Liar, Lunatic, Lord: The Gospel of John as the Greatest Evidence for (or Against) Jesus' Claim to Be I Am Who I Am

An honest, fair, and thorough discussion of the issues raised in Jewish Christian apologetics, covering thirty-five objections on general and historical themes.

When Man Answers God's Door

Did Jesus Really Exist? The search for the historical Jesus continues to be headline news. Any speculative theory seems to get instant attention as the debate rages about His real identity and the claims made in His name. Did Jesus really exist? Is there real historical evidence that demonstrates that He lived and actually said and did the things the Gospels record? Is there any validity to the speculative claims that the Jesus story was a myth, borrowed from a variety of pagan cultures of the ancient world? In this follow-up to the book *God's Not Dead* (that inspired the movie), *Man, Myth, Messiah* looks at the evidence for the historical Jesus and exposes the notions of skeptics that Jesus was a contrived figure of ancient mythology. It also looks at the reliability of the Gospel records as well as the evidence for the resurrection that validates His identity as the promised Messiah. *Man, Myth, Messiah* will be released concurrent to the *God's Not Dead* movie sequel, which will cover the same theme.

Man, Myth, Messiah

Thinly spread out among the mountain regions of Turkey, Armenia, Azerbaijan, Iran, Syria, and Iraq, this dwindling faith has managed to survive 2,000 years of repeated massacres. Frequently confused with the Dacoits and Thugees of India they seem to have every man's hand raised against them. In the 1930's Hollywood developed horror movies featuring assorted monsters such as Frankenstein, the Wolfman, Dracula, and the Mummy. Among these was a sinister cult of foreign devil worshippers with a penchant for sacrificing luscious beauties, kidnapped for their wiles. These women were invariably laid out atop an altar where devotees of the devil chanted litanies to Satan while the evil priest waved a menacing knife vaguely pointing at a half exposed breast. At this point the hero bursts in to defeat the villain and rescue the maiden. Thinly disguised allusions to the Yezidees hinted at the actual existence of a dread cult of devil worshipers on Earth. Naturally, they got it all wrong! Hollywood has seldom been accused of not warping reality to make their case. Garbled accounts of the Yezidees are their only contact with reality and the outcome was a forgone conclusion. All sorts of fundamentalist preachers picked up on the theme in their sermons. Using the Yezidee as a prime example of the wickedness which stalks the earth. In every telling the distortions grew until the Yezidee were virtually lost within the cloud of myth. So who are the Yezidee? What is their faith? Why are they dismissed as "Devil Worshipers"? Do they actually worship the Devil, (or Shaitan, or Eblis as the various religious sects name the Evil One)? Little is known about the rituals of these people, and most of what is known has been corrupted and mangled. This is largely because they are intensely secretive about the details of their religion. Commendable work has been done to record their music and their dances which may have foreshadowed the "Whirling Dervishes" of the Sufi Moslem sect. Their medicine and general healing practices have been recorded but their theology is hardly known by anyone not of their faith. Here we address these problems through a careful examination of the scanty available data, and attempt to reconstruct a general picture of the sect. Starting at its inception and into present day to projecting a probable future. Since it is primarily a sociological problem, no absolute answers can be promised. Still this is apt to be the most accurate analysis ever attempted. At the least it provides a worthwhile starting point for future understanding of the sect.

Moses and Monotheism

Twenty-five doctoral students from around the world recently set out to forge a new path toward a theology of mission. As they blazed a new trail, they discovered the footprints of God—evidence that God was their trial guide. Charles Van Engen led this group of mission practitioners, pastors, teachers, and mission executives as they set out to discover answers to important questions, such as "What is theology of mission?" and "What is missiology?" The team used a new approach to answer these questions, employing narrative to integrate personal story, community stories, cultural stories, and biblical stories. Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work. By drawing from personal stories, the authors show how human factors affect missiology. All of the chapters are set within a unique theological framework created by Charles Van Engen that focuses on mission of the way, mission in the way, and mission on the way. This framework reveals that mission must be "of the way" (Christ-centered), "in the way" (happening among the peoples and cultures of the world), and "on the way" (moving forward over time through God's people as they anticipate Christ's present and coming kingdom). If you are concerned about connecting the Bible, theology, and ministry with the complexity and variety of contexts facing Christians today, then you will want to join this journey to discover the footprints of God. As Van Engen says, you will be encouraged to "think theologically about mission, and missiologically about theology."

