### Elie Wiesel

In this first volume of his two-volume autobiography, Wiesel takes us from his childhood memories of a traditional and loving Jewish family in the Romanian village of Sighet through the horrors of Auschwitz and Buchenwald and the years of spiritual struggle, to his emergence as a witness for the Holocaust's martyrs and survivors and for the State of Israel, and as a spokesman for humanity. With 16 pages of black-and-white photographs. "From the abyss of the death camps Wiesel has come as a messenger to mankind--not with a message of hate and revenge, but with one of brotherhood and atonement." --From the citation for the 1986 Nobel Peace Prize

### A Study Guide for A Study Guide to Elie Wiesel's Night

On Yom Kippur eve in 1965, Elie Wiesel found himself in Russia, "in a synagogue crowded with people. The air was stifling. The cantor was chanting . . . Suddenly a mad thought crossed my mind: Something is about to happen; any moment now the Rabbi will wake up, shake himself, pound the pulpit and cry out, shout his pain, his rage, his truth. I felt the tension building up inside me; the wait became unbearable. But nothing happened . . . It was too late. The Rabbi no longer had the strength to imagine himself free." In *Zalmen, or The Madness of God*, Wiesel gives his Rabbi that strength, the courage to voice his oppression and isolation, and the result is a passionate cry. This play illuminates not only the plight of the Soviet Jew, but the anguish of individuals everywhere who must survive—and yet long for something more than mere survival. (Adapted for the stage by Marion Wiesel.)

Use Bloom's Taxonomy to Help Students Independently Evaluate Literature. Instead of teaching your students how to answer questions about a particular text, help them develop the skills to critically evaluate literature without relying on outside guidance. Using Bloom's learning domains, Levels of Understanding breaks down complex questions into smaller parts and outline the steps necessary for students to develop a sound evaluation of a text. Students will begin with the most basic and fundamental skill, comprehension, move on to reader response, analysis, and synthesis, and gradually build to the highest skill, evaluation. Not only will these guides help you prepare your students for standardized tests like the AP Language and Literature exam, the SATs, and the ACTs, but they will also give students the self-assurance to develop and articulate a personal assessment of the text — a skill that will be advantageous in college and beyond.

The hugely illuminating story of how a popular breed of dog became the most demonized and supposedly the most dangerous of dogs-and what role humans have played in the transformation. When Bronwen Dickey brought her new dog home, she saw no traces of the infamous viciousness in her affectionate, timid pit bull. Which made her wonder- How had the breed-beloved by Teddy Roosevelt, Helen Keller, and Hollywood's oLittle Rascal-also-come to be known as a brutal fighter? Her search for answers takes her from nineteenth-century New York City dogfighting pits-the cruelty of which drew the attention of the recently formed ASPCA-to early twentieth-century movie sets, where pit bulls cavorted with Fatty Arbuckle and Buster Keaton; from the battlefields of Gettysburg and the Marne, where pit bulls earned presidential recognition, to desolate urban neighborhoods where the dogs were loved, prized-and sometimes brutalized. Whether through love or fear, hatred or devotion, humans are bound to the history of the pit bull. With unfailing thoughtfulness, compassion, and a firm grasp of scientific fact, Dickey offers us a clear-eyed portrait of this extraordinary breed, and an insightful view of Americans' relationship with their dogs. From the Hardcover edition.

### **Art of Inventing Hope**

Born into a Jewish ghetto in Hungary, as a child, Elie Wiesel was sent to the Nazi concentration camps at Auschwitz and Buchenwald. This is his account of that atrocity: the ever-increasing horrors he endured, the loss of his family and his struggle to survive in a world that stripped him of humanity, dignity and faith. Describing in simple terms the tragic murder of a people from a survivor's perspective, *Night* is among the most personal, intimate and poignant of all accounts of the Holocaust. A compelling consideration of the darkest side of human nature and the enduring power of hope, it remains one of the most important works of the twentieth century. New translation by Marion Wiesel, with a new introduction by Elie Wiesel.

