Switch To a Different Business? What If You Could Work From The Comfort of Your Own Home, What if You Had The Chance of Being Your Own Boss? People often confuse MLM with pyramid marketing; however there is very clear distinction between the two approaches: pyramid marketing is about getting your money and then using you to recruit other distributors; MLM, on the other hand, is about moving the product through a larger network of distributors so that the business can increase sales volume. Another difference between MLM and pyramid marketing is that Pyramid marketing requires each level to DOUBLE before a new level is created so it isn't fair to people lower down in the levels and also unethical. MLM, however, awards a commission based upon the volume of product sold through own sales efforts as well as that of the down line organization. Since MLM faces the risks of initiating a business that has not been tested by the customers is not recognized, people prefer to wait a couple of years before joining. Hence, they also witness the company's track-record and reliability. "The Best Network Marketing Book I've Ever Read!" --Mitch Jackson "By Far The Best & Most Complete Resource for Network Marketing!" --Erik Christian "Incredible Resource for Anyone in Network Marketing!" --Marcia J. LeVoir In network marketing nothing is more important than recruiting. If you want passive income, you've got to build a team. Unfortunately, many MLM distributors struggle with recruiting. They can't get prospects to look at the presentation. They invite people to events but they don't show up. They follow-up repeatedly but people don't call them back. What if there was a way to get almost everyone you approach to look at your business presentation? What if you could find out immediately if they were interested? What if you knew how to get more exposures done in a day than you now do all week? Do you think you might get more people to sign up? In *Recruit and Grow Rich*, that's exactly what you'll learn how to do. Author David M. Ward is an attorney who started a network marketing business to build retirement income. His schedule only allowed him to work the business a few hours a week and his business grew slowly. Frustrated with his results, he set out to find ways to "recruit

smarter" and quickly sign up more prospects. His methods worked. In his first few years he signed up hundreds of distributors and created a six-figure passive income. In this book, Ward lays out the system he used to quickly identify interested prospects, expose them, and get them signed up--often in a single day. In *Recruit and Grow Rich*, you'll learn: \*\* How to identify the BEST prospects for your multilevel marketing or direct sales business \*\* How to find out if someone is a good prospect in ONE MINUTE OR LESS \*\* How to do MORE exposures in a DAY than you now do all WEEK \*\* How to double or TRIPLE your recruiting results by using different approaches for different people \*\* A simple way to increase the "show up" ratio for prospects you invite to live events and conference calls \*\* How to control the entire exposure process (THE KEY to recruiting MORE people with LESS effort) \*\* The TRUTH about duplication (and why so many people get it WRONG) \*\* How to (finally!) stop leaving messages with people who don't call you back \*\* A simple "two question" close that really works (PLUS: more closes for different situations) \*\* Scripts for approaching, exposing, and closing more distributors \*\* And much more *Recruit and Grow Rich* comes with two bonus chapters: **BONUS CHAPTER 1: How to Do Three-Way Calls** You'll learn a step-by-step method for using three-way calls to close more prospects. You get the exact words to use to get prospects on the call, and how to introduce them to your third-party expert. **BONUS CHAPTER 2: How to Handle Objections** How to handle ANY network marketing objection, including, "I don't want to sell," "I don't want to approach my friends and family," and "I don't like MLM."