Evidence for Christianity answers questions about the Christian faith and provides evidence.

The Ambassador of God

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Great Separation

Who invented God? When, why, and where? Thomas Römer seeks to answer these enigmatic questions about the deity of the great monotheisms—Yhwh, God, or Allah—by tracing Israelite beliefs and their context from the Bronze Age to the end of the Old Testament period in the third century BCE, in a masterpiece of detective work and exposition.

Did Jesus Exist?

Witnessing to an enemy African tribe taught Nicholas Muteti the power of unity. He learned that ending segregation in churches enables Christians to become a powerful force for God's kingdom.

The Human Right

A different kind of evangelism book Just as the author's book God's Not Dead laid out the logical reasoning for God's existence, and Man Myth Messiah established the existence and identity of Jesus Christ, now Rice Broocks brings a definitive book on the logical necessity to make the proclamation of the Gospel our highest priority. In fact, it is actually the ultimate justice issue and, therefore, the most important of all human rights. Consciously or subconsciously, many now believe that demonstrating tolerance is more important than truth. Fundamentally, the right to know the truth is even greater than the freedom to believe. Because Jesus Christ is the Truth, then humanity shouldn't be denied the right to hear about Him, make its own decision, and then have the freedom to tell others. This unique book is written to achieve the following goals: To recast the gospel as a human rights issue To reset the gospel as our top priority To explain why truth exists in the first place To defend the truth of the Bible To explain why God's design and purpose make gender issues absurd To show that immorality is wrong regardless of the law of man What is truth? Does God really exist? Is the Bible true? All of this will be examined more closely in this book. Jesus claimed He was the Truth, not just spoke the truth. Therefore, if Christ is the Truth, and all deserve to know what is true, then the most basic right of all is to know Jesus Christ and make Him known.

Segregation in Churches

In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is "God-breathed and is useful for teaching, rebuking, correcting and training in righteousness" (2 Timothy 3:16). It will help you understand that the faith you hold

has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word.

Answering Jewish Objections to Jesus

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History.

The Yezidee (Devil Worshipers?)

The Evidence Behind the Hit Movie The goal of God's Not Dead: Evidence for God in an Age of Uncertainty is straightforward: to help readers develop "a faith that is real and credible—and strong enough to help others find faith in God." To that end, Rice Brooks outlines a roadmap that guides seekers to acknowledge the most basic truths of Christianity: There is overwhelming and exciting evidence for God's existence The God who exists is indeed the God of the Bible God has revealed his nature through his Son, Jesus Christ As shown during the movie, this is the original book on which the main character bases much of his debate points with the atheistic professor. Persuasive arguments crafted with tools borrowed from logic, science, and philosophy, as well as scripture, solidify the faith of the Christian reader and provide starting points for discussions with skeptics. With clear, easy-to-follow explanations of key concepts and controversies, God's Not Dead is apologetics for the twenty-first century, presented in layman's terms. Readers will be empowered not only to talk about their own faith with confidence but to lead others to a relationship with Jesus.

The Case for Christ

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist

would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

The Gospel According to John

John Calvin

The author's desire to read the Bible and acquire a relationship with God, resulted in her becoming frustrated, and angry at the God in the Bible. Almost an atheist because of the it, the author disliked that the peace of mind people promised her after reading the Bible, instead left her feeling fear and discontent. The author realized that, she did not need the Bible to seek a relationship with God, and shares the reasons she still has hope there is even a God at all. Monique believes that if people learn who the God in the Bible really is, they will find he's not the loving God they think.

Infinite Travels

A former reporter for The Chicago Tribune and former atheist presents a tough-minded investigation of Christian beliefs, interviewing today's scientists, historians, and philosophers to gather compelling evidence for the truth about Jesus. Simultaneous.

God's Not Dead Adult Study Guide: What Do You Believe?

Consumers buy new products unconsciously seeking magical solutions to their life's problems. "Make me beautiful." "Make me manly." "Make me rich." Marketers are happy to pose as wizards, whose cornucopia of cars and cosmetics and computers can make those dreams come true. These are archetypal behaviors, deeply embedded in our psyches, awaiting the appropriate incantation from clever marketers to compel purchase. "Myth, Magic and Marketing" shows how to harness these deep-rooted motivational systems for your products. Written in a breezy unpretentious style, you'll enjoy every page!

