### Evangelion Illustrations 2007-2017

One of the rising stars of the Japanese art community, Midori Foo is renowned for her elegant characters, lush settings, and intricate costume designs. She has provided stunning artwork for some of the biggest studios in Japan, including Square Enix, Bandai Namco, Konami, SEGA, and many more. Midori Foo's Book of Pictures collects over 300 pages of beautiful, full-page artwork, showcasing some of the best pieces from the artist's ever-growing portfolio.

### The Art of Guweiz

This story guide for Makoto Shinkai's hit your name. features beautiful scenes from the film, along with background art, character and concept art, storyboards, and a variety of exclusive interviews from the people who brought Mitsuha and Taki's story to life!

### Star Wars: Collecting A Galaxy

Fables is the hugely imaginative story of a group of fairy tale characters exiled from their mythical homelands and forced into a secret existence in modern-day America. Now the series' covers by artist James Jean, winner of multiple Eisner and Harvey Awards, are collected in one gorgeous hardback edition - including never-before-seen sketch material, with commentary and remarkable insights into Jean's creative process, plus a afterword by celebrated Fables writer/creator Bill Willingham! Designed and annotated by the artist, this deluxe, oversized hardback includes ten vellum sleeve inserts, an embossed case and other fine art details that make it perfect for art lovers and Fables fans alike!

### your name. The Official Visual Guide

"Don't give up, and your feelings will reach!" It's time for the famous inter-school flying broom race, and everyone is betting on Diana to win! But when she falls ill, who's going to take her place? And what will become of Akko and Luna Nova?! The

mirthful magical fantasy series concludes!

## **Eternal**

Tatsuyuki Tanaka a.k.a. CANNABIS's long-awaited 2nd art book!

## **The Human Figure**

In this third collection, Catherine Wagner assumes a mantle of responsibility. Each opportunity for productivity is a personal call-out; she responds, "diligent and strict." A repetitive stretching exercise produces sectional meditations on obedience to self, and to ambition, and the limitations of the body as container, while the obligation to include others in one's apprehension of the room, or self, causes Wagner's slangy, spoken, and singing world of representation to slide from syntactic unit to unit, making room for a galaxy of metonymy. "Things mean, and I can't tell them not to." What's going on inside is a watchful self-regard that invites eros to play. Further exploration takes Wagner close into sexual fantasy- the desire for a debased object- and the politics thereof: "Well I expect you to go into the/ fucking human tunnel/ I'm going." In each of the four series that make up this book we find a female body watching itself and marking that watching with a severe wit, charmed visuals, and the analytic prowess of a born human.

## **My New Job**

With almost a million followers on Instagram this is the most personal book of artist Laia López to date. In her own words: From recreating my dad's arts and crafts to releasing my own art book. All the way from Barcelona, I present this book, the result of no small amount of hard work, love and dedication, a publication to share some of the work I've put out on social networks. Inside you'll find a compilation of my favorite illustrations to date, as well as some unpublished creations. Gleaming is a little piece of me I give to you, in which I explain my methods and techniques, tips, anecdotes and the intentions hidden away behind my projects, so you can see just how intensely art shines in my day-to-day life.

## **Fables**

"Whether you're a professional artist interested in improving your drawing skills, or an aspiring designer fresh out of college looking to add to your portfolio, The Silver Way will help you build your confidence and strengthen your work in order to successfully design characters for any project, in any style. Chock-full of fun drawing techniques and easy-to-follow tutorials, The Silver Way is the kind of educational art book you'll revisit again and again for guidance, encouragement, and inspiration."--

## **Vision**

Retro but modern. This is the new trend, the new way, the new form of illustration created by the new generation. "New retro", a combination of the word "New" and "Retrospective", is a newly coined phrase meaning "appreciating and enjoying

something old while reimagining it into something modern." This book introduces 40 up-and-coming illustrators working in this "new retro" style. Through the 300 illustrations showcased in this one book, readers can appreciate and enjoy retro culture, items and motifs reimagined and transformed into something new. Retro culture, along with items such as 80s/90s fashion, neon lights, old Japanese anime/movies, and retro items like cassette tapes and Polaroid cameras, are now being reappraised by younger generations, who did not experience them in real time. The "New Retro" artistic movement, which began as a new and cool subculture before sparking a trend that took off in Japan in the late 2000s, has now become an established genre among illustrators and continues to influence and attract many creators in the industry with its magical appeal. This "New Retro" wave in the art, music and fashion industries in Japan brings a somewhat retro but also modern and trendy feel to popular culture. This collection gathers together the most notable New Retro artists and their works to give readers the most up-to-date, cutting-edge collection of this unique style, and will surely be an important reference book for those who want to appreciate and enjoy the essence of these updated and reimagined retro motifs.

