365 Foundation Quilt Blocks

It's quiltmaking made as simple as paint-by-numbers! With a new method called foundation piecing, you just follow a numerical sequence to stitch fabric onto a foundation. Even the smallest pieces meet precisely, quickly, and accurately. With 365 projects, you could make one every day of the year. They're organized month-by-month, so you could make a patriotic quilt with the July blocks; a Thanksgiving quilt in November; a Christmas quilt with the December blocks; or pretty floral quilts with each month's flowers. (There are also some whimsical designs such as the yellow submarine that marks the day the Beatles came to America.) Photos of quilts made with blocks for each month accompany the complete instructions for the entire foundation piecing process.

Quilter's Precut Companion

Day & Night will mystify, enchant, and entertain you. It is magical with no smoke and mirrors and the technique is awesome. I may have designed the blocks and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."
