Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending From Grammar to Writing

section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone® and Android® lets students easily navigate Student Book audio clips on their phone or tablet. New Essential Online Resources include Student Book audio, answer keys, Grammar Coach videos, self-assessments, and teacher's resources. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

Focus on Grammar

Directed primarily toward undergraduate business college/university majors, this text also provides practical content to current and aspiring industry professionals. Financial crises, catastrophic disasters, and business scandals are constantly making today's headlines. Annie McKee, author of the textbook *Management: A Focus on Leaders*, believes that amidst these issues we are experiencing a unique opportunity to add new fervor to the way we prepare students for the future. Directly addressing the challenges and opportunities in our changing world, *Management: A Focus on Leaders* shows future managers how to lead in a complex, yet exciting, global environment.

StartUp is a completely new course for adults and young adults who want to make their way in the world and need English to do it. StartUp makes learning easy and relevant, focusing on meaningful language that builds student confidence in using English, both in and out of class. Teachers are supported in numerous ways, minimizing preparation time and providing a flexibility that allows for personalized teaching and focus on the skills that are important for their classes. * English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. * Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure, the wealth of support materials and the practice app offer more options to flip the class, to focus on different strands and skills, and to extend and differentiate instruction to meet students' individual needs. * Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. * ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. * The new Pearson Practice

focus on English grammar through contextualized listening, speaking, reading, and writing activities, this lively integrated skills course helps students bridge the gap between comprehending grammatical structures and actually using them. Centered on thematic instruction, Focus on Grammar combines controlled and communicative practice in a consistent approach that's a proven success among students at all levels. Each unit progresses through four steps: Grammar in Context, Grammar Presentation, Focused Practice, and Communication Practice, using a unique format that makes the program easy for students to understand - and for teachers to implement. Each Student Book features: Clear presentations and charts that make grammar easy to learn. Creative activities that stimulate communication. New high-interest readings that are rich in content. From Grammar to Writing sections that build composition skills. Review Tests to confirm progress and improve scores on standardized tests. New Internet activities for individual, pair, or group work. Other Components (Available Separately): Workbook offers a wealth of additional exercises. Audio CD provides opportunities for both task-based and extended listening. CD-ROM software features contextualized, interactive activities for listening, reading, and writing practice. Teacher's Manual includes numerous teaching tips, audioscripts for all recorded exercises, and a CD-ROM with PowerPoint presentations and blackline masters. Also includes Student Book Answer Key. New Assessment Package for each lever features placement, diagnostic, and achievement tests; general proficiency tests; audio CD with scripts; and test-generating software with thousands of items to

create class-appropriate tests. Transparencies of all grammar charts in the Student Books help instructors point out important patterns and structures. Test-generating CD-ROM allows teachers to create and customize tests quickly and easily, and is available alone or in the Assessment Package. Companion Website provides students with grammar practice in new contexts through web-based exercises. For online work, see Focus on Grammar Interactive 1.
