Close to three quarters of U.S. households buy orange juice. Its popularity crosses class, cultural, racial, and regional divides. Why do so many of us drink orange juice? How did it turn from a luxury into a staple in just a few years? More important, how is it that we don't know the real reasons behind OJ's popularity or understand the processes by which the juice is produced? In this enlightening book, Alissa Hamilton explores the hidden history of orange juice. She looks at the early forces that propelled orange juice to prominence, including a surplus of oranges that plagued Florida during most of the twentieth century and the army's need to provide vitamin C to troops overseas during World War II. She tells the stories of the FDA's decision in the early 1960s to standardize orange juice, and the juice equivalent of the cola wars that followed between Coca-Cola (which owns Minute Maid) and Pepsi (which owns Tropicana). Of particular interest to OJ drinkers will be the revelation that most orange juice comes from Brazil, not Florida, and that even "not from concentrate" orange juice is heated, stripped of flavor, stored for up to a year, and then re-flavored before it is packaged and sold. The book concludes with a thought-provoking discussion of why consumers have the right to know how their food is produced.

A prayer for the Prince and Princess of Orange. Translated out of French

Penguin Decades bring you the novels that helped shape modern Britain. When they were published, some were bestsellers, some were considered scandalous, and others were simply misunderstood. All represent their time and helped define their generation, while today each is considered a landmark work of storytelling. Anthony Burgess's *A Clockwork Orange* was published in 1962 and has been controversial ever since. It tells the story of fifteen-year-old Alex - whose chief preoccupations are Beethoven's Ninth and ultra-violence - as he and his droogs rampage through a dystopian future seeking thrills, until they come under the control of the state's sinister apparatus.

Nothing Rhymes with Orange

An orange begins its life as a blossom where bees feast on the nectar, and reaches the end of its journey, bursting with the seasons inside it, in the hands of a child.

ONE OF THE BEST BOOKS OF THE YEAR: THE WASHINGTON POST - NPR - GOOD HOUSEKEEPING - FRESH AIR - THE DALLAS MORNING NEWS - LIT HUB - KIRKUS REVIEWS - LIBRARY JOURNAL - THE NEW YORK PUBLIC LIBRARY Karen Russell's comedic genius and mesmerizing talent for creating outlandish predicaments that uncannily mirror our inner lives is on full display in these eight exuberant, arrestingly vivid, unforgettable stories. In "Bog Girl," a young man falls in love with a two-thousand-year-old girl that he's extracted from a mass of peat in a Northern European bog. In "The Prospectors," two opportunistic young women fleeing the Great Depression strike out for new territory, and find themselves fighting for their lives. And in the brilliant, hilarious title story, a new mother desperate to ensure her infant's safety strikes a diabolical deal, agreeing to breastfeed the devil in exchange for his protection. The landscape in which these stories unfold is a feral, slippery, purgatorial space, bracketed by the void--yet within it Russell captures the exquisite beauty and tenderness of ordinary life. Orange World is a miracle of storytelling from a true modern master.

A Forever of Orange Blossoms

We all know nothing rhymes with orange. But how does that make Orange feel? Well, left out! When a parade of fruit gets together to sing a song about how wonderful they are—and the song happens to rhyme—Orange can't help but feel like it's impossible for him to ever fit in. But when one particularly intuitive Apple notices how Orange is feeling, the entire English language begins to become a bit more inclusive. Beloved author-illustrator Adam Rex has created a hilarious yet

poignant parable about feeling left out, celebrating difference, and the irrefutable fact that nothing rhymes with orange. Plus, this is the fixed format version, which looks almost identical to the print edition.

Is It Really Green?

