Business interruption claims are some of the most challenging that insurance professionals, risk managers, and business owners face. Preparing for, managing, and closing out a business interruption claim can be complicated and frustrating--and often ends in failure. Success requires that you understand accounting principles and are able to interpret coverage language that is sometimes indefinite. Only Business Interruption, 2nd Edition, delivers all of this, in one widely respected resource: *An overview of the common elements of coverage * Insights on customizing coverage * Guides to establishing limits * A step-by-step roadmap for handling the process from
