## **My Very First Prayers**

You will always be the first A touching tribute to baby's early milestones -- those

unforgettable moments that will always be cherished. From first smiles to first cuddles and even to that first kiss, here's a loving ode to every child's -- and parent's -- momentous "firsts."

### **My Very First Space Book**

Bond with baby with the picture book created for their developing vision Newborn and very young babies have only limited vision. But they are able to see bold shapes, particularly in strongly contrasting colors. They also love looking at faces. Show them the carefully designed images in My Very First Book and you will notice they start to react and respond. They often develop a favorite page or shape. The book is filled with engaging patterns, shapes as well as images of faces, animals, plants and much more. Create a life-long love for books, learning and exploration with My Very First Book.

### **My Very First Book Of Words**

Library Friendly Edition of original- This is non-fiction for very young children, who will find lots of things to look at and talk about in this highly visual book about space - what it is, where it is, and what's out there. Little ones can find out about planets, stars, asteroids, space travel and lots more - whilst learning lots of

interesting new words.

### **Eric Carle My First Library Set**

My Very First Bible begins with the Creation Story and Adam and Eve and culminates in the story of Christ's resurrection. The clear, expressive text, supported by gorgeous full-color artworks, guides the parents and grandparents

## Read PDF My Very First Book Of Colors

through the enjoyable experience of reading wonderful Bible stories aloud to their children and grandchildren for the first time. The stories, combined with specially selected scripture references, instill an early awareness and understanding of the Bible through either "read-to-me" sharing of the exquisite drawings and easy-to-follow text, or quiet, read-alone contemplation. Interactive panels help even the youngest reader engage in the stories - for example, picking out animal pairs in Noah's Ark. A wonderful first biblical book for children and families to treasure, making it the perfect christening gift for children everywhere.

### **My First Book of Mormon Stories**

From a bestselling children's author comes this fun, full-color series that helps children ages four to six discover more about God and the Bible.

### **Little Kids First Big Book of Why**

Young children learn to differentiate between circles, squares, triangles, and other forms by matching familiar objects with silhouetted counterparts.

### **My Very First Book on God**

## Read PDF My Very First Book Of Colors

This oversized board book is designed to introduce youngsters to the world of letters. Using fine art, as a backdrop My First Book of Letters introduces the alphabet and relates it to real world experiences. Children will delight in playing "I-spy" with the painting and parents will enjoy the interactive learning experience. Baby Einstein Books is an imprint of developmentally appropriate, interactive books designed to introduce children ages 0-3 to classic poetry, art, and foreign languages in a fun and accessible way. A combination of playful images, beautiful photography, and bold illustrations with multilayered text will captivate and stimulate babies and young children. This "humanities for babies" program, based on the award-winning video series, taps into the natural learning potential of young children and their parents' aspirations for them. The Baby Einstein Company, founded in 1997 by stay-at-home mom Julie Aigner-Clark, has produced numerous videos, CDs, cassettes, DVDs, flash cards, and puppets, and has received several awards and citations for its work. The company is extending its brand through sales in the mass market, as well as through its licensing relationship with Hasbro for toys. Other licensing relationships in interactive multimedia and television are in the works.

## **My Very First Book of Shapes**

## **My Very First Our World Book**

An informative picture book for young children that explores the amazing world beneath the waves. Prepare to explore kaleidoscopic coral reefs, frozen Arctic waters and the deepest, darkest parts of the ocean floor. Lots to look at and talk about.