Actress, director, and New York Times bestselling author Laura Prepon's raw and honest guide to navigating motherhood. When Laura Prepon first became a mother, she barely recognized herself. As someone who always loved being prepared, Prepon felt raw, full of stress, and blindsided. She sought out resources to help navigate this huge life transition, but only found books about childcare with almost nothing on the shelves about momcare. So, Laura decided to write the book she was looking for. *You and I, as Mothers: A Raw and Honest Guide to* is part memoir, part handbook, as Laura digs into her own unconventional upbringing and investigates how it shaped her as a person and as a mother, with intimate stories and never-before-shared anecdotes brought forth in an effort to understand our collective experience as mothers. The book is packed with practical tips for moms of any age, at any stage of motherhood, such as stress reduction techniques, self-care, protecting one's partnership, asking for help, and getting a global perspective on maternity, and includes a selection of easy and delicious recipes, from ideas for kids-friendly food, to romantic dinner dates, and batch-cooking favorites that will help any parent feed their family. Laura also interweaves insights and interviews from her "Mom Squad": an eclectic group of mothers of all ages and professional backgrounds, including a world-renowned survival expert, a top neuroscientist, creator of *Orange Is the New Black* Jenji Kohan, actress Mila Kunis, author and activist Amber Tamblyn, and chef Daphne Oz—among other inspiring moms, who lend their voices to the much needed conversation of what it means to be a mother. Unfiltered, honest, and insightful, Laura encourages the reader to acknowledge their challenges, embrace their strengths, and celebrate their victories as we navigate the greatest adventure of all: motherhood.

Brilliant Orange

A memoir of formative years spent on a series of communes: A "wonderful account of a frankly ghastly childhood . . . Hilarious and heartbreaking" (Daily Mail). At the age of six, Tim Guest was taken by his mother to a commune modeled on the teachings of the notorious Indian guru Bhagwan Shree Rajneesh. The Bhagwan preached an eclectic doctrine of Eastern mysticism, chaotic therapy, and sexual freedom, and enjoyed inhaling laughing gas, preaching from a dentist's chair, and collecting Rolls Royces. Tim and his mother were given Sanskrit names, dressed

entirely in orange, and encouraged to surrender themselves into their new family. While his mother worked tirelessly for the cause, Tim—or Yogesh, as he was now called—lived a life of well-meaning but woefully misguided neglect in various communes in England, Oregon, India, and Germany. In 1985 the movement collapsed amid allegations of mass poisonings, attempted murder, and tax evasion, and Yogesh was once again Tim. In this extraordinary memoir, Tim Guest chronicles the heartbreaking experience of being left alone on earth while his mother hunted heaven. “An intelligent, wry, openhearted memoir of surviving a childhood and a cultural phenomenon that were both extraordinary.” —Booklist (starred review)

The Orange Book

Anne Lamott claims the two best prayers she knows are: "Help me, help me, help me" and "Thank you, thank you, thank you." She has a friend whose morning prayer each day is "Whatever," and whose evening prayer is "Oh, well." Anne thinks of Jesus as "Casper the friendly savior" and describes God as "one crafty mother." Despite--or because of--her irreverence, faith is a natural subject for Anne Lamott. Since *Operating Instructions* and *Bird by Bird*, her fans have been waiting for her to write the book that explained how she came to the big-hearted, grateful, generous faith that she so often alluded to in her two earlier nonfiction books. The people in Anne Lamott's real life are like beloved characters in a favorite series for her readers--her friend Pammy, her son, Sam, and the many funny and wise folks who attend her church are all familiar. And *Traveling Mercies* is a welcome return to those lives, as well as an introduction to new companions Lamott treats with the same candor, insight, and tenderness. Lamott's faith isn't about easy answers, which is part of what endears her to believers as well as nonbelievers. Against all odds, she came to believe in God and then, even more miraculously, in herself. As she puts it, "My coming to faith did not start with a leap but rather a series of staggers." At once tough, personal, affectionate, wise, and very funny, *Traveling Mercies* tells in exuberant detail how Anne Lamott learned to shine the light of faith on the darkest part of ordinary life, exposing surprising pockets of meaning and hope.

My Life in Orange

The Netherlands has been one of the world's most distinctive and sophisticated football cultures. From the birth of Total Football in the sixties, through two decades of World Cup near misses to the exiles who remade clubs like AC Milan, Barcelona, Arsenal and Chelsea in their own image, the Dutch have often been dazzlingly original and influential. The elements of their style (exquisite skills, adventurous attacking tactics, a unique blend of individual creativity and teamwork, weird patterns of self-destruction) reflect and embody the country's culture and history. This book lays bare the elegant, fractured soul of the Dutch Masters and the culture that spawned them by exploring and analysing its key ideas, institutions, personalities and history in the context of wider Dutch society.

