Why I Am Still Surprised by the Power of the Spirit

Prayer 101

“Oh, that You would rend the heavens! That You would come down!” Millions have prayed that, and pray it now. In the Day of Thy Power is filled with plentiful quotations from eyewitnesses of revival and with inescapable biblical authority for such “times of

refreshing . . . from the presence of the Lord.” It unfolds the conditions by which God still comes, as in apostolic days, with “mighty signs and wonders, by the power of the Spirit of God.” This first book of Arthur Wallis, written in 1956, was an immediate success when first published and has become a classic on the subject of revival.

The Ministry of Intercession

What are the spiritual dynamics of leadership? How can you be more a person of God, aflame for God, anointed and empowered by God -- truly a Spirit-filled leader? Here are answers that you will read again and again.

Jonah and Me

Stories of fourteen outstanding Christians whose words and deeds set an example for believers today. This book recounts the life stories of outstanding Christians who inspire and challenge readers to live more godly lives. These fourteen men and women—some well known and others not—come from many parts of the world and from the 14th to the 20th centuries. These brief biographies highlight the events and special contributions each person has made to the church. Figures presented are Francis Asbury, Duncan Campbell, Oswald Chambers, Jonathan Goforth, Madame Guyon, Frances Ridley Havergal, John Hyde, Adoniram Judson, Dwight L. Moody, Evan Roberts, Girolamo Savonarola, Amanda Smith, John Smith, and Bishop William Taylor.

Ablaze for God

In the expanded edition of this profound exploration of Christian identity, David G. Benner illuminates the spirituality of self-discovery. He exposes the false selves that you may hide behind and calls you to discover the true self that emerges from your uniqueness in Christ. Deepen your experience of God through discovering the gift of being yourself.

Secret of Believing Prayer

When Jack Deere turned seventeen, he did not know God or a single verse of Scripture. At twenty-seven, he became a professor of Old Testament Exegesis and Semitic Languages at Dallas Theological Seminary. He started and pastored an influential church in Ft. Worth, Texas. He taught his church and his students that God no longer gave the "miraculous gifts of the Spirit" or spoke outside the pages of Scripture. After teaching seminary for ten years, a bestselling author shocked Deere when he told him that he not only believed God was regularly healing people today, but that he had seen undeniable miracles in answer to his prayers. For the next four months, Deere studied every healing story in the New Testament. This time he came to those stories with the open mind of a scholar, completely at home in the original languages of the Bible, not as a gullible student swallowing the prejudices of his teachers. At the end of those four months, Deere was convinced, against his will, that God was still healing and speaking just as he had done in the New Testament.

Deere and his wife Leesa began to pray for people in their church and witnessed dramatic, documented healings. In *Why I Am Still Surprised by the Power of the Spirit*, Deere demonstrates that the Scriptures teach that God is healing and speaking today just as he did 2000 years ago. He tells documented stories of modern miracles. He explains the nature of spiritual gifts, defines each spiritual gift, offers sound advice on discovering and using the gifts in church today. He shows how all of this part of God's way of deepening our friendship with him. A modern classic, *Surprised by the Power of the Spirit* was published twenty-five years ago, and in that book Deere claimed that he would live long enough to see the majority of conservative evangelicals come to believe in all the gifts of the Spirit. That has come true. The theological landscape has changed dramatically. Nearly completely rewritten, this new edition still offers that proof but has about seventy percent new material on the practical matters of experiencing and using spiritual gifts. For example, anyone who prays regularly for the sick will encounter demonic power. Demons pop up all over the Synoptic Gospels. There are two new chapters on ministering to the demonized. There is much confusion on what it means to be filled with the Spirit today. Deere takes three chapters to examine every use of "filled with the Spirit" and "full of the Spirit" in the New Testament to show why and how God still fills his servants with the Holy Spirit. There are many new stories of God's power, even walking on water and multiplying food. Deere also introduces the newest literature defending and explaining the gifts of the Spirit. All this and more continues the book's legacy

for a new time.

Touch the World Through Prayer

There is an inherent desire in all of us to know that our lives really matter. We were created to flourish. Unfortunately, many of the models or aspirations of flourishing from our culture are limiting. This is because they are disconnected from God's original design for us. We flourish most when we find our lives in the overflow of what God is doing in this world. God is a missionary God. Throughout the Scriptures, God again and again, invites his people to be on mission with him. The story of Jonah in the Hebrew scriptures is one of God's most graphic callings. It is a midcourse correction for the children of God. It is also an invitation to all of us to ask if we are on mission with God. After exploring the story of Jonah, Jonah and Me, will unfold a biblical theology of mission. Beginning in Genesis and moving through Revelation, using the larger themes of being chosen, called, and commissioned, we will see how God has been inviting his children to be on mission with him throughout the

ages. Finally, the book will offer suggestions on how to discover, rediscover, or simply reenergize in your life mission.

Strengthening the Soul of Your Leadership

Fire blazes from heaven, and a stone altar erupts in flame. So begins a spiritual awakening, the kindling of a revival fire still burning today. Beginning with Elijah and God's tremendous one-day revival of Israel, Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa, all brought by obedience and heartfelt prayer. He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit.

Jesus Himself

God's Power Is for You

Thy will be done

One of the most personal and powerful acts a Christian can engage in is prayer. Yet many believers

struggle with their prayer lives, wondering whether they are really making a difference and how they can be more effective. Delving deep into the biblical understanding of prayer, beloved author and leader Derek Prince shows readers the secret to leading a dynamic prayer life, how to receive what they ask for, and how to align themselves with the heart of God. Practical strategies like fasting, biblical study, discipline, and consistency are extensively explained and illustrated by powerful testimonies. This is a life-changing book.

The Gift of Being Yourself

What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in popular style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people on both sides of the debate about miraculous gifts.

Heroes of the Holy Life

Now available in paperback and one of Beth Moore's most popular writings to date, *Breaking Free* is the breakthrough book on how to overcome the

strongholds of sin and discover a better life.

Prayer on Fire

The presence of the Lord Jesus. That is the secret of the Christian's strength and joy. And what is to make a difference between Christ's disciples-not those who are just hoping to get to heaven, but Christ's whole-hearted disciples-what is to make a difference between them and other people? It is this, to be in fellowship with Jesus-every hour of the day.. It is by faith that I learn to know the invisible One, the invisible God, and that I see Him. Faith is my spiritual eye-sight for the unseen and heavenly. You often try hard to trust God, and you fail. Why? Because you have not taken time first to see God. How can you trust God fully until you have met Him and known Him? Murray's short book, *Jesus Himself*, describes the relationship that all followers of Christ long for--to be guided by Christ's Spirit on His path, hearing His voice and seeing with His light. Only 18 pages long, and available for free in the Kindle edition, it is packed with devotion for Jesus, and describes how to get closer to Jesus. Murray is candid in noting that there is nothing short of Jesus that will satisfy our hearts, and nothing short of complete devotion to Him that will transform our lives into ones that glorify Jesus. Not only should we think about, speak about, and believe in Jesus Himself, but we should come to the point where the disciples arrived: "and they knew Him." Everything is to be found in that. These brief messages comprise a revision of two addresses, which originally appeared in the South African
