Twelve Years a Slave

Focuses on moments in Jesus' life when his glory burst forth and was displayed to those around him, when his humiliation gave way to exaltation.

Esther: Evangelical Exegetical Commentary

This hymnal supports the full range of actions in worship. It is designed to serve those involved with group singing, worship planning, praise teams and choirs, choral conductors, personal and family devotions, pastoral care, and small groups. In addition to hymns and psalms, the second half of the hymnal includes prayers, litanies and liturgies.

Escape

The United States has more people locked up in jails, prisons, and detention centers than any other country in the history of the world. Exploring the history and foundations of mass incarceration, Dominique Gilliard examines Christianity's role in its evolution and expansion, assessing justice in light of Scripture, and showing how Christians can pursue justice that restores and reconciles.

Yearbook of American & Canadian Churches 2010

New industrial centres are emerging in the so-called BRIC countries (Brazil, Russia, India, and China), where large numbers of plants have been constructed in recent years, creating many manufacturing jobs. But what does industrial work look like in these locations? Up until now, much of the interest in developing country industrialization has concentrated on the poor working conditions that characterize some export-oriented sectors in emerging economies, most notoriously in the garment industry. In contrast, the concern of this book is with the modern facilities of multinational or local manufacturers that reflect aspirations for a process of industrial upgrading that might foreshadow the future for these countries. The book provides an analysis of work, its context, and the situation of employees in plants in the BRICs focussing on three main questions: What differences and common features can be ascertained in a comparison both of countries and firms in terms of workplace HR management and production systems? What evidence is there for either a 'high road' or 'low road' developmental path in the BRICs? How are corporate standards implemented in these local contexts? The book addresses an academic audience as well as managers and trade unionists. For the former, it offers a systematic comparison of the four countries and the companies under study. For the latter, it offers a vivid account of challenges the companies face in the BRIC countries as well as the solutions adopted by the companies.

Fast Facts® on False Teachings

This volume examines the use of the image of the Jewish temple in the writings of the Anglo-Saxon theologian and historian, Bede (d. 735). The various Jewish holy sites described in the Bible possessed multiple different meanings for Bede and therefore this imagery provides an excellent window into his thought. Bede's Temple: An Image and its Interpretation examines Bede's use of the temple to reveal his ideas of history, the universe, Christ, the Church, and the individual Christian. Across his wide body of writings Bede presented an image of unity, whether that be the unity of Jew and gentile in the universal Church, or the unity of human and divine in the incarnate Christ, and the temple-image provided a means of understanding and celebrating that unity. Conor O'Brien argues that Bede's understanding of the temple was part of the shared spirituality and communal discourse of his monastery at Wearmouth-Jarrow, in particular as revealed in the great illuminated Bible made there: the Codex Amiatinus. Studying the temple in

Bede's works reveals not just an individual genius, but a monastic community engaged actively in scriptural interpretation and religious reflection. O'Brien makes an important contribution to our understanding of early Anglo-Saxon England's most important author, the world in which he lived, and the processes that inspired his work.

The Man of God

Reformed Christians, write D. G. Hart and John R. Muether, are increasingly divided over how they ought to worship their God. Considering it an urgent matter to recover a biblical view of worship, the authors have written *With Reverence and Awe*. Drawing on Scripture and Reformed confessions and catechisms, the authors answer such questions as: When are we to worship? How do we worship with reverence and joy? They also tackle the most divisive issue: music, concluding with criteria that can help Reformed believers make sound judgments.

The Nehemiah Code

Now in paper! "There is a distinct weariness with market-driven, showbiz worship. The pendulum has swung to the longing for transcendence, substance, challenge, and biblically driven worship. Michael Horton shows us the way." --Robert Webber,

president, Institute for Worship Studies; author of Ancient-Future Faith "Horton's enlivening wisdom is surely a godsend to all evangelicals." --J. I. Packer, Regent College

GENEALOGICAL RECORD OF THE DESCENDANTS OF ROBERT KINSMAN, OF IPSWICH, MASS.

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

A History of the Christian Church

This fresh, practical study of worship throws needed light on questions about worship content, music, atmosphere, structure, freedom, clarity, recent trends and much more. You will profit from this insightful look at the kind of worship that pleases God.

