Mona Lisa

The woman in Leonardo da Vinci's work gazes out from the canvas with a quiet serenity. But what lies behind the famous smile? Shrouded in mystery, the Mona Lisa has attracted more speculation and questioning than any other work of art ever created. This work provides an aide memoire of the world's most famous painting. The full-page colour plates portray the Mona Lisa in close-up photographs, while Serge Bramly, the author, explores its shadowy history and the fascination the painting has engendered.

Milady's Standard Study Guide

Summary--Korean

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waivered. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Standard Cosmetology

Milady's Standard Study Guide: The Essential Companion is a colorful new study guide that helps students recognize, understand, and retain the key concepts presented in each chapter of the Standard Textbook of Cosmetology with student-lead exercises that require minimal educator assistance. Created by Letha Barnes, the author of The Standard Course Management Guide along with the help of instructional design professionals, the Study Guide provides five easy-to-follow features that enable students to recognize, understand, and retain the key concepts necessary for success in licensure and the

Read Book Milady S Standard Cosmetology Study Guide The Essential Companion Answer Key 2012

professional environment. Accompanying each chapter of the Standard Textbook, these five easy-to-follow features - Essential Objectives, Essential Subjects, Essential Concepts, Essential Review and Essential Notes -- open up the ideas and concepts for all learner types, enabling each student to approach the content in the manner that works best for him or her. Printed in an attractive full-color design, the Study Guide is a tool that will help students of all abilities learn while engaging them in the theory and practical aspects so important to their licensing and professional success. The five essentials interpret and explain difficult ideas or concepts and then engage students in activities that will illustrate the ideas and concepts, making them more understandable and more relative. Students then learn ways to remember the important points and are also encouraged to record their ideas in a way that helps them retain the content. This process makes the ideas truly personal - and therefore important to them and as a result. Retention increases an content becomes more meaningful.

Cosmetology 2012 by Milady, ISBN 9781439059302

This supplement tests students' knowledge of how they should apply the information they have learned to real-life situations. This text asks that the apply that knowledge to situations that more closely reflect what they are likely to encounter as a salon employee, demonstrating that they know how to use the information they have learned. The questions are more complex than Exam Review questions, often describing a salon stylist or other professional who has a client with a combination of conditions, problems or attitudes. The student will have to take desired results, both from a technical and a communication perspective. Answers are included in the back of the book.