### **A Study Guide to Elie Wiesel's Night**

When the Six-Day War began, Elie Wiesel rushed to Israel. "I went to Jerusalem because I had to go somewhere, I had to leave the present and bring it back to the past. You see, the man who came to Jerusalem then came as a beggar, a madman, not believing his eyes and ears, and above all, his memory." This haunting novel takes place in the days following the Six-Day War. A Holocaust survivor visits the newly reunited city of Jerusalem. At the Western Wall he encounters the beggars and madmen who congregate there every evening, and who force him to confront the ghosts of his past and his ties to the present. Weaving together myth and mystery, parable and paradox, Wiesel bids the reader to join him on a spiritual journey back and forth in time, always returning to Jerusalem.

### **Children of God**

Mary Doria Russell's debut novel, *The Sparrow*, took us on a journey to a distant planet and into the center of the human soul. A critically acclaimed bestseller, *The Sparrow* was chosen as one of Entertainment Weekly's Ten Best Books of the Year, a finalist for the Book-of-the-Month Club's First Fiction Prize and the winner of the James M. Tiptree Memorial Award.

Now, in *Children of God*, Russell further establishes herself as one of the most innovative, entertaining and philosophically provocative novelists writing today. The only member of the original mission to the planet Rakhat to return to Earth, Father Emilio Sandoz has barely begun to recover from his ordeal when the Society of Jesus calls upon him for help in preparing for another mission to Alpha Centauri. Despite his objections and fear, he cannot escape his past or the future. Old friends, new discoveries and difficult questions await Emilio as he struggles for inner peace and understanding in a moral universe whose boundaries now extend beyond the solar system and whose future lies with children born in a faraway place. Strikingly original, richly plotted, replete with memorable characters and filled with humanity and humor, *Children of God* is an unforgettable and uplifting novel that is a potent successor to *The Sparrow* and a startlingly imaginative adventure for newcomers to Mary Doria Russell's special literary magic. From the Hardcover edition.

Reuven Tamiroff, a Holocaust survivor, has never been able to speak about his past to his son, a young man who yearns to understand his father's silence. As campuses burn amidst the unrest of the Sixties and his own generation rebels, the son is drawn to his father's circle of wartime friends in search of clues to the past. Finally discovering that his brooding father has been haunted for years by his role in the murder of a brutal SS officer just after the war, young Tamiroff learns that the Nazi is still alive. Haunting, poetic, and very contemporary, *The Fifth Son* builds to an unforgettable climax as the son sets out to complete his father's act of revenge.

### **Pit Bull**

"In a country teetering on the brink of civil war, two young people meet--sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, thrust into premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors--doors that can whisk people far away, if perilously and for a price. As violence and the threat of violence escalate, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. An epic compressed into a slender page-turner, *Exit West* is both completely of our time and for all time."--

## **Parallel Journeys**

The Art of Inventing Hope offers an unprecedented, in-depth conversation between the world's most revered Holocaust survivor, Elie Wiesel, and a son of survivors, Howard Reich. During the last four years of Wiesel's life, he met frequently with Reich in New York, Chicago and Florida—and spoke often on the phone—to discuss the subject that linked them: both Wiesel and Reich's father, Robert Reich, were liberated from Buchenwald death camp on April 11, 1945. What had started as an interview assignment from the Chicago Tribune quickly evolved into a friendship and a partnership. Reich and Wiesel believed their colloquy represented a unique exchange between two generations deeply affected by a cataclysmic event. Wiesel said to Reich, "I've never done anything like this before." Here Wiesel—at the end of his life—looks back on his ideas and writings on the Holocaust, synthesizing them in his conversations with Reich. The insights that Wiesel offered and Reich illuminates can help the children and grandchildren of Holocaust survivors understand their painful inheritance, while inviting everyone else to partake of Wiesel's wisdom on life, ethics and morality.

The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.