The Prophecy of Daniel

In what shape do we find the doctrine of sola Scriptura today? Many modern Evangelicals see it as a license to ignore history and the creeds in favor of a more splintered approach to the Christian living. In the past two decades, Roman Catholic and Eastern Orthodox apologists have strongly tried to undermine sola Scriptura as unbiblical, unhistorical, and impractical. But these groups rest their cases on a recent, false take on sola Scriptura. The ancient, medieval, and classical Protestant view of sola Scriptura actually has a quite different shape than most opponents and defenders maintain. Therein lies the goal of this book—an intriguing defense of the ancient (and classical Protestant) doctrine of sola Scriptura against the claims of Rome, the East, and modern Evangelicalism. "The issue of sola Scriptura is not an abstract problem relevant only to the sixteenth-century Reformation, but one that poses increasingly more serious consequences for contemporary Christianity. This work by Keith Mathison is the finest and most comprehensive treatment of the matter I've seen. I highly recommend it to all who embrace the authority of sacred Scripture." -R.C. Sproul, Ligonier Ministries

Lift Up Your Hearts

Who isn't in need of a new beginning? Bestselling author O. S. Hawkins knows that

whether it be broken relationships, integrity missteps, or loss, most of us will spend some or much of the next year trying to restore something. The good news is . . . it's never too late for a new beginning. Hawkins, with more than 550,000 books sold, now turns his eye to another biblical hero in *The Nehemiah Code*. Nehemiah was a civil servant from 2,500 years ago who applied principles found in the Bible for insight during hard times, help to start again, and encouragement to rebuild a life. *The Nehemiah Code* dives into a theme that will resonate deeply with a wide variety of readers - insight during hard times, help to start again, and encouragement to rebuild a life. Topics include: Taking personal responsibility Moving out of your comfort zone Rebuilding team spirit Holding those around you accountable Doing what is right Finishing strong Proceeds of the book go directly to the ministry Mission: Dignity, which helps more than 1,800 retired ministers, church workers, and widows who have faithfully served God's people and now find themselves struggling to meet even basic needs.

Sermons on Deuteronomy

As the twentieth century dawned and France entered an era of extraordinary labor activism and industrial competition, an insistently romantic vision of the Parisian garment worker was deployed by politicians, reformers, and artists to manage anxieties about economic and social change. Nostalgia about a certain kind of France was written onto the bodies of the capital's couture workers throughout

French pop culture from the 1880s to the 1930s. And the midinettes-as these women were called- were written onto the geography of Paris itself, by way of festivals, monuments, historic preservation, and guide books. The idealized working Parisienne stood in for, at once, the superiority of French taste and craft, and the political (and sexual) subordination of French women and labour. But she was also the public face of more than 80,000 real working women whose demands for better labour conditions were inflected, distorted, and, in some cases, amplified by this ubiquitous Romantic type in the decades straddling World War I. Working Girls bridges cultural histories of the Parisian imaginary and histories of French labour, and puts them in raucous dialogue with one another: a letter by a nineteen-year-old seamstress, a speech by a government minister; a frothy Parisian guide by a bon vivant, the minutes of a union meeting; a bawdy café-concert song, a policy brief on garment working conditions.

A Dictionary of the Asante and Fante Language Called Tshi (Chwee, Twi), with a Grammatical Introduction and Appendices on the Geography of the Gold

A common charge levelled against people with religious beliefs in general, and with Christian convictions in particular, is that their beliefs are motivated not by reasonable evidence but by psychological needs. In fact, many respected people,

accepting the arguments of atheist thinkers, believe that psychology and the social sciences have explained away religion. In this thoroughly revised and updated edition of *If There's a God, Why are There Atheists?*, R.C. Sproul examines the arguments of four prominent atheists: - Sigmund Freud: religion arises out of guilt and the fear of nature. - Karl Marx: religion is used to keep the lower classes happy. - Ludwig Feuerbach: religion is only wish-fulfilment. - Friedrich Nietzsche: religion is rooted in man's weakness. Engaging with these thinkers' works on a psychological as well as theological basis, Sproul shows that there are as many psychological and sociological explanations for unbelief as for belief - and that atheistic conclusions should not be accepted blindly. For the believer who is troubled by doubts or who wants to respond intelligently to unbelievers, it offers clear, thought-provoking analysis. For the unbeliever who has an open mind, it offers stimulating debate, worthy of time and thought.