## **Gleaming: the Art of Laia Lopez**

Few pieces of artwork distill the passion for 'Star Wars' as do posters. From Tom Jung's iconic one-sheet for Episode IV to Roger Kastel's 'Gone with the Wind'-inspired painting for Episode V and beyond, 'Star Wars' has enjoyed nearly four decades of poster art from some of the most renowned artists working in movies. The fifth book in the George Lucas-curated 'Star Wars Art' series, 'Posters' collects the best artwork from all six 'Star Wars' films, the 'Star Wars: The Clone Wars' animated television series and limited-edition prints.

## **New Retro Illustrations**

Following the enormous success of her first art book, Loish returns with an inspiring book dedicated to her beautiful sketches.

## **Expedition Sketchbook**

## **Louis Vuitton Travel Book 'Venice'**

Sketch with Asia is the first major publication from online Manga art phenomenon, Asia Ladowska. Asia blends her experience in hyper-realism with her passion for Manga, creating a style she is well-loved and recognized for. In this book she shares more of her art and behind the scenes information, along with numerous tips and tutorials for any budding Manga artist. Presented in a high quality, hardback book of 204 pages, is a detailed look at Asia's processes from drawing expressions, to coloring hair (Manga - Asia-Style). The sharing of her processes is something Asia regularly indulges her 720k + followers in, and she has set up a regular, inspirational #SketchwithAsia challenge on Instagram. Asia was also a judge on the 2018 judging panel for the prestigious animation industry awards, The Rookies, which further satisfied her passion for inspiring the next generation of

Manga artists.

## **Sketch with Asia**

Featuring hundreds of carefully hand-crafted illustrations as well as significant tuition on how to best compose and use images to create the most powerful frames, this book is potentially Hans P. Bacher's life's work encapsulated in one volume. Here, the internationally renowned production designer shares his expertise in an easy-to-follow and imaginative way – giving tips, exercises, and a depth of knowledge garnered from a lifetime in the industry. Bacher's production designs have established the look of many seminal animated films such as *The Lion King*, *Balto*, *Mulan* and *Beauty and the Beast*, so fans of his work will be delighted. While keeping the focus on storytelling, Bacher instructs readers in the art of animated cinematography with the ever-present aim of soliciting an emotional response from the audience. *Vision: Color and Composition for Film* represents an amazing depth of experience — and is visually arresting to boot.

## **The Art of Loish**

Chosen by Louis Vuitton to be one of only a handful of artists to illustrate their new Travel Book series, Taniguchi naturally made a story of it! After his mother's death aged 78, the author discovers a beautifully lacquered box which contains what appear to be old photos and hand-drawn postcards of Venice. One photo of Piazza San Marco particularly catches his eye. It is of a Japanese couple feeding a multitude of pigeons in the square dressed in what looked like 1930's styled clothes. Who were they? What relevance did they have for his mother? Armed with the contents of the lacquered box he travels to Venice to track down the places and events displayed in the images and to discover the identity of the young couple in the old photograph. With very few but well chosen words and his artist's eye for detail, Taniguchi portrays 'La Serenissima' of today in a most deserving light.

## **Totally MAD**

The fate of the world depends on Shadow Lady finding and sealing up the dreaded Demon Stones, but first she must vanquish the evildoers corrupted by their demonic power. But Aimi Komori has very little left of the magic eye shadow that transforms her into Shadow Lady, and she must transform for perhaps the final time to face the hideous Zera, Arch-Demon of Destruction. If Shadow Lady can't reseal the Demon Stones, Zera will transform into the Demon of Final Destruction, and mankind and demonkind will both buy the farm! Of course, the citizens of Gray City think that Shadow Lady is actually Zera's master, so they're after Shadow Lady's head too!

## **The Art of Heikala**

Full-color oversize collection showcasing art of the landmark animated series that redefined the mecha genre. *Neon Genesis Evangelion* is one of the most enduring and significant touchstones for anime, manga, and pop culture fans over the past

two decades, thanks to the groundbreaking television series and beautifully animated movies. This book collects ten years' worth of illustrations that showcase the wide effect Neon Genesis Evangelion has left on not just the animation industry, but on popular culture in general. Included are illustrations for film posters, CD albums, bullet train designs, video game collaborations, and much, much more.

