Jill Winger, creator of the award-winning blog The Prairie Homestead, introduces her debut The Prairie Homestead Cookbook, including 100+ delicious, wholesome recipes made with fresh ingredients to bring the flavors and spirit of homestead cooking to any kitchen table. With a foreword by bestselling author Joel Salatin The Pioneer Woman Cooks meets 100 Days of Real Food, on the Wyoming prairie. While Jill produces much of her own food on her Wyoming ranch, you don't have to grow all—or even any—of your own food to cook and eat like a homesteader. Jill teaches people how to make delicious traditional American comfort food recipes with whole ingredients and shows that you don't have to use obscure items to enjoy this lifestyle. And as a busy mother of three, Jill knows how to make recipes easy and delicious for all ages. "Jill takes you on an insightful and delicious journey of becoming a homesteader. This book is packed with so much easy to follow, practical, hands-on information about steps you can take towards integrating homesteading into your life. It is packed full of exciting and mouth-watering recipes and heartwarming stories of her unique adventure into homesteading. These recipes are ones I know I will be using regularly in my kitchen." - Eve Kilcher These 109 recipes include her family's favorites, with maple-glazed pork chops, butternut Alfredo pasta, and

Goat science covers quite a wide range and varieties of topics, from genetics and breeding, via nutrition, production systems, reproduction, milk and meat production, animal health and parasitism, etc., up to the effects of goat products on human health. In this book, several parts of them are presented within 18 different chapters. Molecular genetics and genetic improvement of goats are the new approaches of goat development. Several factors affect the passage rate of digesta in goats, but for diet properties, goats are similar to other ruminants. Iodine deficiency in goats could be dangerous. Assisted reproduction techniques have similar importance in goats like in other ruminants. Milk and meat production traits of goats are almost equally important and have significant positive impacts on human health. Many factors affect the health of goats, heat stress being of increasing importance. Production systems could modify all of the abovementioned characteristics of goats.

Handmade soap is made extra-special with the addition of milk! Soaps enriched with milk are creamier than those made with water, and milk's natural oils provide skin-renewing moisture and nourishment. In *Milk Soaps*, expert soapmaker Anne-Marie Faiola demystifies the process with step-by-step techniques and 35 recipes for making soaps that are both beautiful and useful. She explains the keys to success in using a wide range of milk types, including cow, goat, and even camel milk, along with nut and grain milks such as almond, coconut, hemp, rice, and more. Photographs show soapmakers of all levels how to achieve a variety of distinctive color and shape effects, including funnels, swirls, layers, and insets. For beginners and experts alike, this focused guide to making milk-enriched soaps offers an opportunity to expand their soapmaking skills in new and exciting ways. yourself. The health benefits of natural, homemade soap are superior to any store-bought soap. When you add goat milk, which increases the healthiness of the soap you apply to your skin. When I was a little kid, my grandpa owned a farm with goats, chickens, and vegetables of all kinds. He believed in natural remedies and the Earth's ability to supply what we needed to thrive. He would make goat milk soap for me since my skin was so sensitive to most soap from the store. I grew up eating naturally and using natural, homemade remedies, and cosmetics. Now, as an adult, I believe there is no better way to live. I continue to create natural self care products and eat fresh, organic foods. I want to share this love of healthy, natural goat milk soap making with you in my book. God knows how many soaps I've tried out there while looking for my skin's perfect match. I've tried everything from medicated soaps to moisturizing body washes, but I've found a lot of them are too harsh for my sensitive skin or too expensive or are just not easily accessible most of the time. I mean, I had been using my Grandpa Ed's goat milk soap ever since I was a kid, and it worked like a charm. But there came a phase in my life when I felt like I wanted a change like maybe there was something out there that was better for my skin-I'm sure you've felt that way with your skincare regimen too. Time and time again, I came back to my own homemade goat milk soap. I make huge batches and give bars away to friends and family and anyone who asks. I love sharing my joy in soap making. I hope my book shows you the same joy I have found in making goat milk soap. In this book, you will learn all about how to make soap using goat milk. In the first part, you will

Handmade soap is made extra-special with the addition of milk! Soaps enriched with milk are creamier than those made with water, and milk's natural oils provide skin-renewing moisture and nourishment. In *Milk Soaps*, expert soapmaker Anne-Marie Faiola demystifies the process with step-by-step techniques and 35 recipes for making soaps that are both beautiful and useful. She explains the keys to success in using a wide range of milk types, including cow, goat, and even camel milk, along with nut and grain milks such as almond, coconut, hemp, rice, and more. Photographs show soapmakers of all levels how to achieve a variety of distinctive color and shape effects, including funnels, swirls, layers, and insets. For beginners and experts alike, this focused guide to making milk-enriched soaps offers an opportunity to expand their soapmaking skills in new and exciting

## Milk-Based Soaps

Tasha Tudor, beloved children's book author and illustrator, has at last written her long-awaited cookbook. In words and the enchanting watercolors for which she is renowned, she shares the recipes she has gathered over a lifetime - some that have been passed down for generations and some that she created specially for her children and grandchildren. These traditional recipes recall an old-fashioned New England lifestyle and summon up Tasha Tudor's own warm family memories, which she shares here with her readers. Tasha Tudor's recipe collection includes summery picnic salads, hearty winter soups, and breakfast treats like Great-Grandmother Tudor's Cornbread, Blueberry Coffee Cake, and Butterscotch Rolls. Her main dishes - Roast Chicken with tarragon and sage, vegetable-laden Beef Stew, and Salmon served with homegrown peas - are the prelude to her irresistibly rich desserts, including a luscious dark chocolate torte and English Toffee Bars. At Tasha Tudor's Corgi Cottage, Christmas celebrations are the high point of the year, filled with the kind of food and wholesome fun that harks back to an earlier time. Her recipes bring family and friends together to make her