The Glory of Christ

Bede's Temple

Mummies, pyramids, and pharaohs! The culture and civilization of the ancient Egyptians have fascinated people for centuries and some have direct correlation to

biblical events. Authors David Down and John Ashton present a groundbreaking new chronology in *Unwrapping the Pharaohs* that shows how Egyptian Archaeology supports the biblical timeline. Go back in time as famous Egyptians such as the boy-king Tutankhamen, and the beautiful Cleopatra are brought to life in this captivating new look at Egyptian history from a biblical worldview.

Historical Dictionary of African American Cinema

This reference work tells the unique history of Christian education and shows how Christian educators pioneered such institutions and reforms as universal literacy, home schooling, Sunday schools, women's education, graded schools, compulsory education of the deaf and blind, and kindergarten.

Working Girls

It has often been said-and rightly so-that the World Council of Churches (WCC) is first and foremost a fellowship of churches. This book is a vivid illustration of that reality. The descriptions, lists, statistical data, and other information presented in these pages give a striking picture of the extent and diversity of this fellowship. It encompasses a Christian population of some 590 million people, in close to 150 countries in all regions of the world, comprised of over 520,000 local congregations

served by some 493,000 pastors and priests, as well as countless elders, teachers, members of parish councils, and others. A Handbook of Churches and Councils is not simply a handbook of the member churches of the WCC. At all levels-global, regional and sub-regional, national, and local-member churches of the WCC interact with other churches which, for various reasons, are not formally part of the Council's membership. By combining in one volume all the conciliar and confessional bodies and their membership, this book demonstrates concretely the reach of the ecumenical movement and also shows how much broader it is than the WCC alone. It serves to remind us that ownership of the movement rests not only with the WCC but with all the partners, and ultimately with God.

Rethinking Incarceration

The story is a familiar one, made popular by Sunday School teachers, novels, and movies: her people threatened with extinction, Queen Esther must summon the courage to approach the Persian King Xerxes in order to save the Jews. But what is the real message of Esther? In this commentary, Anthony Tomasino closely examines the Hebrew text to explore the motifs of feasting, sovereignty, assertiveness, and reversal in the book of Esther. He also explores its connection with the celebration of Purim, the theme of the invincibility of the Jews, and the conspicuous absence of any mention of God. - back of book.

The Challenge of Bible Translation

During the Spanish Inquisition Bartolome, a protestant, and Catalina are in love. Bartolome is imprisoned and Catalina is taken far away and promised in marriage. How will they escape?

Encyclopedia of Christian Education

An In-Depth Look at Bible Translation ·The concerns, issues, and approaches ·The history ·The ins and outs of the translation task With a reach that covers the entire globe, the Bible is the best-selling, most earnestly studied book of all time. It has been translated into well over 1,000 languages, from those of global reach such as English, French, and Arabic, to a myriad of isolated tribal tongues. Yet while most readers of the English Bible have a favorite version, few understand how the different translations came about, or why there are so many, or what determines whether a particular translation is trustworthy. Written in tribute to one of today's true translation luminaries, Dr. Ronald Youngblood, *The Challenge of Bible Translation* will open your eyes to the principles, the methods, the processes, and the intricacies of translating the Bible into language that communicates clearly, accurately, and powerfully to readers of many countries and cultures. This remarkable volume marshals the contributions of foremost translators and

linguists. Never before has a single book shed so much light on Bible translation in so accessible a fashion. In three parts, this compendium gives scholars, students, and interested Bible readers an unprecedented grasp of: 1. The Theory of Bible Translation 2. The History of Bible Translation 3. The Practice of Bible Translation The Challenge of Bible Translation will give you a new respect for the diligence, knowledge, and care required to produce a good translation. It will awaken you to the enormous cost some have paid to bring the Bible to the world. And it will deepen your understanding of and appreciation for the priceless gift of God's written Word. A Critical and Exegetical Commentary on the Book of Esther

If There's a God Why Are There Atheists?

An interconnected account of the progress of the Pentecostal and charismatic movements in Europe has long been needed but has never before been attempted because of the diversity of languages spoken across the continent. This book provides historical, theological and sociological perspectives on European Pentecostalism.