## **Girls Illustration**

The universe of EVE Online is peopled with characters both cunning and cutthroat, but their talents would mean little without the impressive power of their starships to bring them to bear! Featuring brand new detailed images of twenty-eight of the most iconic ships in New Eden, this beautifully illustrated guide offers an unprecedented look into frigates from each faction with intricate cutaways and complex lore. Dark Horse Books is proud to partner with CCP Games to present The Frigates of EVE Online!

Included are amazing visuals for video games Catherine and Persona 5, plus a bevy of new pieces for other installments in the Persona series and its many spin-offs. It's all topped off by exclusive interviews with the artist himself and the creative team at P-Studio Art Unit.

## **Ar Tonelico Visual Book**

No matter what stage artists are in their careers, "it's necessary to look toward the future eager to learn and to be better every day," writes artist and best-selling author Marcos Mateu-Mestre (Framed Ink, Framed Perspective Vol. 1 & 2) in his latest book, Framed Drawing Techniques, which is packed with opportunities to do just that. In exquisite and thoughtful detail, Mateu-Mestre lays out distinct approaches to drawing in the book's chapters--The Ballpoint Pen, Graphite Pencil, The Digital Way, and The Gray Scale--outlining the benefits and challenges of each, and specific digital editing techniques that can be applied to one's work in all the mediums to achieve the greatest results. Alongside his important technical lessons, on everything from depicting reflected light on a character's hair to how to add rain to dramatize a scene, is Mateu-Mestre's awe-inspiring artwork, which serves to educate and motivate artists of all levels to discover what incredible storytelling is possible with a single pen or pencil (or tablet).

We guarantee that anyone who is girlish at heart will fall in love with the illustrations in this book and

feel the wonderfully Moe sensation of butterflies in their stomach that comes with a girl crush. This extremely girlish collection will appeal to all Manga/Anime art lovers and the fans of each illustrator alike, and is sure to bring creators and illustrators great inspiration.

## **The Designer's Complete Index**

Following the worldwide success of Momentary (9784756248756), we are proud to present this second illustration artwork collection from Ilya Kuvshinov. This book collects over 300 new artworks the artist posted on social media, which were created after Momentary was published. This collection book also includes some of Ilya's commercial works adding extra variety to this 2nd book. After the success of Momentary, Ilya has gained popularity and has done some exhibitions and commercial works. One of the most prestigious jobs Ilya was offered was as the character and visual designer for the anime The Wonderland (directed by Keiichi Hara; Crayon Shin-chan series) and Ghost in the Shell: SAC\_2045. This talented illustrator, who was influenced by many Japanese artists, now has 1.6 million followers worldwide on Instagram, and is established as an influencer of other illustrators around the world. As in the previous title, this book uses special printing technology to reproduce the beautiful colors of Ilya's CG illustrations, enhancing the possibility of 4-color printing. Because the previous book was solely focused on collecting Ilya's artwork which was presented on Ilya's social media, the book was in a square format. But this time, we have produced this book in a larger format to include some of Ilya's commercial works adding extra value and quality into this book.

For the past six decades (that's 60 years-we did the math so you don't have to)

MAD Magazine has keenly observed the American landscape and promptly made fun of everything in sight. Unwavering in their commitment to high quality stupidity, MAD's legendary artists and writers, long known as "The Usual Gang of Idiots," have brilliantly satirized politics, celebrities, sports, media, cultural trends, and more. Totally MAD (originally titled The New American Cookbook until cooler heads prevailed) is the ultimate collection of MAD's most idiotic material, including such classics as Spy vs. Spy, The MAD Fold-in, A MAD Look At, The Lighter Side of, Horrifying Clichés and The Shadow Knows, plus modern MAD classics including The MAD Strip Club and The Fundalini Pages. Whether you grew up with MAD in the 50s, 60s, or 70s, reading it with a flashlight under the covers so your parents wouldn't catch you, or in the 80s, 90s and beyond, reading it while watching the MADtv sketch comedy show or the more recent animated series on the Cartoon Network, this book will bring back fond memories and also provide a great introduction to MAD for new readers. Then again, maybe not. SPECIAL BONUS! Includes "The Soul of MAD," 12 classic cover prints, ten featuring Alfred E. Neuman, MAD's gap-toothed grinning idiot mascot. These beautiful reproductions are suitable for framing or wrapping fish.