Built for Battle

Professor Wells argues that there was no historical Jesus, and in thus arguing he deals with the many recent writers who have interpreted the historical Jesus as some kind of political figure in the struggle against Rome, and calls in evidence the many contemporary theologians who agree with some of his arguments about early Christianity. The question at issue is what all the evidence adds up to. Does it establish that Jesus did or did not exist? Professor Wells concludes that the latter is the more likely hypothesis. This challenge to received thinking by both Christians and non-Christians is supported by much documentary evidence, and Professor Wells carefully examines all the relevant problems and answers all the relevant questions. He deliberately avoids polemic and speculation, and sticks so far as

possible to the known facts and to rational inferences from the facts.

The Jefferson Bible

Was Jesus the invention of a Roman emperor? The author of this ground-breaking book believes he was. "Caesar's Messiah" reveals the key to a new and revolutionary understanding of the origin of Christianity, explaining what is the New Testament, who is the real Jesus, and how Christ's second coming already occurred. The clues leading to these startling conclusions are found in the writings of the first-century historian Flavius Josephus, whose "Wars of the Jews" is one of the only historical chronicles of this period. Closely comparing the work of Josephus with the New Testament Gospels, "Caesar's Messiah" demonstrates that the Romans directed the writing of both. Their purpose: to offer a vision of a "peaceful Messiah" who would serve as an alternative to the revolutionary leaders who were rocking first-century Israel and threatening Rome. Similarly, "Caesar's Messiah" will rock our understanding of Christian history as it reveals that Jesus was a fictional character portrayed in four Gospels written not by Christians but Romans. This Flavian Signature edition adds Atwill's latest discoveries of numerous parallel events in sequence which ultimately reveal the identity of the true authors of the Gospels.

A Heroine of France

How much do you know about The United State of America's most populous state? Are you able to name what city in California had a mayor who served for only 10 minutes? From Jesus to Christ

FROM A BESTSELLING AUTHOR! Who exactly was the historical Jesus Christ? Do you really know the Biblical Jesus and what the Bible says about him: both the human nature of Jesus and the divine nature of Christ? The miracles and wonders attributed to Christ? The role of Jesus as Savior and prophet? Although millions claim to know Jesus or to have found the Lord, exactly what do they know or what have they found? This book includes dozens of questions and answers from the Bible that may (or may not) challenge just how much you really know about Jesus of Nazareth, Jesus the Messiah, the King of Israel, Son of God, Savior, Christ. What does it all mean? Does Scripture explain any of these titles given to Jesus? As a firm believer myself, this is not an agnostic book! Rather, it's a chance to really

explore what we all know (or claim to know) about the Jesus we believe in. It may make you think, it might startle or confuse you at times, it might even make you learn more than you ever knew before.

Dialectic of Enlightenment

“Make Disciples of All Nations” In this book, Rice Broocks explains the progress of the Church in terms of its obedience to the apostolic mandate. This mandate, which has been called the Great Commission, must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet. The orders of Jesus to His followers to "make disciples of all nations" is far more than simply giving people a basic gospel message. This mandate includes not only individual transformation, but cultural as well. About the author: Rice Broocks is the president of Morning Star International (MSI), a family of churches and ministries currently operating in 35 nations. He is also the senior pastor of Bethel World Outreach Center in Nashville, Tennessee, where he lives with his wife and their five children. He is the co-founder of Champions for Christ, a ministry to college and professional athletes, as well as the president of Victory Campus Ministries, reaching out to hundreds of university campuses around the world.

God's Not Dead

In *Did Jesus Exist?* historian and Bible expert Bart Ehrman confronts the question, "Did Jesus exist at all?" Ehrman vigorously defends the historical Jesus, identifies the most historically reliable sources for best understanding Jesus' mission and message, and offers a compelling portrait of the person at the heart of the Christian tradition. Known as a master explainer with deep knowledge of the field, Bart Ehrman methodically demolishes both the scholarly and popular "mythicist" arguments against the existence of Jesus. Marshaling evidence from within the Bible and the wider historical record of the ancient world, Ehrman tackles the key issues that surround the mythologies associated with Jesus and the early Christian movement. In *Did Jesus Exist?: The Historical Argument for Jesus of Nazareth*, Ehrman establishes the criterion for any genuine historical investigation and provides a robust defense of the methods required to discover the Jesus of history.

