die, but when she realizes their traumatic pasts are connected, it's no longer the elements that have Bastian concerned. He has no idea how he's going to Survive Raine. "Shay Savage's website almost cockily proclaims that she writes "Fiction with Teeth." HA! Nothing cocky about the truth, my friends. I guarantee, that is maybe the *\*only\** accurate way to sum up the dark, unsettling, exciting, unapologetic, fascinating, shocking, frank, graphic, primal, crude, sexy, at times horrific, consistently compelling experience that is Surviving Raine!!" -Elizabeth (Sweptawaybyromance.com) There are moments in Surviving Raine that will make you laugh, make you cry, and make your heart (and other parts) clench. This is one you will definitely want to put on your TBR list! -Kassie and Lauren (fics2flicks.com)

Shortlisted for the Scotiabank Giller Prize: With striking originality and precision, Eden Robinson, the author of the classic *Monkey Beach* and winner of the Writers' Trust of Canada Fellowship, blends humour with heartbreak in this compelling coming-of-age novel. Everyday teen existence meets indigenous beliefs, crazy family dynamics, and cannibalistic river otters . . . The exciting first novel in her trickster trilogy. Everyone knows a guy like Jared: the burnout kid in high school who sells weed cookies and has a scary mom who's often wasted and wielding some kind of weapon. Jared does smoke and drink too much, and he does make the best cookies in town, and his mom is a mess, but he's also a kid who has an immense capacity for compassion and an impulse to watch over people more than twice his age, and he can't rely on anyone for consistent love and support, except for his flatulent pit bull, Baby Killer (he calls her Baby)--and now she's dead. Jared can't count on his mom to stay sober and stick around to take care of him. He can't rely on his dad to pay the bills and support his new wife and step-daughter. Jared is only sixteen but feels like he is the one who must stabilize his family's life, even look out for his elderly neighbours. But he struggles to keep everything afloat and sometimes he blacks out. And he puzzles over why his maternal grandmother has never liked him, why she says he's the son of a trickster, that he isn't human. Mind you, ravens speak to him--even when he's not stoned. You think you know Jared, but you don't.

WHEN THE BODY SAGS AND THE HONESTY LAGS Mid-Life is the story of John, who at forty becomes a father again with his much younger second wife, which results

in a slow, painful attack by flowered baby bags and front-facing baby carriers on his former virility and self-identity. John always believed that age is a state of mind; however, his adult daughters, baby son, energetic wife, stressful job, house full of cats, and flabby body—complete with bloated stomach and sagging bosom—all lead John reluctantly to admit that he is having a midlife crisis. The crisis drives John to yell at his wife, pick fights with his daughters, and miss deadlines at work that put his job on the line. He takes solace from the stress of everyday life with a seemingly harmless infatuation with the pretty children’s performer Sherry Smalls, who sings adoringly to him directly from his son’s DVD. Sherry, meanwhile, is equally desperate to find a distraction in life. Her path to rock stardom has been rudely overtaken by a semi-successful but completely loathsome gig as a children’s performer. It pays the bills, and a Saturday-morning television show is on the horizon—that is, if she is able to fire her alcoholic on-again, off-again boyfriend/bandmate. As their lives snowball, John’s infatuation turns into obsession and a haphazard, fateful e-mail leads to a necessary reality check that neither John nor Sherry may have wanted, but that both will surprisingly welcome.