Millions of readers have fallen in love with Ava's bestselling books—come join the family. International Bestselling Author Ava Myles' feel-good series, The Merriams, is back with a humorous and heartwarming story about a playboy without a cause and a woman whose dreams were diverted by family responsibility—and, of course, everyone's favorite matchmakers to guide the way. Flynn Merriam has it all: a glamorous job he loves, a model in every port, and loads of siblings he adores. Turning the big 3-0 shouldn't be a big deal, but suddenly he's questioning everything. There's got to be more to life than fun and diversion, right? Annie Loudermilk's life hasn't turned out the way she wanted. She'd planned to travel the world as a sought-after makeup artist, but when she found herself unexpectedly pregnant, everything took a different track. Now she's a single mom, living in a small town, making and selling her own cosmetic line. But she still longs for more. At his brother's bequest, Flynn goes to acquire Annie's boutique skincare company. But when he meets her, the only kind of business on his mind is monkey business. Annie knows Flynn's offer is the answer to her prayers: the shot at the life she's always wanted. But her family doesn't think so, and they thwart her dreams—and her powerful connection with Flynn. Fortunately, Flynn's got an ace in the hole to help seal the deal: his Aunt Clara and Uncle Arthur. Between the three of them, he's certain to get the company for his brother—and the girl for himself. PRAISE: "Ava's story is witty and charming." The Book with the Orange Leaves (Way Out #3)

Parents have approximately 936 weeks from the time their child is born until he or she graduates from high school. It goes by fast. The responsibility to shape a child's faith and character can seem overwhelming. If you are a parent, you have probably realized by now that you can't make a toddler share. Can't force a child to have faith. Can't compel a teenager to make smart decisions. But there is something parents can do. They can make this week count. And then do it again, and again. In *Don't Miss It*, authors Reggie Joiner and Kristen Ivy help parents discover that what they understand about their kids now has the potential to change their kids' future. If parents don't miss what's happening during this phase of their kids' lives, then maybe kids won't miss some important things they need to know about life. That's why what parents do this week matters. It's just a phase. And none of us wants to miss it.

Summary of Orange Is the New Black

A young lawyer's outwardly perfect life spirals out of control as she takes on her first murder case in this "dark, original and utterly compelling" domestic noir for readers of Paula Hawkins, A.J. Finn, or Shari Lapena. (Lisa Jewell, New York Times bestselling author of *Then She Was Gone*) Alison has it all. A doting husband, adorable daughter, and a career on the rise--she's just been given her first murder case to defend. But all is never as it seems just one more night. Then I'll end it. Alison drinks too much. She's neglecting her family. And she's having an affair with a colleague whose taste for pushing boundaries may be more than she can handle. I did it. I killed him. I should be locked up. Alison's client doesn't deny that she stabbed her husband - she wants to plead guilty. And yet something about her story is deeply amiss. Saving this woman may be the first step to Alison saving herself. I'm watching you. I know what you're doing. But someone knows Alison's secrets. Someone who wants to make her pay for what she's done, and who won't stop until she's lost everything.

The real-life Alex Vause from the critically acclaimed, top-rated Netflix show *Orange Is the New Black* tells her story in her own words for the first time—a powerful, surprising memoir about crime and punishment, friendship and marriage, and a life caught in the ruinous drug trade and beyond. Fans nationwide have fallen in love with *Orange Is the New Black*, the critically acclaimed and wildly popular Netflix show based on Piper Kerman’s sensational #1 New York Times bestseller. Now, Catherine Cleary Wolters—the inspiration for Alex Vause, Piper’s ex-girlfriend, friend, and sometimes-romantic partner on the show—tells her true story, offering details and insights that fill in the blanks, set the record straight, and answer common fan questions. An insightful, frustrating, heartbreaking, and uplifting analysis of crime and punishment in our times, *Out of Orange* is an intimate look at international drug crime—a seemingly glamorous lifestyle that dazzles unsuspecting young women and eventually leads them to the seedy world of prison. Told by a woman originally thrust into the spotlight without her permission—Wolters learned about Piper’s memoir in the media—*Out of Orange* chronicles Wolter’s time in the drug trade, her incarceration, her friendships and acquaintances with odd cellmates, her two marriages, and her complicated relationship with Piper. But Wolters is not solely defined by her past; she also reflects on her life and the person she is today. Filled with colorful characters, fascinating tales, painful sobering lessons, and hard-earned wisdom, *Out of Orange* is sure to be provocative, entertaining, and ultimately inspiring.