Cold-Case Christianity

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Every Nation in Our Generation

The book consists of three essays and is an extension of Freud's work on psychoanalytic theory as a means of generating hypotheses about historical events. Freud hypothesizes that Moses was not Hebrew, but actually born into Ancient Egyptian nobility and was probably a follower of Akhenaten, an ancient Egyptian monotheist. Freud contradicts the biblical story of Moses with his own retelling of events, claiming that Moses only led his close followers into freedom during an unstable period in Egyptian history after Akhenaten (ca. 1350 BCE) and that they subsequently killed Moses in rebellion and later combined with another monotheistic tribe in Midian based on a volcanic God, Jahweh. Freud explains that years after the murder of Moses, the rebels regretted their action, thus forming the concept of the Messiah as a hope for the return of Moses as the Saviour of the Israelites. Freud said that the guilt from the murder of Moses is inherited through the generations; this guilt then drives the Jews to religion to make them feel better.

Jesus and the Eyewitnesses

Many try to claim that Jesus was merely a great teacher or a prophet. Former atheist C.S. Lewis made the inarguable claim that Jesus of Nazareth must be a lying devil, a raving lunatic, or very God Himself. There are no other options, said Lewis. To say anything less is at best patronizing, and at worst dishonest. Herein is presented the evidence, from the mouth of the Man who spoke thus. Let the reader decide whether Jesus is Liar, Lunatic, or God."Pilate therefore said unto him, 'Art thou a king then?' Jesus answered, 'Thou sayest that I am a king. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my voice.'" The Gospel of John presents the key truths of the Bible. Version: Regular Print 12 PT ENTIRE CONTENTS: The Gospel of John, unedited (KLV 1611)

Qtp Interview Questions and Answers

The Ambassador of God provides exhaustive and in-depth answers to very difficult questions about our cosmic origin and the planet earth. Almost everything to do with the Sun, Moon, Stars, Water, Mars, Jupiter, Aliens and most importantly - God. About the book and author _____ God is real. And for the first time, experimental and observable science reveals his existence. Throughout history, many have argued the existence of God, yet discussions of the Divine have been limited to the realm of philosophy and religion. But what if nature could reveal its creator? And what if science could provide compelling evidences that we have never seen before? What if the identity of the creator behind the origin of our universe can be known for certain? What if This is what The Ambassador of God, a ground breaking look at our cosmic origin, has provided. In this probing book, difficult questions are answered. As renowned scientists and thinkers challenge the biblical narratives for our cosmic origin, The Ambassador of God uncovers the mysteries that have been hidden from human eyes. Using compelling evidences from astronomy to investigate the underpinnings of the Bible, The Ambassador of God provides a 'cosmic objective certainty' for the existence of a universal Creator. Additionally, it unveils a well of exhaustive insights that eliminates ambiguities in our understanding. How is it possible that God is one and three distinct persons, but not three Gods? Why is the earth and the human body mostly water? Who created the sun, moon and stars? What about aliens and the other solar planets? What is the mystery and purpose behind human existence and other life forms on our planet earth? Why are we here and how did we first arrive on this planet? How do we come to understand divinity in the current scheme of scientific reasoning? How do we make peace with the grand designer behind it all? Readers seeking answers to these questions (and other similar questions) will find them here. They will not find dogma. Instead, they will embark on a journey-an experimental voyage through the lens of science that reveals the mind of God. In a "show" rather than "tell" fashion and a template that's more coherent than any prevailing secular science view, we shall find who God is! Who is the Author? Olumide Sanya is a contemporary poet and writer. Beside poetry and writing, Lumi, as he is affectionately known, helps others to achieve their dreams as a life coach. Unusually drawn to books between the ages of 4 - 9, Lumi neither enjoyed reading nor read books but spent his childhood years looking for abandoned tomes that he turned into a formidable collection. Despite being a non-reader, he realised the dream of becoming a writer in his tender years and for more than 12 years, he abandoned this dream. Until one day, God paid him a visit. But it didn't start there, it began with falling in love and writing poems about love and heartbreaks but that's another story for another year. "God has a sense of humor," says Lumi. "It's not hard to see that if you know my story-where I've been, where I'm at, and what God has planned for my tomorrow. What is most important to recognize is what God can do with a 'nobody' like me." The Ambassador of God, he notes, is not just about answers to large existential questions "It is also a road map that offers optimism and guidance in today's confused and increasingly complex modern world." You don't have to be a physics professor or a philosopher to understand Sanya's work. The Ambassador of God aims to open discussion and understanding at the broadest possible level. It is written for everyday people.