### **The Fifth Son**

Paltiel Kossover, a "mute poet" and witness to history, travels from his Jewish childhood in pre-revolutionary Russia to Paris and Berlin in the 1930s as the Nazis take power, and Spain during its Civil War. On his journey he embraces communism only to return to Russia and be imprisoned. In his prison cell Paltiel writes his 'testament', a long letter to the son he will never see again, an account of his life as a man "who lived a Communist and died a Jew". Encompassing Europe, and the history of the twentieth-century, Elie Wiesel pays tribute to the many writers killed by Stalin and in Paltiel he has created one of the great Everyman characters of contemporary literature. Elie Wiesel was born in Romania in 1928. As a child during World War Two he was deported to Auschwitz, where his mother and sister died, and sent on to Buchenwald where his father died. At the end of World War Two he moved to France and, eventually, to the USA. He is the author of over 60 books, was awarded the Nobel Peace Prize in 1986 and has been awarded the Grand Cross in the French Legion of Honour. Souvenir Press revives Elie Wiesel's lost classic as part of its acclaimed Independent Voices series.

### **Open Heart**

Elie Wiesel's classic look at Job and seven other Biblical characters as they grapple with their relationship with God and the question of his justice. "Wiesel has never allowed himself to be diverted from the role of witness for the martyred Jews and survivors of the Holocaust, and by extension for all those who through the centuries have asked Job's question: 'What is God doing and where is His justice?' Here in a masterful series of mythic portraits, drawing upon Bible tales and the Midrashim (a body of commentary), Wiesel explores 'the distant and haunting figures that molded him': Adam, Cain and Abel, Abraham and Isaac, Jacob, Joseph, and Job. With the dramatic invention of a Father Mapple and the exquisite care of a Talmudic scholar, Wiesel interprets the wellsprings of Jewish religious tradition as the many faces of man's greatness facing the inexplicable. In an intimate relationship with God it is possible to complain, to demand. Adam and Eve in sinning "cried out" against the injustice of their entrapment; Cain assaulted God rather than his brother; and Abraham's agreement to sacrifice his son placed the burden of guilt on Him who demanded it. As for Job, Wiesel concludes that he abdicated his defiance as did the confessing Communists of Stalin's time to 'underline the implausibility' of his trial, and thus become the accuser. Wiesel's concern with the imponderables of fate seems to move from strength to strength" (Kirkus Reviews).

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a few miles from each other in the German

Rhineland. But their lives took radically different courses: Helen's to the Auschwitz extermination camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Aushchwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was WWII. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.

### **Night**

After the Second World War Michael, a young Jew, returns to his Eastern European village to contemplate the fate of his people and those who watched them go to death.

### **All Rivers Run to the Sea**

In the fall of 1965 the Israeli newspaper Haaretz sent a young journalist named Elie Wiesel to the Soviet Union to report on the lives of Jews trapped behind the Iron Curtain. "I would approach Jews who had never been placed in the Soviet show window by Soviet authorities," wrote Wiesel. "They alone, in their anonymity, could describe the conditions under which they live; they alone could tell whether the reports I had heard were true or false—and whether their children and their grandchildren, despite everything, still wish to remain Jews. From them I would learn what we must do to help . . . or if they want our help at all." What he discovered astonished him: Jewish men and women, young and old, in Moscow, Kiev, Leningrad, Vilna, Minsk, and Tbilisi, completely cut off from the outside world, overcoming their fear of the ever-present KGB to ask Wiesel about the lives of Jews in America, in Western Europe, and, most of all, in Israel. They have scant knowledge of Jewish history or current events; they celebrate Jewish holidays at considerable risk and with only the vaguest ideas of what these days commemorate. "Most of them come [to synagogue] not to pray," Wiesel writes, "but out of a desire to identify with the Jewish people—about whom they know next to nothing." Wiesel promises to bring the stories of these people to the outside world. And in the home of one dissident, he is given a gift—a Russian-language translation of *Night*, published illegally by the underground. "'My God,' I thought, 'this man risked arrest and prison just to make my writing available to people here!' I embraced him with tears in my eyes."