THE MICHIGAN BOOK

Written primarily for the benefit of contemporary missionaries, this scarce classic comprises a comprehensive dictionary of the Asante and Fante language, called the Tshi. Old but by no means out-dated, this compendium of Tshi vernacular will prove imperative to any aspiring students of the subject. Walter Christaller was a German geographer whose most notable work is the groundbreaking Central Place Theory, [1] first published in 1933. Chosen for its cultural and educational significant, this remarkable text is proudly republished here with an original biography of the author

European Pentecostalism

A Better Way

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Worship in Spirit and Truth

The story of Susanna and the Elders is one of the most interpreted and reproduced tales from the Apocrypha, and for good reason. In its compact narrative, it touches on attempted rape, female sexuality, abuse of power, punishment for the wicked, and voyeurism. The Good, the Bold, the Beautiful argues that the story of Susanna was written in the first century BCE, and Clanton provides a brief description of that century. He performs a narrative-rhetorical reading of Susanna and illustrates that the story uses sexual anxiety and desire to set up a moral dilemma for Susanna. That moral dilemma is resolved in two ways: Susanna's refusal to allow herself to be raped, and Daniel's intervention. Clanton argues that although the story has many mimetic features, it is the thematic function that is overriding, especially after Daniel's appearance. Put another way, the story's emphasis on

Susanna, the Elders, and Daniel as "plausible people" is secondary to its stress on what those characters represent and the message it is relaying through those representations. Clanton analyzes chronologically selected aesthetic interpretations of the story found in the Renaissance. He shows that the prevailing artistic interpretation during the Renaissance focused on the mimetic, sexual aspects of the story because it deals with issues of patronage, and sex/gender that were current at the time. *The Good, the Bold, the Beautiful* argues that several Renaissance renderings provide counter readings that focus more on the value and themes in the story. These renderings provide models for readers to resist the sexually exploitative features of both the narrative and its interpretations. Clanton reflects on the need for the reader to resist potentially harmful interpretation, especially those that focus on the mimetic level of the story's rhetoric.

With Reverence and Awe

The Old Testament in Greek According to the Septuagint (Volume III)

Gen. Joseph Wheeler

Unwrapping the Pharaohs

A Handbook of Churches and Councils

The Significance of Borders

This informative and widely-used text is now available in a third edition. Building on the success of previous editions, it continues to provide a clear and accessible introduction to the complexities of political ideologies. The latest edition of *Political Ideologies*: introduces and considers the future of all the most widely studied ideologies: liberalism; conservatism; socialism; democracy; nationalism; fascism; ecologism and feminism sets each ideology clearly within its historical and political context includes a new final chapter that examines the impact of recent theoretical developments of ideologies and charts the challenges that they face in the twenty-first century has been fully revised and up-dated and provides an annotated guide for further reading.

New Worlds of Work

The Jewish Encyclopedia

Completely revised and updated for the postmodern age, *So What's the Difference?* gives you easy-to-understand, nonjudgmental answers to the question, "How does orthodox biblical Christianity differ from other faiths?" Here Fritz Ridenour explains the basic tenets of Protestantism, Roman Catholicism, Eastern Orthodoxy, Judaism, Islam, Hinduism, Buddhism, Jehovah's Witnesses, Christian Science, New Age, Mormonism, and other religions and belief systems of the world. You will also learn why relative thinking--the idea that there is no objective, absolute truth--has become the predominant mindset in our culture, and how you can respond. This bestselling guide will help you recognize the real differences between the Christian faith and other viewpoints and make it easier for you to explain and share your faith with others.

The Shape of Sola Scriptura

This book explains why supranationalism and multiculturalism are in fact irreconcilable with representative government and the rule of law. It challenges one of the most central beliefs in contemporary legal and political philosophy, which is that borders are bound to disappear.

So What's the Difference

Historical Dictionary of African American Cinema includes everything from The Birth of a Nation to Crash. In addition to the films, brief biographies of African American actors and actresses such as Sidney Poitier, James Earl Jones, Halle Berry, Eddie Murphy, Whoopi Goldberg, Denzel Washington, and Jamie Foxx can be found in this reference. Through a chronology, a list of acronyms and abbreviations, an introductory essay, a bibliography, appendixes, black-&-white photos, and hundreds of cross-referenced dictionary entries on actors, actresses, movies, producers, organizations, awards, film credits, and terminology, this book provides a better understanding of the role African Americans played in film history.