Myth, Magic & Marketing: An Irreverent History of Branding from the Acropolis to the Apple Store

The Book of the Dead is an ancient Egyptian funerary text, used from the beginning of the New Kingdom (around 1550 BCE) to around 50 BCE. This Reading & Answer Book is for the student of hieroglyphs who wishes to extend their translation skills using real ancient Egyptian texts. The pages contain the hieroglyphic text, phonetic translation, literal and full translations and should be used with the accompanying Student Work Book which contains only the hieroglyphic text and phonetic translation. Most of the text is taken from the Papyrus of Any: The papyrus of Anwy (Any) was found at Thebes and was purchased by the British Museum in 1888. It measures 78 feet by 1 foot 3 inches and is the longest papyrus of the Theban Period. It is made up of 6 individual parts. It contains a number of chapters of the Book of the Dead, mostly accompanied by illustrations. The titles of the chapters in the papyrus are written in red. In the following texts a phonetic (grey) translation of the hieroglyphs is provided to aid word identification in the Student Work Book and in the Reading & Answer Book, an English transliteration and a full literal translation is given for reading and study. This work is taken from the Papyrus of Anwy and other sources to complete the utterances of the Book of the Dead.

The idea came from my childhood - I used to dress up as my favorite action-figure and run around the neighborhood pretending I was that toy. I wanted to run with this idea of imagination - a boy with his imagination. However, I had another passion - education. I truly wanted to show young souls how much fun it could be to learn about topics such as History with just a touch of imagination. So I created Billy - a young boy eager to travel not just to different places, but to different time periods. Kids will enjoy flipping each page, seeing the beautiful colors, characters and events that formulated our world. Billy uses his trusty Time Machine to take kids to these places, teaching them everything they need to know. Best part is, the books are interactive, as I have added fun games and trivia in the back of every book, just like I remember ruining the lovely books my mother bought for me, scribbling in them as a young child. With Infinite Travels, you don't need to worry about that. The kids can color and fun as well as learn in the process. To see the animation I've created before Infinite Travels was even an idea yet, please visit this link: <https://vimeo.com/22664441> The overall idea was to have fun with this particular project of SP Productions. Believable Evidence

Was Jesus real? Where did the Bible come from? Do Catholics worship images? If God is so good and so loving, then why do evil and pain exist in the world? These are hard questions. Many people have strayed from the truth because they've pondered these questions and come up without answers. But that's not because there aren't any. In *Built for Battle: A Beginner's Guide to Understanding and Defending Your Faith*, theologian Elvis Gutierrez dives deep into the Bible, history, science, and the church's past to reveal that there are answers to these and dozens of other questions that will ultimately define, grow, and solidify your faith. Learn how, instead of clashing with the Bible's claims, logic and science confirm the Bible's truths. Instead of remaining silent on Jesus's existence, history confirms his impact on the world. And instead of being a restrictive, Catholicism beautifully encompasses the original church's vision for the family of God. Defending your faith goes beyond just believing; it requires understanding and being able to share it with others. And the first step toward this is addressing these hard questions

head on. Do you have the courage to discover the truth?

Between Heaven and Hollywood

Noted New Testament scholar Bauckham challenges the prevailing assumption the accounts of Jesus circulated as "anonymous community traditions," instead asserting that they were transmitted in the name of the original eyewitness.

Footprints of God

Between Heaven & Hollywood is David's inspirational journey from the wheat fields of his Mennonite home outside of Dodge City Kansas, to the bright lights of Los Angeles. This story of perseverance will assure you that your dreams aren't frivolous. They might be the most important part of your life. White has starred in more than twenty-five movies and produced forty films, including the blockbuster God's Not Dead. He serves as a Managing Partner of Pure Flix, the largest faith-based movie studio in the world. With his signature wit and sidesplitting hilarity, David's story of faithfulness, grounded in the biblical truth that no dream is too big for God, will inspire you to relentlessly pursue your dreams, and in the process, bring the reality of God's kingdom a little closer to the here and now. God has planted a dream in your heart that is both unique to you and essential to the world. White reminds us that there is no one too common, too uneducated, too poor, too inexperienced, or too broken that he or she cannot be used by God.