“A fun read for fans of the Netflix series . . . And don’t worry: These dishes are way better than the food the inmates actually eat on the show” (People). Staffed and run by a band of misfit inmates, the kitchen at Litchfield is in many ways the center of the popular show *Orange Is the New Black*—a setting for camaraderie, drug smuggling, power struggles, and plot twists. And then there is the food. With sixty-five recipes, twelve sidebars that expand upon the fiction of the show, and sixty photographs from the show featuring favorite characters and memorable moments, *Orange Is the New Black Presents: The Cookbook* adds new dimensions to any fan’s obsession. The recipes cover three square meals a day, plus snacks/sides, desserts, and drinks. They include Red’s Chicken Kiev, Miss Claudette’s Coconut Cake, and Prison Punch. The sidebars include Taystee’s suggested prison reading list, the recipe for Red’s Homemade Homeopathic Remedies, and a prison glossary. Chock full of in-depth information about the show, including recipe headnotes by the characters, DIY projects that emulate notable props, and prison factoids that help bring the show to life, this cookbook will bring a little

piece of Litchfield right into your very own kitchen.

Orange World and Other Stories

NOW A NETFLIX ORIGINAL SERIES • #1 NEW YORK TIMES BESTSELLER With a career, a boyfriend, and a loving family, Piper Kerman barely resembles the reckless young woman who delivered a suitcase of drug money ten years before. But that past has caught up with her. Convicted and sentenced to fifteen months at the infamous federal correctional facility in Danbury, Connecticut, the well-heeled Smith College alumna is now inmate #11187-424—one of the millions of people who disappear “down the rabbit hole” of the American penal system. From her first strip search to her final release, Kerman learns to navigate this strange world with its strictly enforced codes of behavior and arbitrary rules. She meets women from all walks of life, who surprise her with small tokens of generosity, hard words of wisdom, and simple acts of acceptance. Heartbreaking, hilarious, and at times enraging, Kerman’s story offers a rare look into the lives of women in prison—why it is we lock so many away and what happens to them when they’re there. Praise for *Orange Is the New Black* “Fascinating . . . The true subject of this unforgettable book is female bonding and the ties that even bars can’t unbind.”—People (four stars) “I loved this book. It’s a story rich with humor, pathos, and redemption. What I did not expect from this memoir was the affection, compassion, and even reverence that Piper Kerman demonstrates for all the women she encountered while she was locked away in jail. I will never forget it.”—Elizabeth Gilbert, author of *Eat, Pray, Love* “This book is impossible to put down because [Kerman] could be you. Or your best friend. Or your daughter.”—Los Angeles Times “Moving . . . transcends the memoir genre’s usual self-centeredness to explore how human beings can always surprise you.”—USA Today “It’s a compelling awakening, and a harrowing one—both for the reader and for Kerman.”—Newsweek.com Look for special features inside. Summary of *Orange Is the New Black* by Piper Kerman | Includes Analysis Inside this Instaread Summary: -Overview of the entire book -Introduction to the characters in the book -Summary and analysis of all the chapters in the book -Reader's Perspective Preview of the earlier Chapters: Chapter 1 In 1993, twenty-four year old Piper Kerman was at the Brussels airport, waiting for her suitcase after arriving from Chicago via Paris. She was dressed like a fashionable businesswoman, but was nervous because \$10,000 that belonged to a West African drug lord was hidden in her suitcase. It arrived on a later flight. She dashed out of the airport, accidentally skipping a stop in Customs. Kerman had graduated from Smith College. Though she came from a Boston family of high achievers,

doctors and lawyers, she majored in theater. Most of her friends got real jobs. She had no plan, though, and ended up waitressing in Northampton. She hung out with a crowd of similarly situated young people, having affairs with lovers of both sexes, dressing in black, and getting tattoos. During this time, Piper began an affair with a lesbian neighbor, Nora Jansen. Nora was a drug smuggler, transporting cash and heroin for a West African drug lord named Alaji. He also happened to be her sister, Hester's, boyfriend. One day, Nora came home with a suitcase full of cash and a new Mazda Miata convertible. Piper enjoyed the perks of Nora's lifestyle, but the drug activity made her nervous. When a friend decided to move to San Francisco, Piper saw it as a way out of her relationship with Nora. However, Nora suggested they move in together there. Not only did Piper stay with Nora, she used Nora's cover story to explain the move to her family. Nora's story was that she and a friend, Jack, were starting a magazine, so Piper told her family she would be working for the magazine in San Francisco..

Bitter Orange

An NPR Best Book of the Year A Most Anticipated Book at Time Magazine, Entertainment Weekly, Vulture, Elle, BUST, HuffPost, NYLON, Southern Living, Parade, and more From the author of Our Endless Numbered Days and Swimming Lessons, Bitter Orange is a seductive psychological portrait, a keyhole into the dangers of longing and how far a woman might go to escape her past. From the attic of Lyntons, a dilapidated English country mansion, Frances Jellico sees them—Cara first: dark and beautiful, then Peter: striking and serious. The couple is spending the summer of 1969 in the rooms below hers while Frances is researching the architecture in the surrounding gardens. But she's distracted. Beneath a floorboard in her bathroom, she finds a peephole that gives her access to her neighbors' private lives. To Frances' surprise, Cara and Peter are keen to get to know her. It is the first occasion she has had anybody to call a friend, and before long they are spending every day together: eating lavish dinners, drinking bottle after bottle of wine, and smoking cigarettes until the ash piles up on the crumbling furniture. Frances is dazzled. But as the hot summer rolls lazily on, it becomes clear that not everything is right between Cara and Peter. The stories that Cara tells don't quite add up, and as Frances becomes increasingly entangled in the lives of the glamorous, hedonistic couple, the boundaries between truth and lies, right and wrong, begin to blur. Amid the decadence, a small crime brings on a

bigger one: a crime so terrible that it will brand their lives forever.

It's "masterful . . . white-hot . . . devastating" (The Washington Post) at the same time as it is fierce, funny, suspenseful, thoroughly modern, and impossible to put down. Here is a voice we have never heard—a voice full of poetry and rage, exploding onto the page with urgency and force. Tommy Orange has written a stunning novel that grapples with a complex and painful history, with an inheritance of beauty and profound spirituality, and with a plague of addiction, abuse, and suicide. This is the book that everyone is talking about right now, and it's destined to be a classic.

Blood Orange

This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from Orange Is the New Black (mostly the addictive Netflix comedy-drama but with some attention to the best-selling real-life book by Piper Kerman). The show and the book that inspired it both dramatically highlight the troubling, stressful situation of millions of incarcerated Americans. How do the show's shower scenes shed light on the classical mind-body problem?

How can we make our lives meaningful when our options are curtailed by authority? What does it mean to manipulate someone, and why is it bad? What can we learn about the peculiarity of human beliefs from Pennsatucky's notion of the gay agenda? Is Litchfield Prison a preparation for life outside—or just a scale model of life outside? What could the governors of Litchfield learn from Jeremy Bentham and his panopticon? How is it that even in prison we find ourselves condemned to be free? Why is one of the worst things about prison being forced to see who and what we really are? It so happens that life in prison is absolutely full and overfull of philosophical implications. *Orange Is the New Black and Philosophy* stays close to the characters and scenes of the TV show, applying insights from ethics, existentialism, metaphysics, epistemology, and political philosophy. The book is aimed at thoughtful fans of this amazingly fine TV show, who want to learn more about its disturbing issues.
